From the Editor's Desk...

"The heavens declare the glory of God, and the sky above proclaims his handiwork." Psalm 19:1

Nature is undeniably the most beautiful piece of poetry penned by the author of all creation, in His own unique, inimitable handwriting. In the body of nature, we unearth the soul of our creator. It is a glass that helps us behold God's glorious reflection, which is too bright to be witnessed otherwise.

One can't help nodding in agreement with George Washington Carver when he opines thus: "I love to think of nature as an unlimited broadcasting station, through which God speaks to us every hour, if we will only tune in." The evidence of God's divine nature and glory is abundant in nature. God's personal care for all His creatures as individuals stems from the fact that He is omnipresent and omnipotent and it is His nature to love. With unlimited caring attention, the supreme Planner meticulously designed the rhythm of the celestial bodies and the cycle of seasons. God's tremendous power is made manifest in the power of a wobbling earthquake, a rumbling thunder or the dazzling sun. His divine nature is palpable in the mighty puppeteer's prudent control over the strings of these awesome forces. And the intricate inter-relationships in nature stand as a testimony to His breathtaking brilliance. Ergo, there lies no doubt that through the quiet contemplation of nature one can envisage the nature of God Himself!

The theory, "biophilia hypothesis," that suggests that we love nature and have an innate urge to forge affiliations with it, because we evolved in it, rings true. And we need it for our psychological well-being because it's wired into in our DNA. The silent canyons, the babbling rivulets, the caressing breeze, the kiss of the rain, the spray of a cascading waterfall, all have the power to spark up the electrolytes in our bloodstream. The company of nature is a sweet relief from a society ridden with isms, injustices, phobias and prejudices .Sitting in the lap of nature all stress inducing deadlines and urgencies, which are most of the time miscalculated or exaggerated, seem to fade away while our minds and bodies learn to synchronize with the calm cadence of nature. The silent harmony of nature tranquilizes the cacophonic frenzy fashioned by the crazy culture of the world like no other soother can.

The lessons that one can learn from nature are plenty indeed. The squirrels just store the optimum amount of food required to see them through the winter and don't hoard greedily like us. The tall mountains in their imposing height teach us that all that majesty comes with a price- that of strongly facing all the ravages of time and change by putting up a brave front. Nature tenderly paints the true hue of reality in the canvas of our life, when it teaches us that we can't scale a peak without experiencing the pang of pain in our muscles, nor can we bring to halt the pouring rain or stall the setting sun according to our whim. From her we learn to find relief in surrender as she makes us realize that hardship and lack of control over things are an inherent part of life. Only when we begin to appreciate this, do we gear up to really relish the joy of being truly alive and savor the magical appeal of each unique season that Mother Nature has to offer. And like one season hands over the baton to another season to sustain the beautiful cycle of life; here at our college the leadership changes from one good leader to another good one, to keep the wheel of progress rolling. Rev. Dr. (Sr.) Rosy Antony an enterprising and intrepid intellectual finishes her term as a Provincial and hands over the reins to Rev. Sr. Jyothi Selvaraj, a humble and humane person .Rev. Dr. (Sr.) Jeusin Francis, an effervescent and effective leader completes her tenure as the Principal and hands over the headship to Rev. Dr. (Sr.) Christina Bridget, a charismatic and dynamic thinker.

Holy Cross College being an eco friendly institution, spares no effort when it comes to shielding nature. From planting and distributing saplings, to insisting on a plastic free campus, to conducting nature conservation programs, to installing solar panels, to running a nature club the college does all it can, to nurture nature .

When we attune ourselves to nature, we unlock the mystery of living. On the other hand if we ignore the beauteous wisdom of nature and keep wallowing in the urban jungle then it won't be long before we mirror the concrete and echo the din that envelops us. So get ready for that meandering walk in the lush woods . to listen to the chirpy notes of the hummingbird, to feel the cool wind touching the contours of your face, to see the sunlight filtering through the treetops, to dip your finger in the running brook and above all to praise the spirit of your Maker which resides in all these charms of nature!

ANNUAL REPORT

2016 - 2017

➢ Introduction

Respected chief guest, Mr. M. G. Devasahayam, Retd. I.A.S Officer, Chennai, our guest of honour Rev. Dr. Sr. Rosy Antony, Provincial, Sisters of the Cross of Chavanod, Province of Trichy, Rev. Dr. Sr. Lilly .V, Superior and Secretary, Rev. Sisters of the Cross, Sisters of other congregations, Rev. Fathers and Brothers, Principals and staff of neighbouring colleges, distinguished guests, special invitees, parents, benefactors, media personnel, teaching and administrative staff and my dear students. I extend a hearty welcome to all who have come to participate in our 94th College Day celebration.

It is my privilege to present a report of our activities of this academic year.

The college reopened for the senior students of II & III UG & II PG classes on 16th June 2016, for I UG students on 22nd June and for I PG students on 29th June 2016.

Mass of the Holy Spirit

Shift I

The mass of the Holy Spirit was held on 30th June 2016. Rev. Fr. James Selvanathan, Parish Priest, Fathima Church, Puthur, was the Celebrant.At the commencement of mass, the management, Principal, Secretary, VPs, staff and students gave offerings along with a symbolic offering of Noah's Ark. At the end of the mass, the Principal renewed the consecration of the management and college inmates to the Sacred Heart of Jesus, seeking his wisdom and understanding.

Shift II

The Eucharistic celebration was held on 30th June 2016 invoking the Holy Spirit to lead us all for the academic year 2016-2017. The celebrant was Rev. (Fr.) Dr. Paul Prakash, Assistant Professor of English, St. Joseph's College, Trichy. A formation of alphabets representing Holy Cross in an apple shaped card was used to emphasize the important virtues of life.

Welcome for I UG students

Shift I

On 22nd June 2016, the first year students of all the departments were welcomed by the Secretary, the Principal and the staff of the college. The Secretary Dr. (Sr). Lilly Varghese briefed them on the history of the college. Dr.(Sr). Jeusin Francis, Principal, greeted the students and wished them to start their new journey of learning. Finally the students were sent to their respective departments for the commencement of the bridge course.

Shift II

On 22nd June 2016, the first year students were welcomed into the Holy Cross family. Rev.Dr.(Sr.) Lilly, the secretary motivated the students and spoke about the history and achievements of the college. Dr. (Sr.) Isabella Rajakumari, Sister Incharge of Shift-II spoke about the achievements made by shift II students in academics, sports, and in fine arts in the history of Holy Cross College.

Staff Orientation

With the blessings of the Lord Almighty, the academic year 2016-2017 started with an orientation for the faculty on 10th June 2016. Rev. Dr. (Fr.) Paul Prakash, S.J. Assistant Professor of English, St. Joseph's College, Tiruchirappalli addressed the gathering .The focal point of his talk was how effective every teacher can be, by being more motivated, more dedicated and more committed.

An orientation programme for the staff members was held on 14th June 2016. The chief guest was Dr. S. Vijikumar, Director, Tamil Nadu Scientific Research organization, Pudukkottai and President of Bose Science Society The topic of the orientation programme was Smart Project Proposal. The speaker, Dr.S.Vijikumar gave indispensable information about Research proposal.

On 29th August 2016, the resource person Fr. Joe Arun SJ, Director, Joseph's Institute of Management, SJC Trichy, briefed the staff about the National Policy on Education, about quality, credible and value based education system, governing relations with international linkages and the multilingual nature of India

A two day orientation programme on evaluation methodologies organized by IQAC was held on 24th & 25th October 2016, for teachers with less than five years of service. The resource person, Dr.C.D.Lethi, Former IQAC Co ordinator, Dean of Science and Retd. Associate Professor of Zoology, Holy Cross College (Autonomous), Trichy, gave an insight into the teaching methodologies and evaluation system.

Student Orientation

A two-day intensive workshop on "Being and Becoming a Leader of Excellence" was coordinated by Dr.Mary Jayanthi, Dean of Students, on 17th and 18th June 2016. She gave an introduction to the students and spoke on conflict management and time management. Sessions were also handled by Dr.L.Jenitra, Dr.P. Nagalakshmi, Vice Principals, who had an interaction with the students about the campus campaigns. Mr. Antony Stephen, Assistant Professor of Social Work, spoke about "Discovering the Leader in You." Ms. Shirley Deepak, Director, Touch Stones spoke about "Event Management." Ms. Leema Peter, Counselor and Psychologist gave a talk on "Emotional Intelligence." The office bearers of 2015-2016 Ms. Pavithra, Ms. Roshni and Ms. Shruthi met the students and shared their experience on "Being a Holy Cross Leader of Excellence. 67 newly elected leaders of both Shift I and Shift II actively participated in the workshop.

One hour orientation for the first year UG students on self-discipline and goal setting was conducted by Dr.MaryJayanthi, Dean of students on 1st August 2016. The session was

conducted for about 1000 students. The students were given a hand folder on the rules of the college. It also included the pledge of a Holy Crossian and the Ten Commandments to become a Holy Crossian of excellence. A questionnaire assessment was given to enable the students analyze themselves and set their goals to grow as an "Excellent Holy Crossian".

On 16th & 17th September 2016, a two-day orientation on "Win Your Weakness" was conducted for I and II year students of all the departments in various slots. Mr. Mario Jegan, a motivational speaker gave an inspirational speech about the importance one has to give to their parents and good friends. Motivating videos of famous personalities were also screened. The programme was arranged by the Principal Rev. Dr. Sr. Jeusin Francis, with a focus to orient the students on making the right choices in life.

❖ Administrative Changes

A Time for Change

The following staff were appointed as

Vice Principals:

Dr. Jenitra. L, Associate Professor of Commerce,

Dr. Nagalakshmi. P, Associate Professor of Rehabilitation Science

Change in HODs in some Departments:

The following staff were appointed as Heads of the Departments:

Mrs.Chamane Unus Rodrigues- HOD of Economics

Dr. Lilly Robert - HOD of Mathematics

Sr. Judy Gomez - HOD of English

❖ New Courses

This year, two new courses M.Sc. Psychology and M.Phil. Mathematics, were started. The inspection commission for starting M.Sc. Psychology was held on 28th April 2016. The subject expert was Dr. Ram Ganesh from Bharathidasan University. For M.Phil. Mathematics, the commission was held on 28th March 2016. The subject expert was

Dr. Nallathambi, HOD of Mathematics, Sudharsan College of Arts and Science, Pudukottai.

Inspection commission visit for revision of intake of students for B.Sc. Computer Science (+20) and BCA two sections (20+20) and Biochemistry (+10) was held on 27th June 2016. The subject experts were Dr. Parthasarathy, HOD of Biotechnology, Bharathidasan University.

❖New Building

To meet the demand / need for more class rooms due to the increase in the students strength, and to provide the right ambience with well equipped class rooms conducive to learning, a new building with three stories was proposed and is under construction.

❖ Infrastructure

Adequate infrastructure facilities are essential requirements for attaining higher academic standard. In the pursuit of a development oriented path, the institution's focus is on updated and most recent technological tools to

provide better facilities for academic and administrative work.The broad band lease line has been increased from 30 to 50 mbps with Hi-Grade and Wi-Fi connectivity. Five solar plants have been installed. The campus strives to become a solar campus. The spirit to nurture nature is accompanied by the Go Green drive to avoid the use of plastics and make the campus a plastic free and tobacco free zone in order to maintain a healthy environment and provide an eco-friendly campus.

❖ Major Equipments Purchased

Sl.No	Particulars	No. of item
1	Steel Cot	1
2	2 ton Carrier Split A/c 1 Rs. 52000/- 5KVA Stabilizer Rs. 4000/-	2
3	10 KVA UPS (240 V DC)	1
4	Cyberoam CR100iNG Firewall (Software)	1
5	Hi-Focus Dome IR D/N Camera	1
6	1.5 ton Blue star A/c 6 x 42500 = 255000 V-guard stabilizer 4kva 6 x 4000 = 24,000 2 ton Blue star A/c 5 x 5155500 = 257500 V-guard stabilizer 5 kva 5 x 4700 = 23500	11
7	"Virgo" Automatic Sanitary Napkin Destroyer with Flexible Hose & Cap Model: MSMAX 200	1
8	Chair	15
9	IHS DUET BERA and OAE with Standard Accessories	1
10	Exide Tabular Battery – Rs. 1,00,000/- Battery Rack Rs. 4000/- service charges & replacing spares for UPS Rs. 10250/-	1
11	Eicher 10.75 E SCL NEW VAN	1
12	1.5 ton Blue star Split A/c 3x42500 = 127, 500 V-guard stabilizer stabilizer 4kva 3x4000=12,000	6
13	Gestetmer Copy Printer DX 2430	1
14	Fibre Optic Cable Laying Net work Accessories	1
15	Mistry Fresh RO Water Purifier Domestic Model	4
16	HP Laserjet MFP M1005 Printer Rs. 13810/- Logitech Web Cam Rs. 1381/- Numeric 600VA Rs. 1762/-	3
17	3X1½ Steel Table 8 6½ Steel Table 2 6½ Steel Cupboard 1	11
18	5½ Steel Cupboard	1
19	Reading Telescope 3 Hot Plate with Thermostatic Control 2 Microwave Oven IFB 1 Auto Clave -200ml 1 Digital IC Tester 1 Digital Electronics Trainer Kit 2	1
20	Revolutionary General Purpose Laboratory Centrifuge	1
21	Stereo Zoom Microscope with TR Head Olympus	1
22	Ricoh Aficio 2501 L Copy Printer	1
23	Sony LCD Projectors	2
24	6.0 KVA ONLINE UPS VESTA	1

❖ Collaborative Enterprise

The teacher facilitators as mentors and the student mentees continue to have and hold a familial bonding with a good rapport that is evinced both within and outside the campus, in academic and non academic activities and responsibilities.There is respectability for teachers, a friendly learning environment and more autonomy for both staff and students to improve and innovate in the teaching learning process and inputs. There are 255 teaching staff and 92 administrative staff and more than 5000 students in shifts I & II.

❖ Research

❖ Ph.D. Awarded

Congratulations to the following staff and research scholars who were awarded Ph.D.

- **Dr. M. Revathi,** Assistant Professor of Botany, guided by Dr. S. Catherine Sara, Assistant Professor of Botany

Thesis Title: "Studies on Phytochemical, Antimicrobial and Molecular characterization of an important water fern Marsilea minuta Linn"

- **Dr. R. Babithra,** Assistant Professor of Tamil, guided by Dr. Jacintha Rani, Associate Professor of Tamil

Thesis Title: "Ettuthogai Aganoolgalil Suttum Magalir"

- **Dr. S. Vidhya,** Assistant Professor of Chemistry, guided by Dr. Leema Rose. A, Associate Professor of Chemistry

Thesis Title: Evaluation of Plant extracts as Corrosion Inhibitors for mild steel and as reductants for green synthesis of gold nano particles

- **Dr. Anita Roy,** Assistant Professor of Biotechnology, guided by Dr. M. Rajalakshmi, Assistant Professor of Zoology

Thesis Title: Anticancer potentials of costunolide isolated from Costus speciosus on breast cancer

- **Dr. Umera Begam,** Assistant Professor of Biochemistry

Thesis Title: A study on the hepatoprotective activity of Solanum Torvom sw. on acetaminophen induced hepatotoxity in wistar rats.

- **Dr. S. Elavarasi,** Assistant Professor of Zoology

Thesis Title :Evaluation of Antidiabetic potential of traditionally used medicinal plants, Cyathea Nilgiriensis (holttum) and Pterocarpus Marsupium (roxb.) in Streptozotocin (stz) induced diabetic rat model.

- **Dr. Joonu. J,** Research Scholar guided by Dr. Horne Iona Averal, Associate Professor of Zoology

Thesis Title: "Bacterial Metalloregulation and antibiotic resistant character from a heavy metal polluted environment"

- **Dr. Sr. F.Mary Selesty Sales,** Research Scholar guided by Dr. M. Rajalakshmi, Assistant Professor of Zoology

Thesis Title: "A study on anticancer and chemopreventive effect of octyl gallate and gallic acid isolated from Terminalia bellirica against breast cancer"

- **Dr. M. Kalpana Devi,** Research Scholar guided by Dr. Felicia Rajammal Selvarani, Associate Professor of Chemistry

Thesis Title: Investigation of the inhibitive effect of a few organic compounds on the corrosion of stainless steel and their synergistic effect KI

- **Dr. J. Yamuna,** Research Scholar guided by Dr. Noreen Antony, Associate Professor of Chemistry

Thesis Title: Plant extracts as green corrosion inhibitor for carbon steel in Aqueous medium

- **Dr. Pon Nivedha,** Research Scholar guided by Dr. M. Rajalakshmi, Assistant Professor of Zoology

Thesis Title: Impact of Dihydroxy Gymnemic triacetate isolated from Gymnema sylvestre on prostate cancer - in-silico, in-vitro and in-vivo analysis

- **Dr. P. Lakshmi Prabha,** Research Scholar guided by Dr. S. Amala Fathima Rani, Associate Professor of Chemistry

Thesis Title: A study on the Adsorption of Mn (II) Zn (II) and Cd (II) Ions onto two novel eco-friendly Adsorbents

❖ Ph.D. Synopsis Presented

- Ms. Amala Viviani Rajan, Research Scholar
- Mr. L. Djody Bascarne, Research Scholar
- Ms. Sutha, Research Scholar
- Ms. M. Sumetha, Research Scholar
- Ms. P. Sathya, Research Scholar
- Ms. V. Jeya Santhi, Research Scholar
- Dr. I. Francina Nishandhini, Research Scholar

❖ Ph.D. thesis Submitted

- Sr. Judy Gomez, Assistant Professor of English
- Sr. Daisy Premila, Assistant Professor of Computer Science
- Sr. Niranjana, Assistant Professor of Social Work
- Ms. Maria Rajeswari, Assistant Professor of Biochemistry
- Ms. Roseline Selvarani, Assistant Professor of Computer Science
- Ms. Indra, Assistant Professor of Hindi
- Ms. Padma Priya, Research Scholar in Tamil
- Ms. Janova Mary, Assistant Professor of Commerce

Several staff members have registered and are doing Ph.D. research.

❖ Books published

- Academia and Society International Journal of Education and Society, Volume 3, Number 1, was published in October 2016 and Volume 3 Number 2 in February 2017
- Dr. Noreen Antony, Associate Professor of Chemistry was the chief editor of the book published by the staff of the department of Chemistry, titled, "Industrial Chemistry Study Resources", the Printing House, Trichy, August 2016 and she was the author for the book, "Basic Principles of Practical Organic Chemistry (for Post Graduate Students)", in November 2016
- Dr. Jenitra. L Merwin, Associate Professor of Commerce & Vice Principal, published a book, "Cost and Management Accounting" along with Dr. Dalston L Cecil, in 2017
- Dr. S. Vasanthi, Associate Professor of Commerce was the second author for two books that were published in February 2017.

  Title of the first book : "Consumer Behaviour towards Herbal Cosmetics".

  First Author: Dr. D. Gomathi, Second Author: Dr. S. Vasanthi, Associate Professor of Commerce, Holy Cross Collge, Trichy

  Title of the second book : "E-consumer's Behavior in Social Media Sites".First Author: Dr. V. G. Jisha Second Author: Dr. S. Vasanthi, Associate Professor of Commerce, Holy Cross Collge, Trichy

- A book titled, 'Harivansh Rai Srivashthavaa (Translation of his life history and some of his poems from Hindi to Tamil)' was published by Ms. Indra. N, Assistant Professor of Hindi, Holy Cross College, Trichy.

- The Department of English published a book, "Enriching Communications Skills in English" Volume II – a text book for part II English with Dr. Catherine Edward, Associate Professor of English with the faculty of English Shifts I & II as members of the editorial board.

- The Copyright Book details of Sr. Saghayamary A, Librarian, Holy Cross College are given below:

Title : Body Quotient for Children: Syllabus 1st – 12th Standard. Copyright Diary No. 7617/2016-CO/L.

Title: Depth Mining: A Psychotherapy Program. Copyright Diary No. 11502/2016-CO/L

Title : 'Smart Child' Program. Copyright Diary No. 11730/2016-CO/L

- A book entitled "All about Disability", authored by the staff of the department of Rehabilitation Science, was published in March 2017.

❖ Development Grant

The College was sanctioned Rs. 1.25 Crores as CPE Grant for phase II from 1st April 2017 to 31st March 2022.

Projects

Major UGC project

❖ **Dr. Sheila Christopher,** Associate Professor of Rehabilitation Science

Title: "Early Identification and Intervention for Children with Specific Learning Disabilities (SLD) in primary schools".Period: July 2015 to June 2018 .Amount:Rs. 9,89,400/- ICSSR project.

❖ **Dr. Vasanthi,** Associate Professor of Commerce

Title: "Sericulture – An employment potential for Rural (Women) Economy".Period: July 2016 to June 2018 .Amount: Rs. 3,00,000/- ICSSR project.

Minor project

❖ **Dr. A. Avila Jerley**, Assistant Professor of Zoology

Title: "Investigation in Synthesis of Chitosan Nanobiopolymer from Mushroom and analyzing its wound healing property to develop hydrogel in therapeutics"Amount: Rs. 90, 000/-

❖ **Dr. M. Rajathi D Modilal,** Assistant Professor of Zoology

Title: "Preparation, Characterization and Therapeutic property of Premna Latifolia Nano particles".Amount: Rs. 1,80,000/-

❖ Achievements /Awards /Ventures

- **College Special Achievements**

The NSS unit of our college won the Best NSS Unit Award for the academic year 2015 – 2016.Doctor's Blood bank and research centre (Doctor's Diagnostic Centre Charitable Trust) and Rotary Club of Trichy Central presented a Certificate of Appreciation to Holy Cross College for the noble gesture of organizing blood donation camps regularly. They thankfully appreciated this noble work by the institution towards the needy patients, which they said is highly commendable.

Rotaract Awards.The awards for the academic year 2015-2016 were announced at the District Conference held at MAMCET, College, Trichy, on 3rd July 2016. The Rotaract club of our college won the following awards:

- President Citation Award
- Top ten outstanding projects of RI district 3000
- Award in appreciation of the joint project- Organ Donation Rally

Best Institution Award 2016 was given by Lions Club of Trichy, Golden Bazaar, on 7th November

2016 to Holy Cross College, Trichy, in appreciation of the excellent educational services and moral educational activities to the student community for the longer period.

Ruthra Santhi Yogalayam Award. Certificate of Award was given in appreciation of Yoga and Value based service rendered by Holy Cross Women's College, Trichy. The Best Value Based College Award was given by Ruthra Santhi Yogalayam on 27th November 2016, at the 21st state level two days conference 2015, with the support of Tourism department.

Consumer Club Award.Consumer Club of Holy Cross College received I prize at the district level, for 2014-15 and 2015-16 at world consumer rights day celebration held in November 2016.

Indian Association for the Blind awarded a Certificate of Appreciation to Holy Cross College for outstanding excellence and amazing commitment towards voluntary contribution during the year 2016 – 2017 for the empowerment of persons with visual challenges.

- **Staff Awards/Achievements**

Ruthra Santhi Yogalayam with the support of Tourism Department, presented Kalai Rathna Award to Dr. Sr. Jeusin Francis, Principal, Holy Cross College in appreciation of Yoga and Value based service rendered.

Dr. S. Vasanthi, Assistant Professor of Commerce, received "Best Faculty Award" from Indian Academic Association at Bharathidhasan University on 21st May 2016. She also received "Distinguished Faculty Award" from Centre for Advanced Research and Design from the Board of Management, Venus International Foundation, VIFA 2016 Expert Committee Report and Apex Committee recommendations on 9th July 2016, at Chennai.

Dr. Leema Rose, Associate Professor of Chemistry, received Bharath Rathna Mother Teresa Gold Medal Award from Global Economic Progress and Research Association for Excellence in her respective field "Individual Achievement and National Economic Growth" at Bangalore on 19th November 2016.

Ms. G. Elizabeth Rani, Assistant Professor of Tamil, Holy Cross College, Trichy, received the Best NSS Programme Officer award from Bharathidasan University for the year 2013-2014.

Dr.M.Rajalakshmi, Assistant Professor of Zoology, Co-ordinator of Biotechnology & Bioinformatics has been conferred with "Dr.P.Daisy Memorial Award" recognizing her as a Woman Scientist in the field of Life Sciences, by the Society of Reproductive Biology & Comparative Endocrinology in the 35th Annual meet and International Conference on "Reproductive Biology & Comparative Endocrinology" on 10th February 2017 held at at the Department of Animal Biology, School of Life Sciences, University of Hyderabad, Hyderabad.

- **SET Passed**

13 staff members passed SET exam in 2016

- ✓ Ms. H.M. Leena, Assistant Professor of Computer Science

- ✓ Ms. J. Arockia Mary, Assistant Professor of Computer Science
- ✓ Ms. P. Mercy, Assistant Professor of Computer Science
- ✓ Ms. G. Arockia Sahaya Sheela, Assistant Professor of Computer Science
- ✓ Ms. P. Edel Josephine Rajakumari, Assistant Professor of Computer Science
- ✓ Ms. Antonette Vinoline, Assistant Professor of Mathematics
- ✓ Ms. Amalorpava Jerline, Assistant Professor of Mathematics
- ✓ Ms. Annaal Mercy, Assistant Professor of Mathematics
- ✓ Ms. Lydia Fetus Kanmani, Assistant Professor of Chemistry
- ✓ Ms. Sandhiya, Assistant Professor of Business Administration
- ✓ Ms. Angel Selvaraj, Assistant Professor of Rehabilitation Science
- ✓ Ms. Roseline, Assistant Professor of Physics
- ✓ Ms. Poornima, Assistant Professor of Zoology

Three out gone students passed SET in 2016

- ✓ Ms. Guna Shree and Ms. Kanimozhi from the department of Zoology
- ✓ Ms. Mercy Jenifer from the department of Physics

- **Students Achievements**

The Students of the department of English took part in JAM Titanica, a one day Intercollegiate Competition conducted by Jamal Mohammed College, Trichy on 20th September 2016, and won the Overall Shield.

The students of Social Work participated in Catharsis '16 – "A National Level Cultural Meet for the Budding Social Workers" held on 23rd & 24th September 2016, at Bishop Heber College, Trichy, and won the overall winners award consecutively for the second year. Mr. Nicky Engels, I MSW bagged Mr.Catharsis award.

R. Radhika B.Sc Physics (Shift II) NSS Volunteer of our college received the best NSS student award for the year 2014 – 2015.

Students of the department of Audiology and speech language pathology attended a conference held at Pondicherry on 19th & 20th November 2016. Ms. J. Jenita Carean Rajakumari of III BASLP was awarded second in best oral presentation in the language category and Ms. K. Sherly of III BASLP was awarded Best Poster in language category for their research papers.

Nandhini Voice of the deprived, a Chennai based organization conducted an All India Essay Writing Competition for college students in September 2016 on the topic, "India's Performance in Rio Olympics and How to do better in the Next". Ms. D. Adrin Sanchia Jason of III B.A. English won a certificate of appreciation and cash prize of Rs. 250.

Miss. Seshaa Senbagam of III B.A. English (Shift II) won the first prize "Master Mind 2017", title, at the competition held at Hotel Sangam

on 7th February 2017, conducted by Archana Sweets, Trichy. 128 Arts and Science College students from 8 districts participated in the Master Mind Contest.

Ms. R. Neelambihai won the second place in poster presentation in the International Conference conducted at Nehru Memorial College (Autonomous), Trichy-02.

Ms.S.Lavanya & M.Charumathi won second place in poster presentation in the International Conference conducted at Sowdambika Engineering College, Arupukottai.

Ms.C.Vasantha won third place in poster presentation in the International Conference conducted at St.Joseph's College, Trichy.

Ms. S. Udaya of III B.A. Economics secured the prize worth Rs. 1000/- at "Know Your Economy" test conducted by the Scientific Research Association for Economic & Finance, Chennai, on 10th February 2017.

M. Reshma of II B.A. History and Hafifa Sherin of I B.A. History participated in the intercollegiate quiz competition held at St. Joseph's College on 8th February 2017 and won I place with a cash prize of Rs. 1500/-

Our students won the over shield in the inter-collegiate competition, Math Zest conducted by the department of Mathematics shift II of Bishop Heber College on 27th February 2017. The winners are Annie Parimala and Daisy Prabha of II M.Sc. Mathematics – I place in Collage, Seba Lizy of III B.Sc. Mathematics - I place in Sodukku and Selestine Grace and Sri Ranjani of III B.Sc. Mathematics – III place in presenting Maths Model.

The students of II MCA participated in the inter-collegiate competition conducted by Christhu Raj College, Trichy on 28th February 2017 and won the overall runners up prize. They secured I prize in paper presentation & Dumb Charades and II prize in Ad-Zap & Mime. They also won a cash award of Rs. 5000/-.

Ms. Uma Maheswari of III B.A. History and Ms. Hafifa Sherine of I B.A. History participated in the state level management meet conducted on 28th February 2017 by K. Ramakrishna College of Engineering and secured III place in the business quiz and won a cash prize of Rs. 1000/-.

S. V. Meenatchi of I B.Com., won the cash award of Rs. 2000/- for "Short Story Telling" conducted by Urumu Dhanalakshmi College, Kattur, Trichy on 28th February 2017

Five students from the department of Economics, R. Puviyarasi of III B.A. Economics, R. Priya, Shonam Kumari & B. Annapoorani of II B.A. Economics and Humaira Jameel of I B.A. Economics, participated in Econ's 2017 conducted by the Department of Economics, St. Joseph's College, Trichy, on 17th February and won awards.

Ms. P. Sathya from the Department of English, won I prize in a Letter Writing Competition conducted by Culture Care Centre, Dindivanam and was awarded a cash prize of Rs. 1000/-

❖ Orientation Course

The following teaching staff members attended the Orientation Programme from 2nd to 29th March 2017 (28 days), at UGC Academic Staff College, Bharathidasan University

- Dr. Prema. M, Assistant Professor of Tamil
- Dr. Thevatha. A, Assistant Professor of Tamil

- Dr. Latha. D, Assistant Professor of Tamil
- Dr. Felicita Florence. J, Assistant Professor of Chemistry
- Dr. Roseline Vimala. J, Assistant Professor of Chemistry
- Dr. Catherine. L, Assistant Professor of Chemistry
- Dr. Priya. V, Assistant Professor of Chemistry
- Mrs. Aloysia Regina Joan. G, Assistant Professor of Commerce
- Dr. Mary Merjullo Merlin. M, Assistant Professor of Maths
- Dr. Merline Vinotha. J, Assistant Professor of Maths
- Dr. Maria Sophiya. P, Assistant Professor of Economics
- Ms. Fouzia Kousar, Assistant Professor of Economics
- Dr. Suganthi. K, Assistant Professor of English
- Miss. Desiree Ann. A, Assistant Professor of English
- Miss. Diravia Gladina, Physical Directress

Three staff attended the Orientation Programme from 3rd to 30th March 2017 (28 days), at UGC Academic Staff College, Bharathidasan University,

- Dr. Inigomary Rita. A, Assistant Professor of Physics
- Dr. Paulin Edwidge Mary. A.V, Assistant Professor of Physics
- Dr. (Sr). Lourdu Mary, Assistant Professor of Rehab. Science

❖ Golden Delight - 25 years Service completed

Congratulations to the following staff who have completed 25 years of service in Holy Cross College, Trichy.

Teaching Staff

Ms. Karpagavalli N, Assistant Professor of Computer Science

Administrative Staff

- Ms. Saghya Lourdu Magdelene, Lab Asst (SG)
- Mr. Maria Susai, Watchman (SG)
- Ms. Panchavarnam. C, Mgt. Staff

❖ 100% Attendance

Congratulations to the following staff for 100% attendance

Shift I

- Ms. Emelda Samathanam Evangelin, Associate Professor of Mathematics
- Dr. J. Felicita Florence, Assistant Professor of Chemistry
- Dr. R. Kanmani, Assistant Professor of Chemistry
- Dr. M. Arumbu, Assistant Professor of Tamil
- Dr. A. Jasmine Banu, Assistant Professor of Physics

- Ms. Joanna D Vaz, Assistant Professor of English

Non-Teaching

- Ms. Banumathy. R, Mgt. Staff
- Ms. Saradha. S, Mgt. Staff

Shift II

- Ms. A. Divya Sahana, Assistant Professor of Physics

Faculty Visit Abroad

Sr. Saghyamary. A, Librarian attended two international conferences at Sydney, Australia from 24th to 26th and 29th & 30th November 2016 and presented papers. She also visited libraries in Sydney. The papers presented by Sr.Saghayamary are,

- Eradicating Modern Slavery from Indian Societies, ICOSH 2016 held during 24th – 26th November, in Sydney, Australia.
- "Body Quotient Model" of Empowering Children to Combat Child Sexual Abuse: A Case Study at the 2nd International conference on Multidisciplinary Trends in Social Sciences and Business Research (MTSBR) Sydney, Australia from 29th to 30th November 2016.

❖ Highlights of the year

Student Exchange Programme

The Department of Rehabilitation Science, Holy Cross College, Tiruchirappalli signed an MoU with Howest, de Hogeschool West Vlaanderen, University College West Flanders, Belgium for International Student Exchange Programme. As per the MoU, Ms. Sonia Raniof II PG was sent to Howest University, Belgium from 19th September 2016 to 31st January 2017. She completed a course on Applied Health and Life Style Sciences.

Likewise Mr. Harounn Minhas, a student of Applied Psychology from Howest University, Belgium came to the department of Rehabilitation Science. He completed courses on Management of Rehabilitation Programmes from 3rd October 2016 to 31st December 2016.

NCC Golden Jubilee Celebration & NCC Reunion – Synergy 2016

A special occasion in the history of the college was the Golden Jubilee of NCC and the Reunion of the Ex NCC cadets which was organized on 17th September 2016 by Major. Dr. Viji. M, the Associate NCC officer & Cadets in which Col. Pandian, Station Head Quarters, who was in NCC for 15 years as Joint Director of the NCC – Tamil Nadu,Pondicherry & Andaman, Nicobar Dte. and Major. Dr. Manali Somasundaram were the chief guests. Rev. Fr. Dr. Joe Arun, Director Joseph's Institute of Management was the President whose grandfather worked in the INA of Subash Chandra Bose, Rev. Dr. Sr. Lilly. V, Secretary and Rev. Dr. Sr. Jeusin Francis, Principal of our college offered felicitations. Nearly 100 Ex Cadets participated. Cadets from 1970 Ms. Dinky Rodriguez- who attended RDC as the Senior in RDC 1971, Ms. Owenita D'Cruz who was the Parade Commander for Rajpath in RDC 1975,80s,1994, Dr. Nandhini, Associate Professor in Anna University who was the Best Cadet in the State & participated in RDC 1996 are a few noteworthy cadets who were present. More than 300 participants enjoyed the day with their sharing of various developments through NCC Discipline and Unity, Overall Personality Development of their self was shared by them .This programme was telecast

in DD News on the same day and the full programme was telecast in N TV the next day.

Medical Camp

The medical camp for I U.G. students was held on 28th & 29th September 2016, which consisted of a General Medical Check-up. The camp was conducted by Well-Care Hospital, Thillainagar, A.G. Eye Hospital, Puthur and Department of Audiology and Speech Language Pathology, Holy Cross College (Autonomous), Trichy. In the camp, Hearing Test, Eye Test, Blood Pressure Test and a general assessment by a physician was conducted. The camp covered 1442 I UG students.

"Go Clean" Programme

In accordance with the "Go Clean" programme, the college wellness committee has taken the initiative to keep the college campus, its infrastructure along with its surrounding clean. For the purpose, a committee (comprising of 16 staff members from various departments) was set up to ensure effective implementation of the objectives of "Go Clean" programme. In this regard, a meeting was organised and conducted by Dr. Pushparani S. M, Associate Professor of Commerce, along with Dr. Mary Jayanthi. M, Dean of Students and Dr. Jenitra. L, Vice Principal, on 26th July 2016.

Memorandum of Understanding (MoU)

In order to provide students with a holistic education and practical exposure, a Memorandum of Understanding (MOU) was signed on 4th April 2016 between the PG & Research Department of Rehabilitation Science and University of Howest, Belgium. Els Salembier, Head of International Department of Bruges and Kathleen Ome, Rehabilitation Expert of Howest University, Belgium conveyed their felicitation through video conference.

On 19th September 2016, the department of Visual Communication signed an MoU with the media association members.

On 21st September 2016, a Memorandum of Understanding was signed between the Department of Botany, Holy Cross College and Millet-IN a pioneer organization of Millets in Trichy.

A second Memorandum of Understanding was signed on 17th November 2016 between the PG & Research Department of Rehabilitation Science and National Institute for Empowerment of Persons with Multiple Disabilities (NIEPMD), Muttukadu, Chennai for wide academic exposure of the students. The chief guest, Dr. Himangshu Das, Director, NIEPMD in his address spoke on effects of scientific gatherings which result in updated information from both the experienced and young professionals in the field of rehabilitation.

The Department of Zoology signed an MoU on 12th January 2017 with Trichy Institute of Regenerative Medicine (TIRM), which is a Centre of Excellence that has facility for human stem cell research and clinical trials.

❖ International and National Seminars/Workshops/Conferences

- The Department of Rehabilitation Science conducted an "International Seminar on Approaches in Rehabilitation Research & Practices –A Quest for Innovation'(ISARRP 2016) on 4th April 2016. The program started with the launching of "Thaai Suvai" (Mothers Empowerment Project)

sponsored by CSR Grama Vidiyal Micro Finance Ltd. This is an income generating initiative for mothers of children with special needs from Holy Cross Blossoms Opportunity School. In this project fresh idli, dosa batter is prepared for sale and vegetable cutting is done on need basis. The sponsor Mr. Satish Devaraj, Head, Human Resources, CSR Grama Vidiyal Micro Finance Ltd., delivered the inaugural address.

- The Department of Chemistry in collaboration with the Department of Biochemistry, Madurai Kamaraj University, Madurai conducted a two day International Conference on the theme, "Chemistry of Biomolecules – Current Trends and Future Perspectives" (ICCBCTFP-2016), on 27th & 28th July 2016. Dr. A.K. Kumaraguru, Former Vice-Chancellor, Manonmaniam Sundaranar University, Tirunelveli inaugurated the conference and spoke on "The significance of biomolecules obtained from the marine organisms to human beings. Five international and four national delegates gave their deliberations.

- The Department of Zoology organized a National Conference on 2nd August 2016 on "Better Environment and Better Future" with a focus to create a healthy surrounding for human health. The key note address was given by Dr. R. Thirumurugan, Controller of Examination (i/c), Bharathidasan University, Tiruchirappalli.

- On 19th September 2016, the department of Visual Communication conducted the National conference on 'Media and Society'. The chief guest was Mr. Vasanth Sai, film director. He took a session on the seminar topic 'Media and Society'. The chief guests Ms. Abirami (Suriyan FM), Mr. Prapanj (Thanthi TV) and Mr. Praveen (Film Director) shared their knowledge on media society.

- The Department of Physics shifts I & II organised an "International Conference on Advances in Materials Sciences 2017" (ICAMS -2017) on 6th & 7th January 2017. The International Conference Souvenir was released by Professor Pushpendu Kumar Das, Department of Inorganic and Physical Chemistry, IISc Bengaluru. The keynote address was delivered by Dr. M. Beatrice Margaret, State Government Nominee, Regional Joint Director of Collegiate Education, Thanjavur.

- A national conference on "Auditory Evoked Potentials" was conducted from 15th to 18th February 2017 by the department of Audiology. The chief guest was Mr.K.Narendhiran, Retired Senior Audiologist, Coimbatore Medical College, Coimbatore.

❖ IQAC

- IQAC conducted meetings periodically from 17th June to 6th July 2016, with core committee members along with individual Staff representatives of all the NAAC parameters, to consolidate the data for the AQAR 2015–2016.

- The Annual Plan for the academic year 2016–2017 was submitted by the Heads of the Departments to the Principal, on 4th July 2016 and the Plans for the Institution were consolidated on 5th July 2016.

- The Annual Quality Assurance Report for 2015 – 2016 was finalized and submitted with an online link on 6th July 2016, and also uploaded as a Quick Link in the Holy Cross College Website.

- Dr. P. Nagalakshmi and Dr. H.D. Subashini participated in one day National Seminar on **"New Educational Policy** organized by Consortium of Christian Minority Higher Educational Institutions (CCMHEI) on 24th July 2016, in Stella Maris College, Chennai.

- A team of IQAC (Dr. A. Turin Martina, Dr. (Sr). P. Rajakumari, Dr. P. Nagalakshmi, Dr. L. Jenitra and Dr. H.D. Subashini), represented our college in "Tamilnadu College Convention **on National** Education Policy 2016" organized by Jesuit Higher Education Commission of Tamilnadu, AIACHE, New Delhi and Xavier Board of Higher Education in India, Tamilnadu Region" held on 12th August, 2016, at St. Joseph's College, Trichy.

- A paper entitled "Benchmarking of Student Performance Indicators in Holy Cross College (Autonomous), Tiruchirappalli" authored by Dr. A. Turin Martina, and Dr. H.D. Subashini, was presented by the latter in a three-day Conference on Benchmarking Procedures and Practices for Quality Enhancement in Higher Education held from 22nd – 24th November 2016, organized by Christ University, Bangalore.

- Holy Cross College has participated in the National Institutional Ranking Framework (NIRF) 2017 and has worked meticulously in various teams with staff representatives for the parameters "Teaching, Learning and Resources," "Research and Professional Practices", "Graduation Outcomes", "Outreach and Inclusivity" and "Perception", outlined in the Ranking Framework Methodology during the Months of October and November 2016. The Institutional data for Discipline specific Rank for Arts/ Science/ Humanities / Commerce, was submitted in the Data Capturing System (DCS) format provided in the NIRF website, on 29th November 2016. Subsequently, the supportive documents in the form of annexure were posted in our College Website. National Institutional Ranking Framework (NIRF) India Rankings 2017, Holy Cross College,Tiruchirappalli ranked 26 in College category.

- A workshop on Preparation of NAA Documentation was organized from 13th to 15th December 2016 for the members of NAAC report committee, to prepare and consolidate the Self Study Report for NAAC Accreditation (4th Cycle).

❖ Department Highlights

❖ Audiology and Speech Language Pathology

Four staff members and 35 students of the Department of Audiology and Speech Language Pathology attended the RCI approved Conference on "Advances in Auditory Electrophysiological Evaluation & Neurophysiological Perspective in Assessment and Management of Hyperacusis and Tinnitus" from 1st to 3rd July 2016, held at Kasaragod. On 4th July 2016, the staff and students visited Kasthuba Medical College,

Mangalore. They were given orientation regarding the various equipments (Audiometer, Impedance audiometry, OAE, IHS 64 channel BERA, Swallowing station, VKG).

Rescapes School Screenings Camps were conducted in 3 villages:A village camp was organized on 12th & 13th July 2016, at Iruppukurichy Village near Viruthachalam. The people were screened for Hearing and Speech Language disorders.A village camp was organized on 3rd August 2016 at Perurudayanpatti Village near Karur. The village people were screened for hearing and speech language disorders. Another hearing screening camp was organized on 6th August 2016 at Kilavangaram village near Trichy and the village people were screened for hearing disorders. Counselling was given to all regarding hearing care, need of routine audiological evaluation further detailed evaluation and recommendations were given to patients concerned.

The student's Speech Language and Hearing Sciences Association was inaugurated on 5th August 2016, by the chief guest Mr. L.N. Santhosh, Manager in Marketing. The guest of honour was Dr. (Sr.) Lourdu Mary Academic Coordinator and the Special invitees were Mr.Subramaniam and Mr. Chinappan from Lion's Club, Thillainagar branch. The chief guest gave an interesting and thought provoking speech on the importance and role of Audiologist and Speech Language Pathologist, for the betterment of individuals with communication disorders. Mr. R. Sundaresan HoD spoke about the scope and ethics of Audiologist & Speech-Language Pathologist.

The workshop on Development of Communication Skills was conducted by the Department of Audiology & Speech Language Pathology on 8th August 2016. The chief guest was Mr. L.N. Santhosh, a trainer and member of the Lions club, Thillainagar branch. The session was about effective communication

A rural camp was organized on 10th August 2016 at Kanniakudi village near Trichy and the village people were screened for hearing disorders. The Clinical Supervisor Ms.E.Pushpa Sarona and 26 students participated in the camp Counseling was given to all regarding hearing care & need of routine audiological evaluation.

Three staff of the Department of Audiology, Ms.Bhuvaneswari.K, Ms.Amritha.M.L and Ms.Merin Mathews, attended the National Workshop on "Pedagogic and Personal Effectiveness for Teachers of Audiology & Speech Language Pathology" (Life Long Learning- 2016) from 11th to 13th August 2016, accredited by RCI and ICMR, New Delhi held, at KMC, Kasturba Medical College, Mangalore.

Sharva Shiksha Abiyam (SSA) Screening Camp.SSA organized massive screening camp in rural areas of Tanjore districts in the name of "Education for all" from 10th to 20th August 2016. The Interns from the department participated.

The Department of Audiology organized a free Audiological hearing evaluation camp in Vivekananda Arts and Science College near Tiruchengode. Ms. C.Regina Mary and 10 students attended the free Audiological hearing evaluation on 23rd August 2016, Tuesday. About 20 students were evaluated for hearing and identified for hearing loss and other hearing related issues.

Rescapes Hearing Screening Camp . A rural camp was organized on 31st August 2016 at Veerani village near Trichy and the village people were screened for hearing disorders. The Clinical Supervisor Ms.E.Pushpa Sarona and 10 students participated in the camp.

The 10th World Stroke Congress was held from 26th to 29th October 2016 at Hyderabad Convention Centre. Mr. R.Sundaresan, HOD and 2 students (Ms.Sandra Ursila.P and K.Sherly-III BASLP) attended the conference. On 26th October, various lectures were given by eminent doctors from various parts of the world in the field of Stroke assessment and rehabilitation. The topics focused on were stroke unit care and general Care, the effective stroke units and evidence based approaches, Thrombolysis and Thrombectomy, a case based discussion and how to improve stroke image reading abilities i.e., by CT, MRI Scans.

On 27th October 2016, poster presentations and lecture topics focused on the awareness, stroke prevention, genetics, assessment and intervention. Ms Sandra Ursila.P (III BASLP) presented a poster on "A Survey on Awareness of Causes, Preventive Measures and Rehabilitation of Stroke among college going students".

On 28th October the sessions were free Communication: Acute Neuro imaging, Rehabilitative Approaches, Quality of Care, Special Challenges in Delivering Care, Stroke in Women, ABC of Stroke Management. Parallel to that, poster walks also took place on the topics Cerebro vascular Disease, Heart and Brain, Prevention of stroke, stroke and social media. Mr.R.Sundaresan, HoD gave a poster presentation on "Bedside Evaluation in Patients with Stroke".On 29th October the topics focused on the updates on Diagnosis and Management of stroke.

The Tamilnadu Indian Speech and Hearing Association Conference (TAN-ISHACON) was held at Puducherry from 18th to 20th November 2016. The conference was organised by the Organising Secretary Mr. Muthukumaran.G and by the Puducherry Association of Speech Language Pathologists and Audiologists (PASA). Two staff, Ms Regina Mary, Ms Pushpa Sarona and 66 students attended the conference. Nine students presented scientific papers in the category of Audiology, Speech and Language. The staff and students updated their knowledge in the recent trends in the field of Audiology and Speech Language Pathology.

The Indian Speech and Hearing Association Conference (ISHA-CON) was held from 5th to 8th January 2017 at Swabumi, The Heritage, Kolkata. Three students attended the conference and were accompanied by Ms.K. Bhuvaneswari, Assistant Professor and Mr. R. Sundaresan, Head of the Department.

A seminar on Neuroanatomy was conducted on 24th January 2017. The chief guest was Dr. T. S. Gugapriya, Professor from SRM Medical College, Tiruchirappalli. The session was about neuroanatomy of cortical and subcortical structures.

The seminar on Anatomy and Physiology of laryngeal system was conducted by the Department on 25th January 2017. The chief guest was Dr. T. S. Gugapriya, Professor from SRM Medical College, Tiruchirappalli.

The Department arranged one day workshop on "Technological advancements in hearing aid

fitting and programming" on 8th February 2017. Ms. Subashini, Audiologist & Speech Language Pathologist, MRM Speech Therapy & Audiology Clinic, Trichy delivered an informative talk about emerging advances in hearing aid fitting and programming. Students had hands on session on programming hearing aids.

The department organized a one day workshop on "Sensory Integration" on 9th February 2017. Mr. P. Shankar, Occupational Therapist, MRM Speech Therapy & Audiology Clinic, Trichy delivered a talk on Autism Spectrum Disorder, causes, sensory issues and ways to channelize the sensory information. Students had an interactive session with the speaker at the end of session.

National Conference on Auditory Evoked Potentials (HCC FlASH series – 1, 2017).A four day national conference on "Auditory Evoked Potentials" was conducted from 15th to 18th February 2017. The chief guest was Mr.K.Narendhiran, Retired Senior Audiologist, Coimbatore Medical College, Coimbatore. On 15th February, topics focused on an introductory recall of anatomy and physiology of hearing system.

On 16th February 2017, two eminent speakers, Mr. Ramiz Malik Assistant Professor, Marthoma College, Kerala and Dr. Pradeep Yuvaraj, Audiologist, NIMHANS, Bangalore discussed the parameters of Auditory Brainstem Responses, differential diagnosis, hands on ABR and assessment of Central Processing Disorder.On 17th February 2017, distinguished guest speakers Dr.Sandeep, HoD, AIISH Mysore and Dr.Heramba Ganapathy, Reader SRMC, Chennai gave a detailed talk on Long Latency Response, P300, Paediatric ABR and hands on session was held.On 18th February 2017, two eminent speakers Dr.Sujeet Kumar Sinha, Reader AIISH, Mysore and Mr.S.S.Vignesh Assistant Professor MMC, Chennai discussed instrumentation, clinical application of Vestibular evoked myogenic potential. Parallel scientific paper sessions were held.

❖ Biochemistry

On 11th July 2016, the Biochemistry association was inaugurated with a lecture on" Soft Skill Development". The resource person was Rev.Fr. P. Anburaj, Assistant Parish Priest,

St. Mary's Cathedral, Melapudur, Trichy.

On 24th August 2016, the Department organized its second association activity on "Cancer-Diagnosis and Treatment - a Biotechnological Approach". The resource person was Dr. C. Aiyavu, Assistant Professor, PG & Research Department of Biochemistry, Rajah Serfoji Government College ,Thanjavur.

On 28th August 2016, the Department organized a workshop on First Aid Management for the second year and Non major elective students. Mr. Radhakrishnan, lecturer and trainer in St. John's Ambulance, New Delhi demonstrated methods of dressing, bandaging and facing emergency situations.

On 24th November 2016, the students of III B.Sc., Biochemistry went for an Industrial visit to National Research Centre for Banana, Thogaimalai, Trichy. The students got to know about the various processes of gene transformation and the separation of proteins from banana fruit. The various instruments like Iso-electric focusing, spectrophotometer etc. were also shown and demonstrated.

The Department of Biochemistry conducted an intra-departmental festival Molfest-2016 on 14th December, 2016. There were various competitions which served as a platform for the students to express their individuality.

On 10th February 2017, the Department of Biochemistry conducted a health cum science awareness exhibition "Bioscintillators 2017" in Raja High school, Trichy. The following topics were presented and explained-Body Mass Index (BMI), Health and Hygiene, Food and Nutrition, Scope of Biochemistry, Microbiology, Immunology, Environmental Science, Human Physiology, First aid Management & Cancer Biology.

On 17th February 2017, the Department organized an association meeting on the topic, "Stem Cell - Role in Retinal Regeneration". The speaker was Dr. Isai, Assistant Professor of Zoology, SRC, Trichy.

The Department organized a State Level Seminar on the topic "New Challenges in the present era of Biological Research" on 22nd February 2017. The special guests were Dr. K. Sathiyamurthy, Associate Professor, Department of Bio-medical Science, School of Basic Medical Sciences, Bharathidasan University, Trichy, Dr. I. Vetha Potheher, Assistant Professor of Physics, Anna University, BIT Campus, Tiruchirappalli and Dr. A. Vijaya Anand, Head & Associate Professor, Department of Human Genetics & Molecular Biology, Bharathiyar University, Coimbatore. Eminent speakers from various universities were invited to give lectures on biological research. Many students from our college and other colleges participated in the seminar and presented posters that were evaluated by Dr.Senthilkumar and Dr.C.Aiyavu Assistant Professors, Department of Biochemistry, Raja Serfoji College, Thanjavur. Prizes and certificates were distributed to the winners and participants.

The Kreb's Club organized a valedictory function for the students of the Biochemistry association who enthusiastically participated in all the events conducted by the department. The function was held on 24th February 2017. The chief guest of the program was Dr. S. Madhu, Research Advisor at ACCET, Karaikudi. He gave a talk on the topic "Career for a Biochemist".

At the end of the program he distributed the prizes to the winners of Molfest competition.

❖ Biotechnology & Bioinformatics

The Watson & Crick club of the Department of Biotechnology & Bioinformatics was inaugurated by Dr. M.Isai, Assistant Professor of Zoology, Holy Cross College on 11th July 2016, with a lecture on 'In vitro differentiation of human bone marrow-derived stem cells towards retinal epithelial lineages'.

On 13th August, an invited lecture for M.Sc. students, research scholars and the faculty of the Department, on "Protective Role of Melatonin on PCB Induced Toxicity on Selected Brain Region of Adult Rats" was delivered by Dr. J. Arunakaran, Director – Research, Meenakshi Academy of Higher Education and Research, Chennai.

The Watson and Crick Club organized an Intercollegiate Competition, Bioutsav 2016 on 31st August 2016, to amplify student's knowledge in the field of biotechnology and to be acquainted with "Biotechnology - a boon to mankind". About 35 students from our college

and various other colleges participated in the following events such as Biolyrics, Poster Presentation, Model Presentation and Autobiography. Dr. C. Sasikumar, Associate Professor & Head, Department of Biotechnology, Nehru Memorial College, Trichy, was the judge for Poster Presentation and Model Presentation. Ms. Cheryl Antonette Dumenil, Assistant Professor of English of our college was the judge for Biolyrics and Autobiography.

The Watson and Crick Club organized a workshop on "Life Skills" with Module I on 8th September and Module II on 21st September 2016.

Mr. M. Antony Stephen, Assistant Professor of Social Work took the sessions for I and II M.Sc. students, research scholars and the faculty of the department The Module I of the workshop focused on exploring one's own-self and the need to know one's own personal skills. Module-II was on self esteem and inter-personal relationship.

DBTBIF centre & the Department organized a National workshop on "Basics of Bioinformatics & Computer Aided Drug Design" for the Life Science faculty members, Ph.D and M.Phil. scholars from1st to 3rd October 2016. The session included lectures and hands on training on databases, sequence analysis, ChemSketch, Molecular Docking as key modules.

On 24th November 2016, a lecture on "Scenarios in pheromone technology" was delivered by Mr.K.Jeremiah Kirubananth, Assistant Professor of Zoology, Bishop Heber College (Autonomous), Trichy.

The staff and students of the Department went on a study tour to Hyderabad on 8th February 2017. They visited various key tourist spots in Hyderabad and also had a visit to the Life Science Departments in the University of Hyderabad. The team also participated in the International Conference on "Reproductive Biology & Comparative Endocrinology" and the 35th Annual meet of SRBCE held between 9th to 11th February 2017 at the Department of Animal Biology, School of Life Sciences, University of Hyderabad.

The valediction of Watson & Crick Club was held on 24th February 2017.

Dr. Karthick Mohan, PG & Research Department of Biochemistry, St.Joseph's College, Trichy gave the valedictory address.

❖ Botany

The inauguration of Botany Club for the academic year 2016-2017 was held on 15th July 2016. The chief guest was Dr.F.Samuel Christopher, Associate Professor & Head of the Department of Botany and Vice Principal, Bishop Heber College, Trichy. Dr. F. Samuel Christopher gave an enlightening talk on "Career Opportunities for Botanists".

The Department conducted two days summer training programme on preparation of nutritive food items from fruits and millets, on 8th & 9th June 2016. Nearly 20 students from I & II B.Sc. Botany participated. The chief guest Mr.E.Gopalakrishnan, Founder and promoter of millet-In gave a talk on development of Enterpreunerial skills and he also explained the commercial importance of millets and its derivatives. In the practical session, Mrs.E.Rani demonstrated the preparation of porridge (Samai Porridge) and Kuthiraivalli crispy snack.

The students were given hands on training in the preparation of food recipies made out of millets. On the second day, in the first session Dr. S. Catharin Sara, Assistant Professor of Botany, gave a lecture on the importance of fruits and she also explained the procedure for making the mixed fruit jam. In the second session, Mrs. Revathi.M, Assistant Professor of Botany, gave a lecture on the nutritive values of fruits and she explained about the squash preparation from the fruits namely grapes and amla.In the practical session the students were divided into two batches and they were trained to prepare the jam (mixed fruit jam), grape squash,

Amla squash and a health drink namely panakam.

A guest lecture was given on 4th August 2016 by Dr. Mrs. M. Vasanthy, Assistant Professor of Environmental Biotechnology, Bharathidasan University. She gave a thought provoking talk on "Environmental Awareness – The need of the hour".

An Educational tour was arranged for III UG and II PG Botany students (47 students) on 29th and 30th, July, 2016 to Courtallam, Kanyakumari and Research Centre at Rajakkamangalam. Four staff members (Dr. T. Mayba Gnana Suky, Dr. P. Shanthi, Dr. R. Manonmani and Miss. B. Helen Mary Piramila) accompanied the students.

They also visited the Research Centre of Marine Science and Technology at Rajakkamangalam. In the research centre, Dr. Cittrarasu and Dr. Sasi Kala welcomed the students and gave an introduction about the research Centre. Then the students were taken to the microbiology Research lab, where Mrs. Josephine, Research Scholar explained her work on invertebrates and showed the experimental organism Zebra fish. Then, they showed and explained the working principles of the instruments like PCR, Micrometer, centrifuge etc. After that Dr. Cittararasu explained how to improve the immunity of marine organisms using bacteriophages. Then, they visited the algal culture room where the research scholars explained the extraction of oil from micro algae and the uses of micro algae.

The students went to Kanyakumari and to the seashore and observed the seaweeds in their natural habitat and they also visited Gandhimandapam and Bagavathi Amman temple.

On the way to Thirparappu falls, they saw many angiospermic plants at flowering stage such as teak, rubber, Allamanda, Polygonum, Mussanda, Bougainvilla, Rose, Nymphaea, Nelumbium and Jatropha.

The I B.Sc. Botany students were taken to mangrove forests in Muthupet, Pattukottai on 27th August 2016. Dr. P. Francisca, Dr. M. Revathi, Dr. R. Manonmani, Mrs. A. Freeda Rose and non-teaching staff Mr. Basker accompanied the students. Muthupet (land of pearls) is the biggest mangrove forest in Tamil Nadu. In the forest the students viewed Avicennia marina, which was the dominant species, constituting nearly 95% of the vegetation cover in the forest. They also observed the other species including Aegiceras corniculatum, Excoecaria agallocha, Lumnitzera racemosa and Acanthus ilicifolius. Associated halophytes like Suaeda monica, Suaeda maritima, Salicornia brachiata and Sesuvium portulacastrum were also viewed by our students. They also collected the specimens of pneumatophores of Avicennia from the forest to be preserved.The study tour helped

the students to understand the range of vegetation and also the different habitat associated with the plants.

An Interdepartmental competition on poster presentation and slogan writing on the topic "Hazards of Plastics on Environment" was conducted on 8th September 2016 in the department. 16 students from various departments enrolled their names for poster presentation and slogan writing. The competition was helpful in creating an awareness about the harmful effects of plastics.

The Department organized a workshop on microgreens and exhibition cum sale of Phytonutraceuticals on 21st & 22nd September 2016. The felicitation address was given by the Principal, Dr. Sr. Jeusin Francis.

She highlighted the importance of traditional foods and emphasized the need for change from fast foods to traditional foods. The special guest, Mr. E. Gopalakrishnan, Founder and Promoter, "Millet IN", delivered the inaugural address. He focused on health benefits of microgreens which is the need of this hour.

On the second day, exhibition cum sale on phytonutraceuticals was inaugurated by Dr. Sr. Jeusin Francis, Principal. About 170 students of Botany displayed the rare and nutritious vegetables, inflorescence, flowers, fruits, greens and tubers. They also prepared delicious and healthy food items and kept them for sale. The products of "Millet-In" were also exhibited and sold. The exhibition was visited by the staff and students of various departments of the College.

A quiz programme was conducted for III UG students on 20th December 2016 with five groups, on the topic, Taxonomy and Genetics. Dr. S. Catharin Sara was the quiz mistress.

The Department conducted a Skill based Hands on Training programme on "Mushroom cultivation" for UG students of Botany and other departments from 30th November 2016 to 24th January 2017, under the Star College Scheme sponsored by DBT, Govt. of India. Nearly 23 students from other departments and 24 from Botany department participated in the programme.The inauguration of the programme was held on 30th November 2016 in the PG Botany laboratory. Dr. Horne Iona Averal, Associate Professor and Head department of Zoology inaugurated the programme. The importance and scope of the programme was explained by Dr. P.Francisca, Associate Professor and Head, department of Botany. The theoretical and practical input about the production of high quality spawn of Oyster mushroom (Pleurotus sajor cajan) was provided by Dr.S.Catharin Sara. Training was given to the students in groups on the various protocols to be followed such as 1. Preparation of substrate (straw), 2. Sterilization of substrate (using autoclave), 3. Inoculation of spawn (formation of layer of straw with spawn), 4. Tying up of the bags in the special thatched roof shed.

The inoculation of mushroom spawn was done on 12th December 2016 and 21st December 2016. 20 packets of seeds were inoculated by the students and kept for spawn running and mushroom fruit body production. On the fifteenth day the fruiting bodies (mushrooms) of fungus emerged out of the polythene cover. The training programme came to an end on 24th January 2017 with the input session on "Post harvest technology" and recipies of Mushrooms.

Dr.R.M. Meenakshi endownment Lecture was given on 25th January 2017, by Dr. A. Shajahan, Associate Professor of Botany, Jamal Mohamed College (Autonomous), Trichy, on "Somatic embryogenesis".

On 8th February, a quiz programme was conducted for I and II PG students with five groups, on the topic Taxonomy, Research Methodology, Molecular Biology and Recombinant DNA Technology. Dr. H.D. Subashini was the quiz mistress.

Professor (Miss) Jaya Marie Memorial Interdepartmental debate was conducted on 16th February 2017. The topic was "Traditional foods verses Junk foods- Sources and consequences". The judges for the debate were Dr. P. Nagalakshmi, Vice Principal, Associate Professor and Head of the department of Rehabilitation Science and Dr. M. Viji, Associate Professor of History.

❖ Business Administration

Shift I

The inauguration of Business Administration association was held on 6th July 2016. The chief guest for the session was Mr.S.Sadasivam, Chartered Accountant, Trichy. Mr. Sadasivam explained various ideas regarding the professional courses such as company secretary, chartered accounts etc

In the meeting held on 5th August 2016, the chief guest was Mr. Herman Carduz, Proprietor of the 'Leaders Art Gallery' and HoD of French, St. Joseph's College Trichy. He elaborated on the three major life skills, Prioritization, Proper relationship, Self-discipline.

The second association meeting was conducted on 1st September 2016 for students of BBA and B.Com. The chief guest was Mr.Anubuselvan, Cybercrime Inspector, Kunnam police station, Perambalur. He gave an awareness on the how fake websites and accounts are being created on social networks and how to identify them. He also shared his experiences on certain cases where adolescent people are being trapped and explained the intricacies of solving these cases.

The association's third meeting was held on 25th November 2016. The speakers for the session were Mr.Abhisheik and Ms.Catherine from Tupperware Company, Trichy. They shared their experience about Tupperware Company. They spoke about women empowerment and also motivated the students to become successful entrepreneurs in the future.

The next association meeting was conducted on 28th November 2016. The chief guest was Dr. K. Alex, Associate Professor of Commerce, St. Joseph's College, Trichy, who enunciated on improving one's attitude. He emphasised on the words "Size doesn't matter attitude does".

At the meeting held on 5th January 2017, the resource persons were Mr.Reynold Rajamani, Managing Director of Talent Development and Careers Pvt. Ltd.,Coimbatore who addressed the gathering, Mr. Jagadish Selvaraj and Mr. Srikanth, Assistant Manager of Academy who conducted a group discussion and Face interview for all the students, who actively participated in the interview. More than 20 students were selected on the whole. Mr.Reynold Rajamani who interacted with the students spoke about the importance of career development.

The Department conducted a State Level Inter Collegiate Meet, Delantero'17 on 8th February 2017. The chief guest was Mr. Rajasekaran. He is the founder and secretary of Indra Ganeshan

Group of Educational Institutions, Trichy.Delantero'17 proceeded with various events like Adzap, Mime, Dumb charades, face painting, Quiz, Best Manager, Corporate show and product launch, to bring out the talents of the participants of various Colleges.9 colleges participated in various competitions. Mr.A.K. Hussain, Owner of Ahmed Brothers, Trichy spoke about time and business statistics. The winners were St.Joseph's College, Trichy and the runners up were the team from Bishop Heber College,Trichy.

❖ Chemistry – Shifts I & II

The Chemistry Association was inaugurated on 30th June 2016 by Dr. G. Chandramohan, Principal, Jairam's Arts and Science College, Karur. He spoke on the topic "Green Chemistry - A Milestone". He highlighted the uses of ionic liquids, and enlightened the students with animated videos on various topics in chemistry.

The PG and Research Department of Chemistry, Holy Cross College(Autonomous)Trichy in collaboration with the Department of Biochemistry, Madurai Kamaraj University, Madurai conducted a two day International Conference on the theme, "Chemistry of Biomolecules – Current Trends and Future Perspectives" (ICCBCTFP-2016),on 27th and 28th July, 2016. Nearly 100 participants from reputed national and international institutions participated and presented papers in different recent fields of research - Nanotechnology, Computational Chemistry, Supramolecular chemistry, Drug design and drug delivery, medicinal chemistry and Biochemistry. Resource persons from USA, South Korea and Belgium delivered lectures on current topics of Biology and Chemistry research. Dr. A.K. Kumaraguru, Former Vice-Chancellor, Manonmaniam Sundaranar University, Tirunelveli inaugurated the event and spoke on "The significance of biomolecules obtained from the marine organisms to human beings".Dr. B. Gopalan, C.S.O. and Executive Director, Drug Discovery Research, Orchid Chemicals and Pharmaceuticals Limited, Chennai delivered the key note address. Rev. Dr. (Sr.) Lilly, Secretary, Holy Cross College (Autonomous), Trichy, released the conference proceedings in the form of a CD. Dr. D. Someshwar Dindulkar, from Konkuk University, South Korea spoke on the topic, "An overview on supramolecular complexation ability of carbohydrates derived from microorganisms and the advantages of their hybrid biomaterials in the fields of pharmaceutics, drug development and environmental health". Professor K. Arun Kumar from the Central University of Kerala elaborated on how Fucoidan obtained from marine brown algae can be used as a pharmaceutical equivalent to heparin, a controversial drug. Dr. Muneer Ahamed, Research Associate, In vivo Molecular Imaging Research, Catholic University, Belgium gave a talk on the topic, "PET Imaging in CNS Drug Discovery: In vivo Imaging of Brain Cannabinoid receptor 2 (CB2) and Mono Acyl Glycol Lipase (MAGL)". Dr. J. Venkatesh, Assistant Investigator from the Feinstein Institute for Medical Research, New York gave a detailed account on the various peptides and small molecule inhibitors used as therapeutics in autoimmune disease. The last talk of the day was delivered by V. Baskaran, Senior Principal Scientist, CFTIR, Mysore. He explained the application of nanotechnology in treating vision threatening retinal diseases like cataract,

retinopathy and age related macular degeneration. Dr. Noel Vinay Thomas, Research Supervisor, Dept. of Applied Sciences, Higher College of Technology, Sultanate of Oman elaborated the potential medicinal and cosmeceutical applications of Marine Algal Phlorotannins. Dr. Joseph Selvin, Co-ordinator, Department of Microbiology, Pondicherry University, delivered a talk on the topic, "Bioprospecting of novel rhamnolipid derivatives from marine bacteria for greener production of biosurfactants". Dr. M. Sathiyendiran, Professor of Chemistry from the University of Hyderabad gave a detailed account of,

"The designing and synthesis of metallacycles for potential applications such as cellular imaging, and as therapeutic agents". Dr. Vijay Solomon, Post Doctoral Associate, Department of Chemical Engineering, University of South Carolina, USA discussed, "The non-covalent interactions in biomolecules and the impact of such interactions in their properties in computational view". The valedictory address was delivered by Dr. S. Narayana Kalkura, Professor and Director, Crystal Growth Centre, Anna University, Chennai and Dr. M.M. Senthamilselvi, Joint Director of Collegiate Education, Trichy distributed the certificates and awards.

On 17th August 2016, a workshop was conducted for the staff members of the Department (shifts I&II)on the various laboratory techniques currently carried out as a part of the curriculum. The principle and procedure of the following techniques ,Gravimetry, Semi-micro organic and inorganic qualitative analysis, Circular paper chromatography and Soxhalation method were explained and hands on training was given on the above techniques. The staff members actively participated in the workshop and learned new techniques recently introduced.

On 30th August 2016 an Interdepartmental quiz competition was conducted for shift I by Dr.A.Noreen Antony Associate Professor, Holy Cross College, Trichy on the topic 'Biomolecules and their role in day today life'.4 groups from various departments participated in the competition and department of Zoology won the prize.

On 14th October 2016, Dr. S. Isaiah, Bursar and Associate Professor of Chemistry, Bishop Heber College gave a lecture on "Industrial applications of chromatographic techniques" during an association meeting for shift I students. He explained the principle, handling, identification and interpretation of compounds using HPLC in a detailed manner.

On 1st and 2nd December 2016, an exhibition, "Chem Expo (2016-17)" with the theme "Food Chemistry" was organized for shifts I & II.The exhibition was inaugurated by Dr. S. Isaiah, Bursar and Associate Professor of Chemistry, Bishop Heber College, Trichy. The undergraduate and postgraduate students of Chemistry exhibited models covering different aspects of food chemistry like food adulteration, food toxins and their elimination, food additives, food processing, food analysis, food preservation, medicinal foods, foods with nutritive value, organic food and its cultivation etc. Stalls were arranged for selling different kinds of nutritive food stuff prepared by the students. The students from all the disciplines in the college and students from other colleges around Trichy came to view the exhibits which proved to be a wonderful learning experience for them.

One day workshop on "Role of computation on the signature and reactivity of chemical species" was organized on 19th December 2016 for the final year UG and PG students (S-I&II) of Chemistry. Dr. Madhavan Jaccob, DST Inspire Faculty Fellow, Assistant Professor, Department of Chemistry, Loyola College, Chennai was the resource person.

A career guidance program was conducted on 5th January 2017. Dr.Baskaran, Assistant Professor, IIT Kanpur gave details related to doing integrated Masters Degree and Ph.D. degree in France. He provided information about the fellowships available for the students to pursue higher studies abroad.

On 5th January 2017, Dr.A.Simi, Assistant Professor of Chemistry, St. Joseph's College, Trichy, gave training to II PG students, M.Phil & Ph.D Scholars on "Applications of Chemsketch and Chemdraw"at a Chemistry Association Meeting for shift I.

On 6th January 2017, a special lecture on "Basics of Organic Chemistry" was delivered by Dr.J.Elangovan, Assistant Professor, Rajah's College, Pudukottai. Various fundamental concepts of organic chemistry were covered during the lecture, providing the students a better look into this special branch of chemistry.

On 17th February 2017, the Department (S-I&II) organized an Inter collegiate meet "Chem Fest '17" on the theme Food Chemistry. Nearly 175 UG and PG students from thirteen colleges in and nearby Trichy, participated in various events like Connexion, Dumb charades, Extempore, Ads up, Poster presentation, Chemtunes and Quiz. Dr. Sr. Jeusin Francis, Principal, Holy Cross College, delivered the inaugural address, in which she focused on the importance of food chemistry in day-to-day life. The major objective of the event on 'food chemistry' was to draw the attention of the students to the importance of food chemistry and to instill the attitude of creativity and innovation through various events.

Chemistry Association Meeting (S-II):The Chemistry Association was inaugurated on 1st July 2016 by Dr.S.Ally Sornam, Professor and Head, PG and Research Department of Library Science and Information, Bishop Heber College, Trichy. She gave a motivational talk on the topic "Born to Fly".

On 28th August 2016, Dr.S.R.Bheeter, Professor and Head, PG and Research Department of Chemistry, Srimad Andavan Arts and Science College, Trichy spoke on "Structure, Bonding and Functions of Haemoglobin". He explained the structure and role of iron in haemoglobin.The types and nature of bonding responsible for the function of haemoglobin was also described.

On 22nd September 2016, Dr.Sripriya Pragasam, DGO, SVH Speciality Hospital, Trichy delivered an awareness talk on "Women health and hygiene". She emphasized the importance of doing exercise in daily life. She discussed the various health issues of women and the remedies for it.

On 22nd November 2016, Dr.Alex Ramani, Associate Professor, PG and Research Department of Chemistry, St.Joseph's College, Trichy spoke on "Medicinal Plants and its uses". He explained the pharmaceutical significance of various locally available plants. He also gave many tips to maintain good health with the help of easily available medicinal plants.

Industrial Visit:The students of I& II PG(S-I) and III UG (S-II) visited the Crystal Growth Centre and Centre for Nano science and Technology, Anna University, Chennai on 24th August 2016 and 10th February 2017.Dr. Narayana Kalkura, Director of the centre, gave an introductory lecture encompassing the different research activities going on in the centre, their importance and the role of chemistry in studying the nature of the crystals developed for medicinal and industrial applications. The scholars working in different projects explained the principle, instrumentation and working of the equipments used in their research works. The students had a wonderful opportunity to see and learn the working of the following equipments: Powder X-Ray Diffractometer, High Resolution X-Ray diffraction, FTIR Spectrometer, Photoluminescence Analyser, Scanning Electron Microscope, Particle size analyzer,UV-Visible Spectrophotometer, Atomic Force Microscope and Nanoindenter.

Visit to CSIR-Central Food Technological Research Institute (CFTRI)by III UG Students(S-I):The students of III UG along with seven staff members visited CSIR-Central Food Technological Research Institute (CFTRI), Mysore on 8th September 2016. The scientists of CFTRI explained about food safety, microbiology and fermentation. The visit was very useful to the students to know about the organization structure of CFTRI.

The first year UG and M.Phil. students of shift I accompanied by three staff members visited Central Electrochemical Research Institute (CECRI), Karaikudi on 28th September 2016. Various divisions of the institute displayed the recent development of CSIR- CECRI through colorful posters, exciting experiments and wonderful working models. The trip provided significant inspiration for both the staff and the students.

Visit to Indian Institute of Crop Processing Technology (S-II):The students of I UG (45students) and II UG (39 students) visited the Indian Institute of Crop Processing Technology (IICPT) on 17th September 2016. Students learned more about the processing technology of crops, fruits and vegetables. They also visited various laboratories related to crop processing.

Educational Tour(S-I):The department arranged a tour to Mysore for the final year UG students from 7th to 10th September 2016. The students visited various places like Mysore palace, St.Philomena's Church, Sri Chamarajendra Zoological gardens, Jayachamarajendra Art Gallery, Coorg, Abbey falls, Dubare Elephant Camp, Cauvery Nisargadhama and white water rafting and had a memorable experience.

The Chemistry association valediction was held on 6th March 2017. The chief guest was Dr. S. Anandhan, Associate Professor of Chemistry, Nano Materials and Solar Energy Conservation Lab, NITT, Trichy. He spoke on the topic "Nano materials and its applications".

❖ Commerce

Shift I

The inauguration of the Commerce Association was held on 13th July 2016. The chief guest was Dr. Fr. Joe Arun, Director, Joseph's Institute of Management, Trichy. The chief guest addressed the gathering and stressed the importance of self confidence in life.

The first meeting on the Commerce Association was held on 6th August 2016. The chief guest was

Mr. Hermon Carduz, Assistant Professor and Head, Department of French, St. Joseph's College, Trichy. He addressed the students on Life skills essential for developing their personality.

On 27th July 2016, Dr. Victor Lazarus, Associate Professor of the Department of Management Studies at Bishop Heber College, Trichy was the chief guest.He spoke on topics such as "Stand up India, Startup India and Digital India". He also dealt with the importance of commerce in our day to day life.

The PG Commerce association meeting was held on 8th September 2016. It was based on the topic 'Effective Communication and Interview Techniques. Mr. Rajkumar, former Vice Principal, RSK School was the chief guest. Mr. Rajkumar stated that confidence, communication skills and knowledge about the subject are the three basic requisites for a successful interview.

On 3rd January 2017, Dr. Iyam Pillai, Head of the department of Economics, Bharathidasan University spoke about the impact and limitations of Demonetization – The Pros and Cons. On 5th January 2017, Mr. Reynold Rajamani, MD of Talent Development and Careers Private Limited Coimbatore spoke about the importance of Career development shared tips on GD and interview facing skills and on 12th January 2017 Mr Venkat Ramanan Area manager of Integrated Entreprises India Pvt Ltd.and Ms. Bhuvaneswari, Assistant Manager of Integrated Entreprises conducted a session on the procedures of online stock trading. On 12th January 2017, Dr. Josephine Lourdes De Rose, Assistant Professor, Department of Commerce, Holy Cross College motivated students to take up competitive exams and guided them on its preparation.

On 19th January 2017, Business Expo'17, an exhibition was inaugurated by Er.Kandasamy, General Manager, DIIC, Trichy. Successful Entrepreneurs from different sectors, students from other schools and colleges visited and gained knowledge on different arena of commerce.

The Department of Commerce conducted an inter collegiate competition, Comvaganza on 13th February 2017, in which seven colleges participated in various competitions like Just a minute, Ad mad, As you like It, Tile painting etc. Mr. Myilvaganan, Deputy Commissioner of Police, inaugurated the competitions and Mr Saga, Station manager, 106.4 FM was the chief guest for the valedictory function.

Commerce & Business Administration- Shift II

The inaugural function of the association was held on 20th July 2016. It was inaugurated by Mrs. Fathima Bathhool Maluk C.E.O, MAM School of Architecture. She shared her views on the topic "Believe in Yourselves". On 28th July 2016, Dr. Mary Jayanthi, Dean of Students & Assistant Professor of English spoke on the topic "Self Esteem".

On 8th August, the association meeting was held on the topic "Economic Conditions after GST". The resource person Dr. J. A. Arul Chellakumar, Professor of Economics, Bharathidasan University, Trichy, enlightened the students on issues and challenges to be faced by India in future by change in GST. In the meeting on 1st September 2016, Mr. C. Anbuselvan, Inspector of police, Kunnam police station, Perambalur District cautioned them on "Cyber Crime Awareness and Mobile Phone Tracking" which was the need of the hour for

the young girls.

The two day National Conference on the topic "Marketing in Current Scenario - Issues and Challenges" was held on 27th & 28th September 2016. Ms. Vaidhya, HR Trainer UAE Money Exchange, spoke on the topic "Market Scenario". Mr. Thiyagarajan.G, Branch Manager Century Ply, spoke on the topic "Supply Chain Management –Marketing". Dr. P. Subburethina Bharathi, Professor & Director MAM B- School spoke on the topic "Strategies for Building Brands". Dr. V.J. Sivakumar HOD of Management Studies of NIT, spoke on the topic "Customer Relationship Management". Mr. P. Nallathambi, Senior Manager Kotak Life Insurance, spoke on the the topic "Challenges Faced by Sales Team". At the valedictory session, Mr. S. Kumararajan, Chairman, the Institute of Cost Accountants of India, Madurai, was the chair person.

Another meeting was held on the topic "Young Minds in Business" on 17th December, the guest of honor was Mr. Abhishek. He shared his view on availabities of job opportunity in their company of Tupperware. The next meeting of the commerce association was held on 12th January 2017. Mr Venkat Ramanan Area manager of Integrated Entreprises India Pvt Ltd.and Ms. Bhuvaneswari, Assistant Manager of Integrated Entreprises conducted a session on the procedures of stock trading.

On 10th February 2017 Dr. D. Kumar Associate Professor of Economics, Jamal Mohamed College, Trichy, was the chair person to handle the debate on "Budget 2017" The students of III Year B.Com & Business Administration students formed "for and against" groups. The meeting held on 14th of February was regarding the recently popular term "Demonetization". Mr. V. Srinivasan, Yoga Securities (P) Ltd., Trichy vibrantly gave a clear view to the students about the effects of Demonetization in present scenario and its effects in the future. The meeting held on 14th February was regarding the recently popularized term "Demonetization". Mr. V. Srinivasan, Yoga Secretary, Trichy, briefed the students about the effects of demonetization in the present scenario and its effects in the future.

❖ Computer Science & Computer Applications

Shift I

The association inaugural for shifts I & II was held on 5th July 2016. It was presided over by Rev. Sr. A. Mary Johnsi, Principal in-charge; Holy Cross College of Education, Trichy. The chief guest then addressed the gathering focusing on "A Good Leader".

On 13th July 2016, the first association meeting on "Project Development Life Cycle" was presided over by Mr. V. Jude Nirmal, Assistant Professor of Computer Science, St. Joseph's College (Autonomous) Trichy. He concentrated on areas like System Study, System Analysis, System Design, Coding and Debugging testing.

On 27th July 2016, One day workshop for final year MCA students was organized on "DOTNET Technologies". The resource persons were Ms. Vinodhini & Ms. Priyadharshini from Greensoft Technologies. The major components such as CLR-Common Language Runtime, CLS-Common Language Specification, CTS-Common Type System were briefly discussed followed by the various widely used Data types.

On 24th August 2016 the staff and students of MCA went on an Industrial Visit to Lumeris India

Private Limited, Ameerpat, Hyderabad. The students had the privilege of technical sessions which included a brief introduction about US Healthcare and How Information Technology helps Healthcare Industry, Cloud computing - How IT industry is transforming into Cloud technology, SDLC–Agile process (Development & QA) followed by Question and Answer – Open discussion was conducted by Mr.A. Britto, Vice President of Engineering,

Mr. Ranjith, Senior Manager-Quality Team, Mr. Karthick, Technical Manager. The students had an opportunity to interact with the IT professionals.

On 31st August 2016, one day workshop on "Emerging Trends in IT" was organized for the first UG students and PG students. The resource person Dr. Priyadharshini from Kalvi Institute focused on Online certification courses during the first session and emphasised the growing importance of Online certification courses that are in demand to get placed in top companies. The second session was based on "Animation & Multimedia". The resource person Mr. Ramesh Babu, Ozone net Technologies, interacted with the students about Multimedia and defined it as the combo of many features. He also gave technical explanation about Photoshop and the many uses of Cs6 and CC. He provided the students with information about various image formats like PNG, JPEG, MPEG, TIFF etc., and continued the discussion with the web design applications like HTML, HTMLS, DHTML, XML, Java Script, Flash, Dream Weaver, word+, Zoomla etc. essential for the students according to their interest.

The third session on F TO E that is Fresher's to Experienced was organized for final year students. Mr. S. Antony Raj, Technical Head, El Shaddai Global Solutions (EGS), provided an overview of the personality development practices.

On 15th September 2016, one day workshop on Laptop Maintenance and Trouble Shooting was organized for the final year BCA students. Mr. Immanuvel from Techno Park solutions gave a lecture on Basic System Configuration and motivated the students to understand the concept clearly by training them with hands on experience. He demonstrated the system configuration, assembling and in depth information about hardware and network components which were the special features of the programme. 100 students benefitted.

The department of Computer Science (Shift I) organized an Inter-Departmental Technical Competition, Compfest'17 on 22nd September 2016 for the students of various departments in the college. Events such as Quiz, Dumb Charades, Surprise Event, AdZap and Talent Hunt were held. The Competition focused on the competitive efficiency of the student's talents. More than 50 students from various departments enthusiastically participated in various technical events.

On 17th November 2016, an association meeting was organized on the topic "Competitive Exams & Abroad Studies". Ms. Hemalatha, Course Head, TIME Institute, Trichy, gave facts and tips on how to prepare for competitive exams. Ms.Roopkala addressed the gathering with the opportunities available for students for studies abroad. Mr. Immanuel Raja from Techno Park, Trichy, focused on the use of hardware and how to handle the problems when troubleshooting occurs.

On 18th November 2016, a seminar was conducted for final year UG & PG students. The

first session on "Professional Skills" was taken by Mr.B.Mohammad Faiza Basha, Assistant Professor of Comp. Science, Jamal Mohamed College (Autonomous), Trichy. His enlightening quotes for a prosperous life was in line with the topics like technologies, career development skills, the 7 essential skills needed for a successful life,

ICT-Information and Communications Technology and the future of IT. The second session was on "You Are Appointed-Customizing Resume". Mr.R.Thiyagarajan, Director, Sadhana Academy & Consultancy,Trichy and Assistant Professor Department of Management Studies, Bishop Heber College,Trichy. Tips .The third session comprised of a lecture on "Ethical Hacking". Mr.Tony Regan Systech Hardware & Networking Academy, Cantonment, Trichy, practically illustrated network security issues and courses offered, the security tools and the ways to block websites.

On 21st November 2016, a talk on "Towards a Happy & Responsible Life in Youth" was given by Dr. Mrs. Christine Gomez, Retired HoD of English, Holy Cross College, Trichy. On the same day, the final year PG and UG students of shifts I & II went to SFIT Systems, Puthur, Trichy. Interactive sessions on Big Data Analytics & live demonstrations were given and the trends in IT were addressed. Mr.Ramakrishnan, Associate Director, CTS brought out the 3 keys to fit in the IT industry which the Companies are looking for in a fresher. They were Attitude, Aptitude & Technology. Ms. Soumiya, Big Data Developer, Alumna of the Department of Computer Science, Holy Cross College (Autonomous), Trichy, explained how analytically big data is handled.The areas covered were the components, analytics platform, visualization platforms, business intelligent platforms and machine learning. Later Mr. Siva Kumar, Mobile Applications Development Architect, concluded by summarizing SMACT Technology around which the Industry revolves that is Social, Mobile, Analytics, Cloud, Internet of Things (IoT).

A Two Day Intra-Departmental Technical Competition "Web Scintillators '16" was organized by the Faculty of the Department of Computer Science Shift I on 5th and 6th January 2016, for the students of B.C.A. and M.C.A. Various contests such as Software Contest, Web Designing, Debugging, Paper Presentation, Quiz, Talent Hunt and Dumb Charades were conducted on 5th and 6th January 2016. Around 283 participants eagerly took part in all the events. Debugging, Software Contest and Web Designing were conducted on 5th January 2016. On 6th January 2016 the On-Stage events were held.

On 19th January, 2017, an association meeting on "Attitude is one's Altitude" was organized for the UG students. Ms. K. Banumeena from Sadhana Academy, was the resource person .

On 15th February, 2017, the Departmental Magazine Com'fete '17 was released by Rev. Dr. Sr. Jeusin Francis, Principal, Holy Cross College, Trichy.

The Association valedictory function was held on 15th February 2017. Mr. Robinson, Assistant Professor of Mathematics, Bishop Heber College, Trichy, spoke on the topic "Job oriented Guidelines".

Shift II

On 13th July 2016, the association meeting on "Logics and Techniques of C language" was handled by Professor V.S.Joe Irudhayaraj, Assistant Prof of Computer Science, St.Joseph's College.

On 17th August 2016, a workshop was conducted on the topic "Hands on training in installing and working with MySQL & JPI" organized for M.Sc. students. The resource person Mr.D.Arockiaraj, Software Architect at CTES, Chennai, encouraged the students to install and work on MySQL workbench.

On 30th August 2016 Professor Jude Nirmal, Assistant Prof of St.Joseph's College gave a lecture to B.Sc. and M.Sc. students on "Software Development Life Cycle".

On 5th December 2016, a meeting on "Microprocessor" was handled by Ms.Wahitha, Assistant Professor of Computer Science, Jamal Mohamed College.

One day Intra-Departmental competition, Cyberfest'16 was organized by the department of Computer Science Shift-II on 9th September 2016 for the students of B.Sc. and M.Sc. The chief guest was Dr. D. E. George Dharma Prakash Raj, Associate Professor, School of Computer Science, Engineering and its Applications, Bharathidasan University, Trichy. Various technical events such as Paper Presentation, Quiz, Debugging, Dumb Charades, Multimedia Presentation and Web Designing were conducted. 150 students enthusiastically participated in various technical events.

A two day workshop on ".NET and J2EE" was conducted for M.Sc students on 6th & 7th January 2017. The resource person was Mr. Muthukumar from JNET Technology, Trichy. He gave a lecture about web services and taught how to create a web page and explained various programs in ".NET and J2EE" and guided the students to develop their own projects.

❖ Economics and EDC

Following this, the UG students of History presented papers.

The valedictory address was given by Mrs. Gowri Madhusudhanan Managing Director, Vural Nalam Natural products Coimbatore, spoke on the qualities for life, communication, taking risk in the society and she stressed on biofarming and the naturally activated foods.

The women's day celebration and the valediction of the association was held on 6th March 2017. Ms. Leema Peter Consultant, Counseller, Ramakrishna Engineering College, Perambalur was the chief guest.

❖ Mathematics

Shift I

The inauguration of Mathematics Association was held on 5th July 2016. The guest of honor, Dr. L. Benedict Michael Raj, Associate Professor and Head, P.G and Research Department of Mathematics, St. Joseph's college, Tiruchirapalli, threw light on 'Applications of Mathematics in various fields.'

The next meeting was held on 20th July 2016 on the topic "We pillars of our nation". The chief guest was Mrs.D.Shanthi Sankar, faculty in RAK college of Nursing, Lajpat, New Delhi.

To highlight the present trends of Mathematics, one day seminar was conducted on 24th August 2016 on the topic "Recent Trends in Applied Mathematics". Dr.A.Tamilselvan, Associate Professor, Head of the Department of Mathematics, Bharathidasan University inaugurated the seminar. Dr.A.Tamilselvan gave an intellectual talk on mathematics and about the great Mathematicians.The guest of honor for the next session was Dr.V.Savithiri, Assistant Professor and Head, PG and Research Department of Mathematics, Nehru Memorial College, Puthanampatti, Trichy. Her lecture on Applications of Mathematics in Computer graphics inspired students to learn more about that particular field. Dr.M.A.Gopalan, Professor , PG and Research Department of Mathematics, Shrimathi Indra Gandhi College, Trichy, was the resource person for the afternoon session. He explained the concept of Diophantine Equations. All the UG and PG students benefited from this seminar.

On 8th September 2016, one day workshop was conducted on the topic" OS installation and troubleshooting the technical problems in the computer", for selected UG and I PG students. Mr. Immanuel Raja, Mr. Raj Kumar and Mr. Kumarasen from Techno park, Trichy shared their expertise with the students.The resources persons taught practically how to install the operating system on the computers and the laptops with the latest version of windows. The second session comprised of troubleshooting the problems in the systems and laptops.

Math Genius Club

The inauguration of Math Genius club was held on 19th July 2016. Dr.Ritha staff- In charge of Genius club, all the faculty members and UG &PG Students participated actively.

The chief guest was Dr. Antony Eldred, Associate Professor of Mathematics, St. Joseph's College, Trichy briefly explained the basics of "Real Analysis".

The first meeting of Genius club was held on 26th August 2016. The session was handled by Dr. P.S.Srinivasan, Associate Professor of Mathematics, Bharathidasan University. He spoke on the topic "Sequences and Series". The next meeting of Genius club was held on 19th September 2016. The meeting was conducted by Mr. Chellapillai, Research Scholar, Bharathidasan University on the topic "Analytic Geometry".

A two day workshop was organized by the Department on the topic "Recent Innovations in Pure and Applied Mathematics" on 24th and 25th November 2016 for PG and selected students of III UG of both shifts I & II. Dr. C. Durairajan, Assistant Professor Department of Mathematics Bharathidasan University, Trichy inaugurated the workshop. In the first session, his lecture was about "Algebra and its application". In the second session, the chief guest was Dr. Ruban Raj, Associate Professor, Department of Mathematics, St. Joseph's college, Trichy. A lecture was delivered on the basics of MATLAB, how to perform mathematical operations on matrices using MATLAB to generate results. The resource person on the second day was Dr. A. Anthony Eldred, Assistant Professor of Mathematics St. Joseph's College, Trichy. The chief guest made the students understand the definitions of continuous functions and uniformly continuous functions from the geometrical idea. The last session was presided over by the chief guest Mr. Chella Pillai, Research scholar, Department of Mathematics, Bharathidasan University, Trichy. A lecture was delivered on "A Summary of group theory".

The association meeting was held on 30th November 2016 on the topic 'Towards integral development-cognitive and emotional literacy'. The chief guest was Mrs. Leema Peter, visiting faculty, Ramakrishna College, Trichy.

Miss S. Imelda Samathanam Evangeline, Associate Professor of Mathematics presided over the association meeting on 14th February 2017 and spoke on the topic " The Blessing of Facing Challenges in Life".

Shift II

The inauguration of Mathematics Association (Shift II) was held on 5th July, 2016. The guest of honour was Dr. M. Maruthai, Chair Professor, Bharathidasan University, School of Mathematical Science, Trichy. He addressed the gathering on "Geometric Approach of Analysis".

The next meeting was held on 28th July, 2016. The guest of honour was Mr. V. Ramasamy, retd. Teacher of St. Joseph's College Higher Secondary School, Trichy. He gave a talk on "Fun of Mathematics".

On 27th August, 2016, one day seminar was organized on the topic "Topics in Mathematics and Emotional Intelligence". The guest of honor for the first session was Dr. P.S. Srinivasan, Assistant Professor, School of Mathematical Sciences, Bharathidasan University, Trichy. He explained the derivative (dy/dx) functions and how to define and write a set. The guest of honour for the second session was Dr.N.Chandrasekaran, retd. Professor, St.Joseph's College (Autonomous), Trichy. He gave a talk on "Application of Operations Research".

The topic for the third session was "Emotional Intelligence" by Dr. John Balaiah, Counselling Psychologist, Director, Counselling Centre, St.Joseph's College, Trichy.

The next meeting was held on 20th September, 2016. The resource person was Mr. S. Irudayaraj, B.T. Assistant, St. Joseph's College Higher Secondary School, Trichy. His speech was on "Beauty of Mathematics". He emphasized the importance of Mathemtics in our day-to-day life.

On 2nd December 2016, Quiz competitions were conducted for the students and the prizes were distributed. The guest of honor was Ms. S. Imelda Samathanam Evangeline, Associate Professor of Mathematics. She spoke on the topic "Mystery of happy life"

The next meeting was held on 19th January 2017. The chief guest was Dr. M. Paramasivam, Assistant Professor, Bishop Heber College, Trichy. He addressed the students on the topic "Introduction to MATLAB".

An Inter Collegiate Competition, Math Spark -17 was organized by the PG and Research Department of Mathematics Shifts I & II on 10th February 2017. Math Spark-17 consisted of 5 events Math Crunch, Math Renovate, Math Wit, Math Fuse, Math Hit. About 15 colleges in and around Trichy participated in this competition.

❖ Physics

Shift I

From 13th - 15th July 2016, as part of Skill Based Elective: Physics for Life Sciences, 94 students of III Botany and II Zoology students visited A.G Eye Hospital, Puthur, Trichy to know about the instruments its mechanism, defects in eyes and its rectification.

A field visit was also arranged on 28th and 29th July 2016 to GVN hospital, Trichy for III Botany and II Zoology students. 92 students visited and gained knowledge on basic principles and working mechanism of Ultra sound sonogram, Mamogram and CT scan.

The Inauguration of Physics Association was held on 20th July 2016. Dr. T.C. Sabari Girisun, Assistant Professor, School of Physics, Bharathidasan University, Trichy, was the chief guest. He gave a lecture on the topic "Exploring the Unexplored Domains of Optics using Lasers".

On 29th July 2016, Dr. N. Ravi, Associate Professor, Department of Physics, St. Joseph's college , Trichy gave a talk on the topic " Introduction to Laser Material Processing".

On 3rd August 2016, Dr. S. Manivannan, Assistant Professor, Department of Physics, National Institute of Technology , Trichy, spoke on the topic, "Carbon Materials and Applications".

On 4th August 2016, I B.Sc Physics students visited Anna Science Centre - Planetarium, Trichy. The students got exposure on Astronomy, biodiversity and the habitat of birds and animals.

On 1st September 2016, the Physics Association meeting was held. Dr. Sivaraman Jagadeesan, Assistant Professor of Chemistry from Shrimath Andavan Arts and Science College, Trichy, gave a talk on the topic " Bonds in Molecules and Bio Molecules "

In Celebration of " Azaadi 70" from 9th – 23rd August 2016, by Ministry of Human Resource

Development (MHRD), Government of India, that focused on the theme of Yaad Karo Qurbani and in commemoration of it,on 8th September 2016, the Department of Physics conducted Oratorical and Essay Competitions in English and Tamil on the topic "The Freedom Fighter- You Admire the Most" and " India Before and After Independence". Dr. M. Viji, Associate Professor of History, Dr.Arumbu, Assistant Professor of Tamil, Ms. Kalaiselvi, Associate Professor of Chemistry, and Ms. Joanna, Assistant Professor of English, from our College were the judges. 18 students participated in oratorical competition and 13 students participated in Essay competition and the best three students were given prizes in each competition.

The Department of Physics shifts I & II organised an "International Conference on Advances in Materials Sciences -2017" (ICAMS-2017) on 6th & 7th January 2017. The International Conference Souvenir was released by Professor Pushpendu Kumar Das, Department of Inorganic and Physical Chemistry, IISc Bengaluru. Felicitation was given by Rev. Sr. Dr. Lilly V Secretary and inaugural address by Rev. Sr. Dr. Jeusin Francis, Principal, Holy Cross College and the keynote address by Dr. M. Beatrice Margaret, State Government Nominee, Regional Joint Director of Collegiate Education, Thanjavur. In the first technical session, Professor Pushpendu Kumar Das, gave a talk on the topic, "Second Harmonic Light Scattering from Noble Metal Nanoparticles and its Applications". The next session was by Dr. Sirisha Chava, Process Engineer, Intel Corporation, USA who spoke on the topic, "Nano materials : Electrical Properties and Device Applications". The final session of the first day was by Dr. Jency Sundararajan, Assistant Professor of Physics, Chemical and Physical Science Missouri Southern State University, USA. She gave a talk on the topic, "Micro –Nano Sensors for Biological and Optical Sensing". On 7th January 2017 the fourth technical session of the conference started with a short prayer service, followed by a talk, given by Dr .V. Vasumathi, Faculty of Science, University of Porto, Portugal, on the topic "Introduction to Functionalised Gold Nano Particles and their Applications in Nano Medicine. The fifth session was chaired by Dr. S. Bragadeewaran, Associate Professor and Head, Department of Physics, Anna University, BIT Campus, Trichy, who shared his views on the topic "Bridging Electromagnetic Spectrum for Technological Applications. The final session was by Dr. Muthu Senthil Pandian, Research Scientist, SSN Research Centre, SSN institutions, Chennai who elaborated on the topic "Improvement in Crystallinity of Uni-directional Method grown Nonlinear Optical and Ferroelectric Single Crystals for Second Harmonic Generation and Infrared Detector Applications". The research scholars and students from various colleges presented papers (oral / poster). The three prizes for poster and oral presentation were given by Dr. Sr. Isabella Rajakumari, Vice Principal, Sister in charge of Shift II, Holy Cross College and Dr. K. Raji, Associate Professor of Physics, Holy Cross College. An MoU was signed with IJSER to publish the conference papers.

The second Meeting (Shift –II) was held on 23rd August 2016. Mr. G. Samuel, Assistant Professor of Physics, St. Joseph's College, Trichy, was the chief guest. He spoke on the topic "DNA of Physics". He said, "Physics is the mother of all sciences". The third association Meeting (Shift II) was held on 20th September 2016. Mr. R. Kumar, Assistant Professor of Physics, Sudharsan Engineering College, Pudukottai was the chief guest. He spoke on the topic "Excitement of Physics".

A meeting was held on 19th October 2016. Dr. R. Meenakshi, Assistant Professor of Physics, Cauvery College for Women, Tiruchirappalli was the chief guest. Her speech was informative on the innovative topic "Superconductivity: A Fascinating Field of Physics".

The next meeting was held on 28th November 2016. Mr. Joy Prabu. H, Assistant Professor of Physics, St. Joseph's College (Autonomous), Tiruchirappalli, was the chief guest. The speech given was on the topic "Smart Materials".

One day seminar was conducted on 19th December 2016 on "Materials Science". The inaugural address was given by Ms.L.Mercy, Assistant Professor of Physics, Holy Cross College, Trichy. The first session was handled by Dr. G. Vasuki, Associate Professor of Physics, Kunthavai Naachiyaar Govt. Arts College (W), (Autonomous), Thanjavur. The lecture was on the topic of "Basic Concepts of Crystal Growth and Crystallography".The second session was on the topic "Fundamentals of Crystal Growth Techniques" by Dr.T.Uma Devi, Assistant Professor in Physics, PG & Research Department of Physics, Government Arts College for Women, Pudukkotai. The third session was handled by Dr. G. Mukesh Mohan, Spine and Joint replacement surgeon, MOTC (Mukesh Ortho & Trauma Care Hospital), Tiruchirappalli. The seminar was about the "Technological Advances in Medicine".

❖ Rehabilitation Science

The PG & Research Department of Rehabilitation Science conducted an "International Seminar on Approaches in Rehabilitation Research & Practices – (A Quest for Innovation) (ISARRP 2016) on 4th April 2016. The program started with the launching of "Thaai Suvai" (Mothers Empowerment Project) sponsored by CSR Grama Vidiyal Micro Finance Ltd. This is an income generating initiative for mothers of children with special needs from Holy Cross Blossoms Opportunity School. In this project fresh idli, dosa batter is prepared for sale and vegetable cutting is done on need basis. The sponsor, Mr. Satish Devaraj, Head, Human Resources, CSR Grama Vidiyal Micro Finance Ltd., delivered the inaugural address. ISARRP – 2016 Book of Proceedings was released by Dr. Raymond Tennant, Professor of Mathematics, Paris Sorbornne University of Abu Dhabi, UAE and was received by Dr. Lilly Tennant, Associate Professor & Head of Counseling, Health and Special Education Division, Emirates College for Advanced Education, Abu Dhabi, UAE.

The chief guests Dr. Raymond Tennant and Dr. Lilly Tennant in their presidential and keynote

address emphasized the need for and significance of research and dissemination of global perspectives in the field of rehabilitation. 5 special invited lectures were delivered by the delegates. Sixty six students and research scholars from UAE, UK, USA, Andhra Pradesh, Karnataka, Kerala and Tamil Nadu eagerly participated and presented their papers during the various sessions.

Screening of Primary Schools to Identify Children with Special Needs:The students of II-M.Sc Rehabilitation science were assigned the task of conducting a screening programme in a normal school to identify children with disabilities. The screening was conducted on 29th June 2016 from 9:30 a.m. – 4:30 p.m. in the following schools:All Saints Middle School , Tennur , Trichy,St.Therasa R.C Primary School, Konalai; Trichy,Subbaiya Memorial Middle School, Tennur, Trichy,Infant Jesus Nursery And Primary School , Melaputhur,Trichy ,RC Middle School, Butterworth Road, Trichy.Thus collectively 5 primary schools were selected for the screening. A total of 1136 primary school children were screened for identifying sensory or developmental disabilities and also for learning difficulties. The screening exercise helped in identifying 25 children with vision problems , 7 with hearing problems and 6 with intellectual disabilities. Fifty six children were identified with learning difficulties. 94 children identified with Special needs were further recommended for referral services.

On 27th July 2016 the association was inaugurated by Dr. Samson Daniel. Secretaries of Rehab Wings and the association, were honored with badges.

❖ Value Education

Retreat for III UG Students

The retreat for the III year UG catholic students of shift I was held on 24th September 2016.They were divided into two groups of 220 each. The preachers were Dr. Christina Gomez, retired head of the department of English and

Dr. Pushparani, Associate Professor of Commerce. The sessions of the day were very interesting. In the session led by Dr. S. M. Pushparani, Associate Professor of Commerce, Holy Cross College, she spoke about how to lead a good Christian life. She explained the four elements of prayer in a smart way. She described the four elements as ACTS – Adoration, Confession, Thanks giving and Supplication. She said that prayer is the foundation, word of God is the four walls, faith is soil and salvation is the ceiling for building a good Christian life. She used power point presentation for students' better understandingof the messsage. The talk given by Dr. Christine Gomez, former head of the department of English was based on the Bible and Christian living. She began her talk with praise, worship and thanks giving to God. She spoke about the moral values for young girls and the need to overcome the evil of negative attractions of the world. Her entire talk was rendered more effective with relevant quotes and examples from the Bible. She also emphasized the need to take care of one self and stressed the importance of respecting parents.In the afternoon, Rev. Fr. Viji Bose, Assistant Parish Priest of St. Lourdes Church, Trichy, explained to the students how confession is very much needed for a good Christian life. There was adoration of the blessed sacrament followed by confession. Holy mass was celebrated at the end to receive God's blessings.

Retreat for I UG Students

360 first UG catholic students of shift I had their retreat on 26th November 2016. Rev. Fr. David CSSR animated the retreat. The theme was parents and children – our family. Parents are not much respected, cared for in the modern world. Old age homes are increasing in number. Love for the aged mother and father is on the decline.Father stressed on the sacrifices and self denials the parents undergo just to educate children and give them a steady and comfortable life. But the children hardly realize, the life their parents have given them through struggles and trials. The students were asked to recall their parents, dead or alive, ask pardon for their negligence and indifferences, lack of attitude and love. The Holy Mass was offered for the parents (living and dead), of all the students and it was an enriching experience for them.

Retreat for II UG Students

About 300 II UG catholic students of shift I had their retreat on 3rd December 2016. Holy Cross Sisters Sr. Judy, Sr. Bridget and Sr. Vincy animated the session. The theme was on Life and its Challenges today. It is very difficult to lead a good, prophetic and Christian life amidst the evil and unhealthy forces in the modern society. Awareness on religious life, married life and single life was given to the students. A deep faith in oneself and in God is very essential in any walk of life. The students were given a brief account of the history of Holy Cross congregation and its apostolic activities. The students were motivated to discern and choose each one – her way of future life.

Retreat for PG students

The retreat was conducted on 3rd December 2016 by Rev. Fr. Stanley OCD from Thillai Nagar for about 150 PG catholic students.Father spoke on the important theories on Psychophysiology and Physiopsychology and how the body and mind mutually conform to each other. Father explained the development theory and compared Eric Erickson's theory with the Bible giving reference to the life of Moses. The types of fear – functional and dysfunctional with simple examples were also explained. Father spoke on the three kinds of evil – intraorganic, extraorganic & supernatural and how prayer and praying alone helps in one's spiritual growth. There was adoration and confession followed by Holy Mass.

Shift II

Retreat for II and III UG students

A retreat was conducted for all II and III UG Catholic students of shift II on 13th September, 2016. The first session was conducted by Sr. Jansi Amaladas, Principal of B.Ed., Holy Cross College, Trichy. She explained the importance of the Holy Bible and how their life would change by reading it every day. A documentary film was shown on how the worldly pleasures lead a man to a miserable life.The next session was taken by Fr.Leo Melchior Babu, Assistant Parish Priest, St. Mary's Cathedral Melapudur. He insisted that God's faithfulness helps us to realize that God will take care of each one of us. Students attended the mass by hearing the word of God and receiving the spiritual nourishment of the Eucharist.In the afternoon Sr. Sagayamary , Librarian, Holy Cross college, Trichy insisted on the need for spiritual renewal to reflect on the eternal destiny. Sr. Vincy explained the need for meditation and spiritual response. The retreat was useful for the students creating numerous positive attitudes among the students.

Retreat for Non Teaching Staff

The retreat for the non teaching staff was held on 26th November 2016. 65 non teaching staff attended the retreat, preached by Rev. Fr. Sebastian and Rev. Fr. Jeyanthian from Antoniyarpuram, Dindigul. In the first session, the preachers focused on the Gospel of St. Luke 9:25. They were encouraged by the idea that, every day we should take these two tablets to go closer to God namely, TIG – Trust In God and PUSH – Pray Until Something happens. Father spoke about spirituality in relationship. They mentioned the deathlessness of the soul and the role of Mother Mary in our Christian life. They emphasized the need to trust in God and to have a spiritual driving force to push forward in the face of difficulties. In the afternoon session there was the praying of the rosary according to Montford way, followed by the

adoration, confession and mass. It was an enriching and spiritually fulfilling day of retreat and soul searching, with the satisfaction of being with the Lord and listening to His message.

Retreat for Teaching Staff

The retreat for the catholic teaching staff was held on 4th February 2017. Rev. Fr. Sebastin, Montford Father and Rev. Fr. Jeyanthian, a missionary priest from Dindigul spoke on the renewal of spiritual life and spiritual bonds in human relationships. The need for a metaphorical spiritual tower to reach out to God was presented through biblical anecdotes and reflection from verses in the Bible. The conflict between peace and happiness was highlighted through the teachings of Jesus and the struggles he had to undergo with the symbolic coming of the three kings and their gifts of gold, frankincense and myrrh. Reflections on duty and service as teachers and the need for daily prayer and the glorification of daily prayer, Holy Mass, the Holy Eucharist and the family rosary were the recollections for spiritual renewal. 120 catholic staff of shifts I & II benefitted from the retreat which ended with Holy Mass.

❖ Orientations

Orientation for II UG Students

Ethics Orientation was conducted for II UG students on 13th September 2016 in two sessions. The chief guest of the first session was Mr. Elango. He spoke about the importance of women in society and understanding the parental love. He also shared some great poems of Bharathiyar and other great writers. The chief guest of the next session was Ms. Tamilarasi, who spoke on optimism, discipline and spirituality. She expressed the thoughts of great people like Swami Vivekananda and Mother Teresa. She also spoke about improving self esteem.

Orientation for III UG Students

An orientation was conducted for III UG students on 24th September 2016. The resource person Ms. Jasmine Lazar, counseling Psychologist and students counselor, St. Joseph's College, Trichy, handled sessions on self esteem and healthy relationships. She defined the concept of self esteem as the way of thinking and feeling about oneself. She gave suggestions, tips for boosting self esteem and defined healthy relationships.

Orientation for PG students

The non Christian PG students 200 in number had their orientation session on 3rd December 2016. Dr. Sr. Catherine Savarimuthu, the college counselor was the resource person. Sister taught the basic values of life which mould the individual's vision. She explained the three essentials for life – direction, determination and dedication. A few video clips were shown about boy's empathy towards society and how face book misleads today's youth. She defined a counselor and his/her responsibility in one's life. She also explained how to be a winner in both personal and public life. Shift II

Orientation for I UG Students

First U.G. Ethics Orientation was held on 23rd July 2016 in three sessions. Shift-II students from all the departments were present for the programme. The first session was handled by Mr. Antony Stephen, Assistant Professor of Social Work. He explained the significance of education in life. He shared the techniques for

the studies, memorization, self motivation, evaluation and optimism. The next session was handled by Dr. Sheila Christopher, Associate Professor of Rehabilitation Science. She spoke on how to maintain good behaviour and the importance of balancing emotions in the life. She also created awareness about the values of life and discipline to be maintained in the college. She spoke about the importance of prayer by sharing some biblical stories as examples.

Orientation for III UG Students

Ethics Orientation programme for III UG students was held on 18th February 2017. The Programme commenced with a prayer service. Shift II students from all the departments were present for the programme. The chief guest Rev. Fr. Arockia Xavier Britto spoke on the importance of trust in life, decision making, nature of human beings and gender difference.

Orientation for Non Catholic Staff

One day orientation for non-catholic staff was held on 4th February 2017. Rev. Fr. Stanley was the resource person. He delivered a talk on anger management techniques. Fr. Stanley stated that anger is a perfectly normal human emotion and it is acceptable when expressed at the nominal level. He taught simple exercises to reverse the physical symptoms of anger. He also discussed the causes of anger and different ways of handling it. More than 80 staff benefitted from the orientation.

The Bible Studies Retreat was conducted on 3rd December 2016. It was conducted for all the UG and PG Bible studies students. The retreat was facilitated by the chief guests Dr. Joseph, Vice Principal, Cauvery College of Engineering, Trichy and Miss. Marie Priya, Head of Paediatrics, Saudi Arabia. In the first session prayer was by Ms. Evangeline of Maths Department, Shift I, worship was organized by the II UG students, Dr. Joseph spoke about women empowerment, which helped the students to build their self esteem and self empowerment. He also gave a power point presentation on optical illusions, riddles and quotes encouraging women empowerment in this patriarchal society.

Other activities of DOVE are as follows :

A guest lecture was given by Rev. Fr. Anburaj, Assistant Parish Priest, St. Mary's Cathedral, Trichy on 24th January 2017. His lecture was mainly based on the mission of the church. He talked about the history of catholic church, the mystery and sacraments of the church. He also explained the structure and functions of church.

A group of 45 students along with Mrs. Juliat Josephine went to the orphanage near Mambalasalai, Trichy to celebrate Christmas with the children in the orphanage. There were nearly 25 children below the age of 5. As soon as they reached that place they gathered all the children and distributed the sweets and snacks bought for them. Then they conducted many games and dance programmes for the children. The time spent with those children are unforgettable moments in their life.

❖ Visual Communication

On 13th July 2016, the department organized one day workshop for scriptwriting. The workshop was conducted by Ms. Keerthana from Chennai film institute. She led the students to learn various techniques in writing scripts and in story boards.

On 8th August, Visual Communication students were taken for one day industrial visit to

Don Bosco institution. A seminar was held on the topic 'Environment and short film training'. Students actively participated in the interaction session. One day short film festival was held in Don Bosco institution. Many film directors participated and shared their knowledge on media. Many short movies were screened on that day.

On 9th August, one day short film festival was conducted by 'Signis Tamilnadu' along with department of visual communication. The chief guest Mr. Pandiraj, film director, gave a session on 'how to make a media society'. After the session many awards were distributed to short film winners. The whole program was telecasted live on 'Maadha channel'.

The students of Visual Communication were taken to the film 'Joker' on 24th August 2016. This film was given importance because the film had good cinematography, story line, screenplay and editing work. The students benefited a lot by watching this film. This film helped the students to make use of the techniques in their own project.

On 19th September 2016, a National conference on 'Media and Society' was conducted. The chief guest was Mr. Vasanth Sai, film director. He took a session on the seminar topic 'Media and Society'. The session was followed by cultural program. The chief guests Ms. Abirami (suriyan FM), Mr. Prapanj (Thanthi TV) and Mr. Praveen (Film Director) shared their knowledge on media society and in the different fields respectively.

On 2nd December, a seminar on 'Journalistic ethics and trends' was conducted by the senior reporter Mr. Dennis Selvan. He shared many ideas on the recent trends of journalism and taught the students clear how to write for the mass media. Students actively participated in the discussion session.

The students of Visual Communication were taken to the award winning movie 'Dangal' on 7th January 2017. This film was given importance because the film had good cinematography, story line, screenplay and editing work. Students gained knowledge in film analysis and critique.

❖ Zoology

The inaugural meeting of the Aristotle Club, Department of Zoology was held on 4th July 2016. Rev. Dr. Sr.. Dona, the former Principal and Head of the Department was the chief guest of the day. Rev. Dr. Sr. Dona, reminded the students about the history of the department of Zoology and its milestones. She spoke about how a zoologist must shine in academics and in real life. More than being a zoologist, he / she should possess more of moral values.

The department of Zoology organized one day intercollegiate meet- Festotle' 16 on 1st August 2016. The theme was "Better Environment and Better future" with a focus to create a healthy surrounding for human health. The meet comprised of a number of exciting competitions such as Quiz, Just a minute, Face painting, Pencil drawing and Ad-zap. About 150 students from 17 colleges in and around Trichy participated. The prizes were distributed to the winners at the valedictory function held on 2nd August 2016.

The Aristotle club organized an association meeting on the topic "Interview Skills for Budding Aspirants" on 23rd August 2016. The chief guest, Dr. J Wilfred Angello Gerald,

Assistant Professor, PG and Research Department of Human Resource Management, St. Joseph's College, Trichy presided over the meeting. The chief guest enlightened the students with information about how to face an interview confidently.

The Aristotle club organized an association meeting on the topic, "DNA Barcoding of Organisms" on 7th September 2016. The chief guest was Dr. Syed Ajmal Khan, Professor Emeritus, CAS in Marine Biology, Parangipetai, Cuddalore. He enlightened students with information regarding the latest emerging techniques in DNA Barcoding and how it plays a significant role in Animal Science.

The Aristotle club of the Department celebrated National Wild Life Week on 27th & 28th September 2016 to create awareness on the need for conservation of wild life.On the first day 27th September 2016, the chief guest was Mr.V.Sundararaju, Former Indian Forest Service Officer & President of Society for Conservation of Nature (SOFCON) spoke about "Fight Against Illegal Trade In Wild Animals". On 28th September 2016 a trip was arranged to Butterfly Park situated at Melur, Srirangam. 160 students along with teaching and non-teaching staff visited the park. The students enjoyed their visit and they were able to see the butterflies in their natural environment and their need to be conserved. Several competitions like photography, pencil sketching, poetry writing and Bio – lyrics were conducted and all our students participated enthusiastically and exhibited their talents.

A group of 55 Students of III B.Sc. Zoology were taken to Mannavanur on an educational trip as a part of their curriculum. The trip was planned for 2 days, 8th & 9th July 2016. They visited Central Sheep Wool and Agriculture Research Institute at Mannavanur. This institute started in 1965, is the only substation of ICAR (Indian Council for Agriculture Research) in Tamilnadu. Students got the opportunity to meet the scientists, Dr.Rajendran, Dr. Murali, Dr.Malik and and Dr.Puroshathaman. The scientists enlightened the students about the methods followed for sheep and rabbit rearing, economical benefits and diseases affecting the animals.

The Aristotle Club organized an association meeting on the topic "Phytochemical and Pharmacological studies" on 23rd November 2016. The chief guest, Dr. S.Padmavathy, Associate Professor & Head, PG & Research Department of Chemistry, Bishop Heber College, Trichy presided over the meeting. She enlightened the students about the medicinal properties possessed by various plants which is useful in producing medicines and drugs. The session was as useful as she ignited students mind with every possible information related to the phytochemical and pharmacological properties of plant extracts.

The Aristotle Club organized an International Scientist Meet for the final year UG students from Departments of Botany, Physics, Rehabilitation Science and Zoology on the topic "How the mind works?" Under DBT UGC-STAR COLLEGE SCHEME on 29th November 2016. The chief guest was Dr.A.H.van der Lugt, Associate Professor, Department of Cognitive Neuroscience, Faculty of Psychology and Neuroscience, Maastricht University, Maastricht, The Netherlands. He enlightened the minds of students on the basics of Psychology.

The Department of Zoology, organized the VI National Conference on Natural Sciences& Annual Award Presentation Ceremony in collaboration with Bose Science Society, Pudukottai on 12th January 2017. The chief guest was Dr.P.Ramanchandran, Director and Head, Trichy Institute of Regenerative Medicine, Trichy Medical Center and Hospitals, Thillai Nagar, Trichy. The thematic introduction was given by Dr.S.Vijikumar,Director of Tamilnadu Scientific Research Organisation (TNSRO) & Bose Science Society(BSS), Pudukottai. He talked about the establishment and improvement of his organisation and its benefits to the students and the research scholars of the life science stream. The presidential address was delivered by Dr.Sr.Lilly.V, Secretary, Holy Cross College, Trichy. She talked about the significance of science and technology in our day to day life and how these conferences pave way for the betterment of the student community. The inaugural address was given by the chief guest and he spoke about the different types of conventional medicines available and why there was a decline in the use of Siddha and Ayurveda. He also added notes about his institute 'Trichy Institute of Regenerative Medicine' and their vision. The felicitation address was delivered by Mr. A. Gomati Shankar, Managing Director, Ronald Foundation, Pudukottai followed by felicitation by our Principal Dr.Sr.Jeusin Francis. In the technical session, the key note address was delivered by the chief guest, Dr.P.Ramachandran. He talked about the stem cells and its clinical applications and how TIRM provides service to mankind through stem cell treatment and he also added notes regarding the implant training provided to our students of III B.Sc Zoology. The research scholars from various institutions presented their papers. The valediction of the meeting commenced with the prayer and was followed by the Annual Award Presentation Ceremony. Totally 39 award recepients from various fields such as Zoology, Biotechnology, Chemistry, Physics, Botany, Microbiology, Agricultural Science and Environmental sciences of various reputed National institutions were honoured with awards based on their research activities. The membership certificate of the Bose Science Society was also provided to the students and the staff of department of Zoology.

The valedictory function of the Aristotle Club, department of Zoology was held on 23rd February 2017. Dr. K. Saravanan, Assistant Professor, PG & Research Department of Zoology, Nehru Memorial College (Autonomous), Puthanampatti was the chief guest and he gave a lecture on "Birth –Defects".

❖ DMLT

The Inauguration of "Paramedical Technologist Association (PTA)" was held on 8th July 2016 in the Dept. of DMLT where staff and student secretaries were selected.

As a part of association activity, the department conducted "Blood Group Screening Camp" for I year UG, PG and M. Phil students of our college on 11th and 12th July 2016. From this camp 1740 students were benefited.

On 3rd August 2016, the department of DMLT in collaboration with RESCAPES conducted "Blood group Screening camp" for the students of St. Xavier Matriculation School, Perur and for the people. 107 students and 82 people benefited from this camp.

On 3rd March 2017, the department of DMLT in collaboration with NSS conducted

"Thyroid Diagnosis Camp" for the Teaching, Non-teaching Staff and Students of Holy Cross College. From this camp 25 members benefited.

The valediction of the paramedical technologist association was held on 4th March 2017. Mr. Saravanan, senior technician and lab incharge, Arthi Diagnostics, Thillai Nagar, Trichy, spoke on the topic "Role of lab technician in the field of clinical diagnosis" and gave guidance to the final year students.

❖ Library

Central Library

- A self service of book issue and book return for staff and students was initiated into the library by setting up new computers and its connections making students responsible to avail service by them is the highlight of the year

- The library collection has reached 119024 books, 2750 CDs and 151 newly subscribed journals, spending Rs.13, 07,759 for books and Rs.1, 60,938 for journals during this academic year.

- 65656 transactions were carried out in book circulation section

- The Orientation Program for the freshers was held from 5th to 8th July 2016 and 1990 students participated in it.

- 65 library volunteers contributed 945 hours of voluntary work during the year.

- 230 students used 4 kindle book readers and Tablets during this academic year.

Virtual Library

- Virtual Library reached 24851 users as on 23-01-2017 statistics. Question papers were uploaded onto Virtual Library.

- A new website www.crossiansknowme.weebly.com was created for promoting library services and the latest information upload.

Dspace

- 2047 Video lessons were linked according to their syllabus in the virtual library in the subjects of Botany, Biology, Bio-Chemistry, Bio-Statistics, Bio-Technology, Bio-Informatics, Management, Nursing, Research methodology and Chemistry.

- 2039 Research thesis/ dissertations and 455 course syllabus and 92 multimedia documents were uploaded onto D Space.

- 164 Ancient Copyright free books, 64 Holy Cross College Old magazines, 154 Question papers, 74 ancient Photos of historical importance were scanned and uploaded on to D space during this academic year 2016-17.

Programs

- A program, to promote research was conducted for all the newly joined staff and the students of PG and M.Phil. on 23rd September 2016 on "Research managers' software" by Dr.Surulinathi Assistant Librarian, Bharathidasan University, Tiruchirappalli.

- A book exhibition cum sale was conducted from 18th to 20th January 2017 and many students stood to gain by it.

- A program was carried out in the library to promote library services pasting an awareness leaflet on the College calendars of all the students.

- Ms. S. Pommi, Librarian, Cauvery College for women, Tiruchirappalli, was the chief guest at the valedictory function of the Felicitation Programme (for Students Voluntary Service - part time) organized by the Library, Holy Cross College (Autonomous) Tiruchirappalli, on 3rd March 2017. The participants benefited from her talk on advantages of using the library.

❖ Exam results

Success is not just a happening. It is the result of planning one's work and working one's plan with perseverance and the goal in mind.

Under Graduate Programmes

Shift I

- The departments of Computer Applications, English and Business Administration secured 98% passes and above.
- The department of Mathematics secured 97% passes and above.
- The departments of Physics and Commerce secured 96% passes and above.
- The department of Visual Communication secured 94% passes and above.
- The departments of Economics and History secured 90% passes and above.
- The department of Chemistry secured 89% passes.
- The departments of Zoology and Biochemistry secured 86% & 87% passes and above respectively.
- The department of Botany secured 80% passes and above.
- The department of Rehabilitation Science secured 58% passes and above.

Shift II

- The department of Mathematics secured 94% passes.
- The department of Computer Science secured 90% passes and above.
- The departments of English and Commerce secured 89% passes and above.
- The department of Physics secured 84% passes and above.
- The department of Business Administration secured 74% passes and above.

Post Graduate Programmes

- The departments of Mathematics, Physics, Botany, Biotechnology, Bioinformatics, Computer Applications, Media and Communication, PGDBI of shift I and Computer Science of shift II secured 100% passes.
- The departments of Zoology and English secured 88% and 87% passes and above respectively.
- The departments of Commerce and Social Work secured 84% and 83% passes and above respectively.

- The department of Chemistry secured 82% passes and above.
- The department of Economics secured 66% passes and above.
- The department of Rehabilitation Science secured 53% passes and above.

M.Phil.

The ten departments offering M.Phil. secured 100% passes.

❖ Ranks

This year our students secured 15 university ranks at the UG level with four 1st ranks, five 2nd ranks, two 3rd ranks, one 4th rank, two 11th ranks and one 18th rank.Our students secured 13 university ranks at the PG level with three 1st ranks, two 2nd ranks, one 3rd rank, one 8th rank, one 9th rank, one 10th rank, two 11th ranks, one 14th rank, one 15th rank

❖ Graduation Day

The graduation day was held on 21st January 2017. The chief guest was Dr. S. Subbiah, Vice Chancellor, Alagappa University, Karaikudi. The Secretary of Holy Cross College (Autonomous) Rev. Sr. Dr. Lilly Varghese declared the Graduation ceremony Open. Rev.Sr. Dr. Jeusin Francis, the Principal of Holy Cross College (Autonomous) Tiruchirappalli welcomed the gathering and presented a brief report of the college activities and achievements.

The chief guest addressed the gathering and distributed the degrees to the new graduates. He appreciated the service rendered by the Christian Missionaries in the field of education. He spoke on the pivotal role played by teachers and called on the students to respect their teachers for being instrumental in their life. Dr. Subbiah, highlighted the greatness and glorious past of mother India and recalled the richness of tradition garnished with human values. He did not forget to recall the veterans of India-Dr.Ambedkar, Swami Vivekanandha and Dr.Abdul Kalam for their legacy.

The chief guest also spoke on the need for planning, practising and following a dream for life. He cautioned the youth to be aware of time wasters in this era of ICT. He insisted on the new graduates to focus on soft skills and to equip them for a career that demands the best out of them. He asked the students to be open minded and to practise lifelong learning.

The Principal read out the pledge and the students repeated the same. After the Principal dissolved the Graduation Ceremony,the function ended with the National Anthem. 1611 students (1323 UG, 242 PG and 46 M.Phil. from 19 departments) were qualified to receive their degrees.

❖ Extra curricular

❖ Physical Education

The 93rd Annual Sports Meet was celebrated on 22nd July 2016 and the chief guest was Mr.R. Gnanasekaran, Sports Officer Retd., Southern Railways, Chennai. 358 students from 22 departments participated in the March Past. 200 students participated in the opening ceremony and 250 students displayed aerobics, rope 'mallakham', human pyramid and ' silambam'.

The chief guest delivered an address about the importance of sports in our country and also focused on the difference between interest and talent. He advised the students to focus on their talent and not only in their interest to achieve their goal.

Over all championship for shift I was won by the Department of History, for shift II by Department of English and for PG by the Department of Social Work.

Individual championship for shift I was won by A. Priya, Department of Economics, for shift II by R. Keerthana Department of Commerce and for PG by S. Durga, Department of Social Work. The department of History marched away with the shield for the best performance in March Past.

The department of Physical Education celebrated the National Sports day on 29th August 2016. The aim of the celebration was to motivate sportsmanship and to create awareness about of the hockey legend Major Dhyan Chand. Mr. Clarence Abraham Dhanraj, a retired Indian hockey coach was the chief guest. The presidential address focused on the life history of Dhyan Chand and he also advised the young aspiring sports personalities to follow three principles such as hard work, dedication and discipline in their sports. ❖ Student Forum

The vision for the academic year 2016-2017 is to enlighten. The focus of activities planned for the academic year was to enable an enlightening environment for the students to evolve into disciplined Holy Crossians with employable skills, integrity, social consciousness and Christ-like attitude through trainings and campaigns and to encourage student initiatives, campaigns and activities.

One-day orientation programme on "Being an Effective Leader" was conducted on 13th March 2017 by Rtn. Prakash, a renowned trainer and motivational speaker. The session was for Part IV leaders and Student Council Elect from all the departments.

Students' Forum Activities

The student council members actively participated, coordinated workshops and training programmes and organized campaigns for the academic 2016-2017, Student's Day and Christmas Carols. The council co-ordinated student benefit programs such as Medical camp and Registration of Identity card for I years. The council monitored discipline during various programmes and celebrations held in college. The members also performed on occasions such as Teachers' Day, Opening Ceremony for Annual Sports Meet.

The Anti-Ragging Squad continued to work on creating awareness on zero tolerance to ragging in the campus. The Student Council Members were asked to keep a check on it and report immediately in case of such incidents. They spread the awareness about anti-ragging by sticking posters and this was maintained throughout the year. No ragging incidents were reported. A healthy and friendly relationship was maintained between the freshers and seniors.

PBBT Campaign was conducted in the month of July to motivate students to Please Be Before Time and discourage late comers. Placards on punctuality and honouring the resource of time were displayed. To inculcate the discipline of punctuality a PBBT line was drawn to motivate students to cross it before 8.20 am. This was to create a visual reminder to encourage students to be on time every time. Also as a positive step to encourage punctuality among students, the list of classes with no late comers on a weekly basis was announced. The PBBT Rolling shield award was given to the Department of Audiology and Chemistry for Punctuality.

BIN IT Campaign: The Go Clean team organized the "Bin-it" campaign for creating awareness on keeping the campus clean on 30th August 2016. The motto of the campaign was "Cleaner Campus... Cleaner Society". Volunteers from each department participated in a competition where they were asked to design bins with utility and tag lines. The competition was judged by the Secretary Rev. (Sr.) Dr. Lilly, V and Sr. Niranjana, Head of the Department of Social Work and the best bins were awarded certificates. A flash mob on theme of cleanliness was presented at 11:30 a.m in front of the library and at 1:30 pm in front of Mother Claudine Block.

Students' Day Celebration: On 15th October 2017, the occasion of the birthday of late Dr. A.P.J. Abdul Kalam "The Student's Day" was observed with awakening thoughts of late Dr.Kalam. The Student Council Members conducted an open quiz competition on "The Biography of the Former-President - Dr. A.P.J Abdul Kalam".

SLIP- Student Leaders Interaction with Principal: A meeting was held for all the Student Council Members and class representatives of both Shifts I and II with the Principal on 18th October 2016. The purpose was to reinstate and incorporate the values and rules of the college. The Principal insisted on discipline, cleanliness and advised students to avoid malpractices during the examinations.

Competitions participated and Won

"Salaam To Kalam" an essay writing competition was conducted at Holy Cross college on 26th July 2016 as a tribute to Dr. A.P.J Abdul Kalam organized by "Audacious Dreams Science Network (ADSN)" affiliated to Vigyan Prasar Network, an Autonomous institution under the Department of Science and Technology, Govt. of India in association with Raindrops, Sathyabama University, supported by the House of Kalam and Dr. A.P.J Abdul Kalam International Foundation. - **Learning Management System (LMS)**

LMS is one of the effective systems in our college that is working regularly focusing on providing effective teaching practice to the staff and higher grade learning process to the students. The system is maintained successfully working on smart board classes and e-content preparation. Every department in the College conducts classes using smartboard classes and every teacher prepares her own e-contents for her classes. In addition, PG students are also trained and made to take their seminars using smart board. About 42 e-content lessons were prepared from June 2016 to December 2016.

❖ Counseling

The Holy Cross College has a Counseling Centre. It functions from 9am to 4pm on working days. A counselor is appointed for the welfare of the students. The student counselor addressed the 1st year students in their own class rooms, department wise. She gave orientation to the students regarding counseling, its need and importance. Through personal data form, the information about each student was collected. From the data collected the counselor came to know the students who actually required /expressed their need for counseling.So far 135 students have come for counseling. Students come for vocational counseling, career counseling and most of them come for personal counseling. Students were helped to solve their problems which could be solved and the counselor also facilitated them to face their problems which have to be faced squarely. When there was need for psycho-therapeutic intervention help was given. Behavioural modification has brought in, positive change in the life of students. Many students were benefited by the counseling. Counseling is also given to the parents of the students who come for counseling, with problems.The Sister in-charge of the counseling also served as a resource person and gave lectures to students of other departments such as M.Phil. Maths on 'intelligence and learning theories', to MSW students on 'family counseling and group counseling' in the last semester. She also addressed NSS students on 'mental health and

hygiene'. For AICUF students, she gave talk on 'Healthy Relationships'.For final year UG students, she gave a talk on 'marital counseling', and for Post Graduate Non Catholics she conducted one day orientation. For first year Audiology students, she handled one paper on 'psychology of speech and hearing'. This year she has covered many areas related to psycho-spiritual growth. As far as possible, the resources are rendered to the students for their welfare and holistic personality development.

❖ Hostel

Holy Cross College hostel a home away from home shelters hundreds of students and nurtures them to live a life based on Truth and Charity. The hostel reopened for the seniors for 2016-17 on 14th June 2016. The first years entered the portals of Holy Cross College hostel on 19th June 2016. Every parent individually met their ward's class teacher and subject teachers to know about their children's growth.

❖ Alumnae

The General Alumnae Meet was held on 10th December, 2016. The chief guest of the day was Dr.Lt.S.Sangaranachiar, Librarian, Lady Doak College, Madurai, alumna of the Department of Chemistry and the special invitee was Ms. Uma Venkat, Managing Trustee, Maitri Trust, alumna of the Department of Chemistry. The minutes were read out by Dr.Noreen Antony, Associate Professor of Chemistry and the Coordinator of the Alumnae association. The News Letter 'In Touch' Vol: 10 December, 2016 was released by Dr.Lt.S.Sangaranachiar, the chief guest and the first copy was received by Dr. (Sr.) Jeusin Francis, Principal, Holy Cross College, Tiruchirappalli.The chief guest in her address said that her Alma Mater had taught her values and principles which had helped her to live successfully.. The special invitee Ms. Uma Venkat recollected the days she spent in the college campus and shared her pleasant memories and also appreciated the teaching faculty of Holy Cross College for their untiring efforts in moulding the student community. The special address was followed by 'A Flash of Memories', where the alumnae who were unable to be present for the meeting, shared their memories of the golden days spent at Holy Cross College, via e-mail. This was followed by 'Down memory lane' where the prominent alumnae Dr. Amudha, Professor, Dept. of Education, Bharathidasan University, Tiruchirappalli, alumna of the Department of Botany spoke about the moral values which she had learnt in Holy Cross College. Ms. Kamatchi, Deputy officer (Rtd.), Purchase Dept., BHEL, Vice President of the Alumnae Association, alumna of the Department of English, Ms. Subha Selvam, Senior News Reader (Rtd.), All India Radio, alumna of the Department of Economics, Ms. Saraswathi, PG Assistant, Govt. Higher Secondary School, Pulivalam, alumna of the Department of History shared their memories about time spent in the portals of Holy Cross College. Ms. Kamatchi and Ms. Subha Selvam honoured the Vice Principals Dr. Jenitra, Associate Professor of Commerce and Dr. Nagalakshmi, Associate Professor and Head of

the Department of Rehabilitation Science with shawls. The feedback forms were distributed. Dr. Turin Martina, Associate Professor of Rehabilitation Science and IQAC coordinator addressed the gathering. She asked the alumnae to update their details in the Alumnae Web link data base of the college. The joyful meeting ended with the college anthem and a photo session of the alumnae present.

The Alumnae association conducted a meeting on marital counseling on 29th September 2016 at college level for under graduate final year students. It was highly informative and useful for the students.

Department Alumnae Meetings

All the departments conducted Alumnae meet for the UG&PG out gone students of both shifts I & II and M.Phil scholars on 21st Jan 2017.In addition, alumnae of some departments visited their alma mater during the academic year Some of the alumnae also served as resource persons for international conferences and various programmes conducted at the departmental level.

❖ Valedictory

The valedictory of all the associations was held on 10th March 2017. The chief guest was Dr. P. Suresh Kumar, Director, Alagappa University Study Circle, Alagappa University, Karaikudi. He appreciated the students and distributed the prizes to the prize winners.

❖ College Day Mass

The college day mass was celebrated on 17th March 2017 to thank God for His special blessings during this year. The main celebrant of the mass was Rev. Fr. Rufus SJ. from Karumathur College.

❖ Farewell

Teaching staff

The following teaching staff members are retiring after several years of fruitful service to the students and the institution. We wish them God's blessings in their retired life.

- Dr. Felicia Rajammal Selvarani, HoD & Associate Professor of Chemistry
- Ms. Imelda Samathanam Evangeline. S, Associate Professor of Mathematics
- Dr. Pushparani S.M., Associate Professor of Commerce
- Sr. Lizzy George, Assistant Professor of French
- Dr. Juliet Vinolini. E, Associate Professor of English
- Dr. Fr. Joseph .A. Rozario, Assistant Professor of Visual Communication

Administrative staff

- Ms. Josephine Mary. S, Lab Assistant SG
- Ms. Saghaya Sheela. A, Superintendent.

❖ Thank You

To express gratitude is a joy for the giver of thanks and for the receiver. Gratitude is the expression of appreciation, acknowledging people for their genuine concern and support for the welfare and progress of the institution.

On this occasion of the 94th College Day, I am privileged to express my sincere thanks to people and organizations for their co-operation and generous help rendered in various ways and at the time of need. I express my genuine thanks to the chief guest of today's function, Mr. M. G. Devasahayam, Retd. IAS

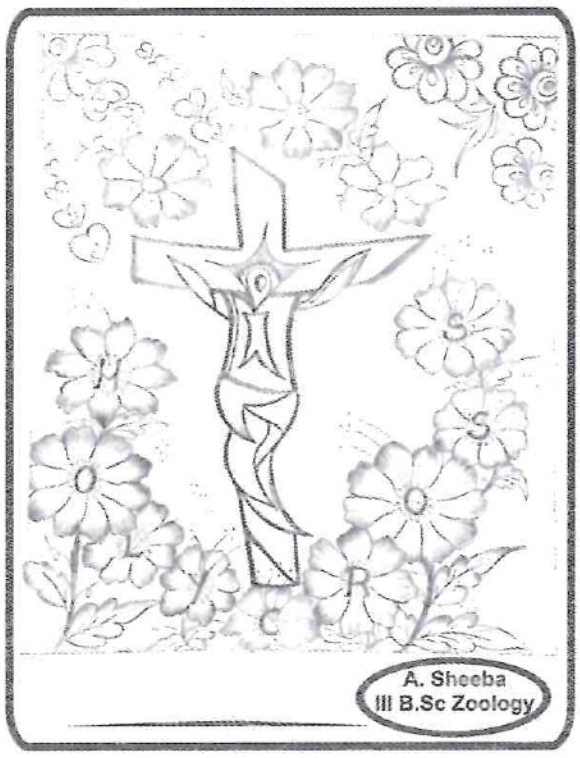
Officer, Chennai, for his presence, motivating college day address and for the patient distribution of prizes to the achievers and prize winners of this year. Thank you Sir!

I place on record my sincere thanks to our guest of honour Rev. Dr. (Sr.) Rosy Antony, our Provincial, for her guidance and support and her meaningful message. I thank our Secretary, Rev. Dr. Sr. Lilly .V, for her constant support and concern willingly extended to me for the institution. I thank Rev. Dr. Sr. P. Rajakumari, Vice-Principal and in charge of shift II, and Sr. Lizy George, for their co-operation and support. I also thank Rev. Dr. Sr. Georgia, Controller of Examinations, Rev. Sr. Petronilla, our Campus Minister and the sisters of the community who encouraged me with their prayer support.

I acknowledge and appreciate the help, rendered by the two lay VPs, Dr. Nagalakshmi and Dr. Jenitra, in the conduct of academic programmes. I am grateful to the Deans, Heads of the various departments, staff in charge of various associations, staff both teaching and administrative, Student Council members, and all who supported me for the welfare of the students and the growth of the college. I also thank the wardens, Sr. Daisy, Sr. Catherine Savarimuthu, Sr. Judy Gomez, Sr. Bridget for their concern and care for the hostel inmates and for their willing support. I appreciate and thank the media personnel and technical staff, for their technical service and help.

I express my gratitude to the Vice-Chancellor, Registrar and staff of the Bharathidasan University for their support. I also thank the Regional Joint Director and Staff, the Bank officials, Transport and Corporation authorities, District Collector, and Department of Law and Order, for their generous help. I am thankful to UGC and other organizations for the financial support provided for various projects.

I acknowledge with humility my thanks to God Almighty for his bountiful blessings, divine protection and spiritual guidance in all our endeavours of this academic year and for another year of success and achievements. In the words of the Psalmist I say: **We give thanks to you 'O God', we give thanks to you Ps 75:1.**



Dr. S. Elavarasi
Assistant Professor
Department of Zoology

Ph.D. ABSTRACT

Evaluation of antidiabetic potential of traditionally used medicinal plants, Cyathea Nilgirienesis (Holttum) and Pterocarpus Marsupium (Roxb.) in Streptozotocin(Stz) induced diabetic rat model.

The present study was carried out to find a suitable antidiabetic herbal drug from traditional healers and tribal people of Kollihills and evaluated antidiabetic effect of the selected herbal plants on streptozotocin (STZ) induced diabetic albino rats. Ethnobotanical investigation revealed that the tribal people and traditional healers of the Kolli hills region had been using 18 plant species belonging 18 families to treat diabetes and its diabetic related complications. Among these, Cyathea nilgiriensis is popular among the traditional healers. It is given to the diabetic patients by giving diherbal formulation which was prepared by mixing of Cyathea nilgiriensis pith powder with Pterocarpus marsupium milk for the effective treatment of diabetes. Thus, the above said medicinal plant and its formulation were used for evaluating its antidiabetic potential. The preliminary screening of the extracts of the study plants revealed the presence of flavonoids, glycosides, tannin, protein, carbohydrate, phenols and steroids in aqueous extract of Cyathea nilgiriensis. The compounds in the test drug identified by GCMS analysis which include 1-chloro-2,5-dinitrobenzene, Pyridin-3-ol tert-butyldimethylsilyl ether, Phenanthridin-6, 10-diol 10-acetyl-2-methyl-7,8,9,10-tetrahydro- and benzoic acid, 4-methoxy-,undecyl ester. Toxic effect of C. nilgiriensis pith powder extracts (ethylacetate extract, ethanol extract and water extract) and mixture of C. nilgiriensis pith powder and P. marsupium milk was evaluated in the albino rats. High dose of 1000mg (per kg body weight of rat) of C. nilgiriensis pith powder extracts and mixture of C. nilgiriensis pith powder and P. marsupium milk did not affect the behavior of rats and did not cause mortality. Since the high dose did not cause any mortality, 200 mg/kg of b.wt. dose was selected for the present study to evaluate antidiabetic activity of the test drug in STZ induced diabetic rats.

Among the different extracts, water extract of C. nilgiriensis and the mixture of C. nilgiriensis pith powder and P. marsupium milk and recovered all biochemical profiles related to diabetes as close as possible to control rats and glibenclamide treated rats. Further they exhibited regeneration of β-cells of pancreas in STZ induced diabetic rats. Further they exhibited significant antihyperglycemic, hepatoprotective, antihyperlipidemic and antioxidant activities, and regeneration of β-cells of pancreas in STZ induced diabetic rats. Moreover, the target protein structures (1XU7, 3A5J, 4CFF and 1V4S) were docked with the compounds identified from the test drug (11 beta hydroxysteroid dehydrogenase and Protein tyrosine phosphatase 1 beta) provides good results by the least values of the binding energy. Thus, it is significant to proceed further in this path for the isolation of active principles responsible for antidiabetic activity and other pharmacologic investigations.

Dr. M. Revathi
Assistant Professor
Department of Botany

Ph.D. ABSTRACT

Studies on Phytochemical, Antimicrobial and Molecular characterization of an important water fern Marsilea minuta Linn.

The Pteridophytes are long known for their medicinal and therapeutic utility. Recently, efforts have been made to determine the potential of Pteridophytes in relation to their chemical composition and other aspects. Marsilea minuta Linn. is an aquatic fern of the family Marsileaceae and has wide applications in traditional/folk medicine. The present investigation deals with phytochemical, antimicrobial and molecular characterization of the fern Marsilea minuta Linn. Bio chemical constituents such as ash and mineral contents estimated were in substantial quantity. Among the minerals quantified, the maximum amount was recorded for nitrogen. With reference to the activity of the enzymes, amylase activity was much pronounced. Regarding the primary compounds such as total sugar, reducing sugar, total protein, total free amino acids and total lipids, the amount quantified was found maximum in the frond. The phytochemical profiling of the plant M. minuta L. such as qualitative, quantitative and chromatographic techniques, GC-MS revealed the presence of various compounds in ethanolic extract of frond that were Tridecanoic acid, 3,7,11,15-Tetra methyl-2-hexadecen-1-ol, 7,10,13-Hexadecatrienoic acid, 9,12-Octadecadienoyl chloride and a´-Sitosterol and in rhizome were γ-Aminobutyric acid, Undecanenitrile, Z, E-3,13-Octadecadien-1-ol,Trans-Traumatic acid, Pyrrolizin-1,7-dione-6-carboxylic acid, 12 Hydroxy-14-methyl-oxa-cyclotetradec-6-en-2-one, Retionic acid and Pregnane-3, 20-dione. HPLC analysis showed the presence of five flavonoid compounds such as Gallic acid, Caffeic acid, Rutin, Quercetin and Ferulic acid. Pharmacological evaluations revealed the presence of significant amount of antioxidant content and the free radical scavenging activity of the frond. The six species of bacteria and four species of fungi studied showed profound antibacterial and antifungal activity upon the solvent extracts of frond, petiole and rhizome. The portions of the amplified rbcL gene of the isolated DNA analyzed in this study comprised 560bp. The phylogenetic studies of the fern provide fern evolution, diversification and understanding of fern relationships with other species.

Ph.D. ABSTRACT

Anticancer potentials of costunolide isolated from Costus speciosus on breast cancer

Breast cancer is the second leading cancer and remains the chief cause of cancer-related deaths among women. Costus speciosus is a potent medicinal herb, known for its wide range of pharmacological activities and had been used in treating diseases from the ancient times. The present study was designed to elucidate the potent C. speciosus rhizome extracts against breast cancer cell lines (MCF-7 and MDA-MB-231), explore and isolate the phytochemicals in the active extract, evaluate the anticancer and chemopreventive effect of the compound on DMBA-induced Sprague-Dawley rats, predict and confirm the targeted action of the compound on cancer targets. Cell viability was measured by MTT and LDH assays and AO/EtBr staining and it was found that n-hexane extract had more effect to induce breast cancer cell death. The presence of costunolide and eremanthin in n-hexane extract was confirmed via GC-MS analysis and the compounds were isolated using column chromatography. Costunolide effectively induced breast cancer cell death than eremanthin and the compounds were non-toxic on normal breast cells (MCF-10A). Agarose gel electrophoresis confirmed the induction of DNA fragmentation by costunolide. Flow cytometric analysis indicated costunolide-mediated breast cancer cell cycle arrest at G2/M phase. Effective reduction in Nf-κB subunit proteins, positive cell cycle proteins and anti-apoptotic proteins and upregulation of negative cell cycle regulators, pro-apoptotic proteins and caspase 3 and 9 mediated by costunolide were analyzed via Western blotting. This was also substantiated with the in-silico molecular docking of costunolide with cancer targets. Costunolide also maintained normal RBC, WBC, platelets, CEA, CA 15.3 levels and breast tissue morphology in DMBA-induced Sprague-Dawley rats. It was found that costunolide maintained the levels of TBARS, SOD, CAT and GPx both under in-vitro and in-vivo conditions. This was also substantiated with the in-silico results of costunolide interaction with antioxidant enzymes. Thus, costunolide derived from C. speciosus plant source elevates a fresh conviction for its use in breast cancer therapy for its anticancer efficacy against breast cancer models and non-toxic nature on normal groups.

Dr. Umera Begum
Assistant Professor
Department of Bio-chemistry

Ph.D. ABSTRACT

A study on the hepatoprotective activity of Solanum Torvom sw. on acetaminophen induced hepatotoxity in wistar rats.

Liver is one of the largest organs in the human body and the chief site for intense metabolism and excretion. Drug-induced liver toxicity is a common cause of liver injury. It accounts for approximately one-half of the cases of acute liver failure and mimics all forms of acute and chronic liver disease. Acetaminophen also known as N-acetyl-p aminophenol or 4-acetamidophenol or paracetamol is a major ingredient in numerous cold and flu medications and analgesics. Higher percentage of acetaminophen molecules cause an increased oxidative stress response. Free radicals can covalently bind to macromolecules of cellular membrane and increase the lipid peroxidation which in turn affects mitochondrial membrane potential and its ability to synthesize ATP and ultimately cause liver damage due to higher doses of acetaminophen. Current medical treatments for these liver diseases are often ineffective, and therefore efforts are being made to seek new effective medications. Solanum torvum Sw. fruits of the family Solanaceae are found to have many pharmacological activities. In the present study the hepatoprotective activity of aqueous extract of S. torvum fruits and the molecular mechanism involved is studied in acetaminophen induced model. The plant extract is subjected to qualitative phytoscreening which revealed the presence of constituents especially flavonoids, glycosides, phenolics, alkaloids etc and In vitro anticancer and antioxidant studies. The results showed that the plant extract can act as a good source of antioxidant empowered by the phytoconstituents and can prevent tissue damage. This is further proved by the in vivo hepatoprotective studies. Isolation and spectral characterization reveals the presence of four lead compounds namely Methyl octadecanoate, Solasodine, Stigmas-4-ene, 3,6 – dione and Kaempferol from the plant extract in the extract. Molecular docking studies of the lead molecules (ligands) with the about target proteins (Nrf2, HO-1, Pi3K, PKC, CYT 2B and CYT 3A) have shown that almost all the ligands effectively docked with target proteins and bring about hepatoprotection either by the up regulation of antioxidant genes or by down regulation of protein expression which otherwise produce toxic metabolites. By both ways, hepatic damage is prevented and protection is ensured. ADME properties and total antioxidant capacity of the isolated lead compounds also supports the idea that these compounds can develop into promising and effective hepatotherapeutic agents.

Dr. R. Babithra
Assistant Professor
Department of Tamil

Ph.D. ABSTRACT

"Ettuthogai Aganoolgal Suttum Magalir."

There are no poems without the female sense and no poets who don't portray women in their work of art .There are many literary works in Tamil which depict woman in an exclusive way. The information about this in the aganoolgal in sanga Ilakkiyam was very vast in its nature. That was meant to be a tool for analyzing the role of women at that particular period. The topic of the research is **Ettuthogai aganoolgal suttum Magalir** and contains five chapters.The first Chapter is **"Samoogaviyal Paarvaiyil Pulamum Aga Ilakkiyangalum"** This poet deals with the division of four types of Land, its form, and the people who lived in that land especially women, and their structured life of Agavaazhkai and puravaazhakai.

The second chapter is**"Magalir Kalavozhuka Nilai"** This part includes all the majestic female characters who are involved in 'Kalavozhaka Nillai'such as Thozhi, Sevili, Natraai .**The third chapter is "Magalir Karpozhaka Nilai"** This part deals with all the female characters especially paraththai, kaamakizhathi and their characteristics in "Karpozhaka Nilai".**The fourth chapter is "Magalir pira Nilai"** In this part, the women who doesn't involves in "kalavu and Karpu" is explained in a detailed manner.**The fifth chapter is "Magalir Andrum Indrum"** It explains all about the life of and differences among women from the time period of Sangam till the present period.

Dr. S. Vidhya
Assistant Professor
Department of Chemistry

Ph.D. ABSTRACT

Evaluation of plant extracts as corrosion inhibitors for mild steel and as reductants for green synthesis of gold nanoparticles.

Mild steel is one of the major construction materials, which is extensively used in chemical and allied industries for the handling of acid, alkali and salt solutions. Hydrochloric acid is the solvent most often employed for chemical cleaning. It attacks a wide range of scales. This acid is very corrosive to most of the common metals and alloys. The use of inhibitors is one of the best options of protecting metals and alloys against corrosion. The aim of the work is to study the development of cheap, non-toxic and eco-friendly inhibitor systems which function efficiently for the corrosion control of mild steel in 0.5M HCl and as a reducing agent for the synthesis of gold nanoparticles. This study evaluates the inhibition efficiency of leaves of Terminalia chebula, Bougainvillea glabra, Momordica charantia and Solanum nigrum on the inhibition of corrosion of mild steel in acidic medium. The effect of duration of immersion and the influence of temperature on the inhibition efficiency of inhibitor systems are studied by mass-loss methods. The adsorption of the extract molecules on the steel surface obeys Langmuir adsorption isotherm and occurs spontaneously. The activation energy and thermodynamic parameters for the inhibition process are calculated. These thermodynamic parameters shows strong interaction between inhibitor and mild steel surface. In order to investigate the nature of the protective film UV-visible spectroscopy, Scanning electron microscopy, FTIR spectroscopy and AC impedance spectroscopy have been used in the present study. Polarisation techniques have been used to determine the nature of inhibitors. Based on the results obtained from the mass-loss methods, polarisation studies and surface analysis studies a suitable mechanism for the corrosion inhibition has been proposed.

The study reveals that all the extracts exhibit good inhibition efficiency in acidic medium. The results of mass-loss method show that all the four inhibitors chosen are effective in 0.5M HCl medium. The order of inhibition efficiency in 0.5 M HCl is Momordica charantia (95.25%) > Solanum nigrum (90.97%) > Terminalia chebula (87.26%) > Bougainvillea glabra (82.4%). The increase in the energy of activation and enthalpy of activation value of the four inhibitors is attributed to the formation of the film on the metal surface which retards the corrosion process. Results of the polarisation studies show that all the inhibitors behave as predominantly cathodic inhibitor.

A novel technique for biosynthesis of gold nanoparticles (GNPs) using all the four extracts as a reductant, offers a green route for the synthesis of GNPs. All extracts have the ability to act as a reductant for the synthesis of gold nanoparticles.

The synthesized GNPs are characterized by UV–Vis Spectrophotometer, TEM, EDAX, FTIR and XRD. The immediate change in color from pale yellow to ruby red indicated the reduction of Au^{3+} ions to Au^{0}. Surface Plasmon resonance (SPR) bands of the colloids are centered at 500–600 nm. Energy dispersive X-ray (EDAX) spectrometer confirmed the presence of elemental gold signal of gold nanoparticles. The nanoparticles are found to be highly crystalline as evidenced by the peaks in the XRD pattern corresponding to Bragg reflections from the (1 1 1), (2 0 0), (2 2 0) and (3 1 1) planes of the fcc structure.

Dr. Fr. Joseph A Rozario
Assistant Professor
Department of Visual Communication

ADIEU

Dr. Fr. Joseph A. Rozario has always strived hard to take the institution to greater levels of success, wielding the twin wands of discipline and diligence. He has rendered nine years of fruitful, dedicated service to the college. Polite and patient Fr. Rozario has always been zealous to reach out to those in need. He always kept himself refurbished with the new changes in the realm of education. He helped his students and colleagues tide difficult times with his prized and effective suggestions.

Being a beautiful blend of energy, honesty and love, Dr. Fr. Joseph A. Rozario was an inspirational father figure for everyone. He has earned many admirers among students because of his kind and prudent manner of dealing with them. Dr. Fr. Joseph A. Rozario left no stone unturned to bring out the fire within the students for the whole world to see them shine with their God given glory. His endless endurance, magical motivation and nice nature has touched the lives of all whom he met.

Dr. Fr. Joseph A. Rozario's life was rooted in God, stemmed from an innate goodness and blossomed with love for the Almighty Father's children. May God's choicest blessings be upon him as he continues doing the Lord's work.

Dr. Felicia Rajammal Selvarani
Head and Associate Professor of Chemistry

ADIEU

Dr. Felicia Rajammal Selvarani has successfully completed a marathon of 36 years of fruitful service in our esteemed institution.A sterling student by nature , she did her B.Sc. at Government Arts College, Thanjavur, completed her post graduation at Seethalakshmi Ramaswamy College, Tiruchirappalli and was awarded Ph.D from Madurai Kamaraj University, Madurai. She joined the department of Chemistry as a lecturer in the year 1981 and was at the helm of affairs as the head of the department for four years from 2013 –2017.

Dr. Felicia's strength stems from her unwavering faith in God .Her indomitable will power and strong convictions have sown the seeds of ethical values in the human hearts. She is admired for the fearlessness in her thoughts, the candidness in her words and the bravura in her actions. Her organizational skills are remarkable. Never seen to be ruffled, she could handle any situation. She always extended a helping hand to those in need and her feet were always willing to walk the extra mile for the sake of righteousness.

Dr. Felicia holds wide knowledge in all branches of chemistry and is a maestro in the supreme art of teaching. Her expertise in physical chemistry and research has benefitted the student community both inside and outside the college to a great extent. Dr. Felicia is a living testimony to the fact that the destiny of hard work is success. Her contribution towards the framing of the syllabi and the scrutiny of internal question papers are quite commendable. She has an unquenchable thirst for research and always spurs her colleagues to get hands on training in various instrumentation techniques in chemistry. She is largely responsible for improving the infra structure of the department. To her credit, she has published many research articles in reputed national and international journals and has also guided M.Phil and Ph.D scholars. Dr. Felicia has the distinction of producing the first Ph.D candidate in the department.

Dr. Felicia has borne the onus of the various duties assigned to her with great flair and finesse. She has been the general staff club secretary, Star college co-coordinator, doctoral committee member in Holy Cross College, member of board of studies for UG, Bharathidasan University, Tiruchirappalli and NAAC core committee member for second and third cycles of Accreditation. As a very active member of the union, she has held the post of state vice president and zonal chairman in teachers' organization. She has fought for the rights of the faculty members far and wide. The training programme conducted for postgraduate teachers on "Micro scale experiments with green techniques" and the subsequent release of lab manual in 2013-2014 reflects her eco-friendly nature. To promote chemical sciences at school and college level, she conducted "CHEM EXPO 2014", inter collegiate competitions and exhibitions. She combined her expertise with the knowledge acquired abroad in introducing virtual laboratory experiments. She has been instrumental in organizing several International and National conferences.An awareness programme on "Safety and Handling of chemicals in chemistry laboratory" shows her concern for non-teaching staff. She organized "International Scientist Meet" to motivate the students to pursue research as a career.

We pray for God's abundant blessings to be showered upon Dr. Felicia Rajammal and her family and hope that life continues to greet her with more successes in all her future endeavors.

Ms. S. Imelda Samathanam Evangeline
Associate Professor
Department of Mathematics

ADIEU

Ms. S. Imelda Samathanam Evangeline has rendered her fruitful service to this institution for more than 35 years. Her enchanting smile and her consistent kindness are the trademarks of her magnetic mien.

Ms.Evangeline is a proud alumna of our college. Her keen involvement in the subject of Mathematics and painstaking efforts taken to mould the young minds is laudable. She has a passion for Pure Mathematics and has succeeded in passing on the same fervour to her students.

When she took the reins as the head of the department she steered the department towards escalating academic growth and acted as a beacon to forge better interpersonal relationships. Ms. Evangeline blazed the trail as she initiated the formation of prayer cell in the department to cater to the prayer needs of students and staff. She always insisted upon punctuality, sincerity and discipline in any teamwork that she was a part of.

Ms.Evangeline has successfully shouldered many responsibilities as the Mathematics Association Secretary and the Genius Club Secretary, the staff in charge of noon-meal scheme, the staff club secretary and staff in charge of prayer meetings. She has been a role model to her students in all aspects to be successful future leaders. Her dedication in grooming the students for any participatory event like Fine-arts, Sports day or Bible day has brought continuous overall shields to the department of Mathematics. Ms.Evangeline has been invited by many reputed institutions to share her valuable ingeniousness as a resource person.

Ms.Evangeline is quintessentially an ardent devotee of Jesus Christ and follows His footsteps in every way possible to her. Her unflagging faith in Christ has acted as a leverage to imbue in young minds the merciful love of God. Her indefatigable involvement to solve personal problems among people around her, specially the youth is admirable.

Ms. S. Imelda Samathanam Evangeline has been an active agent of benefaction in almost all the charitable activities of this prestigious institution .Hats off to her for her untiring and dedicated service not just in the realm of education but also in the mission of being a true Christian.

Evangelism is embedded in her name and inherent in her soul .So our prayer for her is that the Lord may grant her the buoyancy of physical strength and the exuberance of spirit to help her gracefully carry on in her divine mission entrusted to her.

Dr. Pushparani
Associate Professor
Department of Commerce

ADIEU

Dr. Pushparani's passionate tenure of selfless service in the our institution touches the twilight after almost 35 luminous years. The number of momentous moments in her professional frontier are way too many to be recorded here in this short space, hence here are just a few trophies to showcase her tremendous talent and her boundless spirit of commitment. She is the proud recipient of numerous notable awards like Shikhsa Rattan Puraskar and Special Award from the Government of Tamil Nadu at the State Level for the Citizen Consumer Club activities for the year 2010 ,to mention just a few.

The number of conferences and workshops Dr.Pushparani has attended , are like the numerous grains of sand in the vast shore of her lore. From the United Kingdom in the west to Singapore in the east, Dr.Pushparani has been all around the world garnering knowledge and disseminating her valuable expertise by presenting and publishing papers of sterling merit ,chiefly in the subjects of Management Research and Marketing ,both of which are her cup of tea. Due to her erudition and competency Dr. Pushparani had the honour of being integrated as a member of the influential IMC assessment team (Indian Merchant's Chamber of Commerce) as well as the prestigious NAAC assessment team.

Dr.Pushparani has gracefully borne the onus of several responsible positions like being the Dean of Arts, Head of the Department, core member of IQAC, member of Curriculum Development cell, staff advisor to EXNORA and Consumers Club. She could be called the founding mother of the Department of Business Administration and for the Parents Forum as she was the Staff Co-ordinator who lent her valuable guidance during the early years of their formation.

She is not just the queen of flowers as her name translates into but also the elegant empress who rules over countless hearts ranging from those of family, colleagues ,students to all the readers or viewers to whom she speaks of God, be it through the books penned by her or her invigorating homilies. Dr.Pushparani is the prototype of the quintessential good woman mentioned in the bible whose price is far above rubies ,for she not just preaches God's word but also practices and feeds God's words to the spiritually starved. Evangelism is her passion and Dr.Pushparani is a spry labourer in the vineyard of the Lord who works assiduously at increasing the Master's harvest by planting the seeds of His life giving word in people's hearts.

May Dr. Pushparani continue to be a soul winner for the good God and may He reward her and her family bounteously with His everlasting grace and mercy.

Sr. Lizy George
Assistant Professor
Department of French

ADIEU

Rev. Sr. Lizy George, the Head of the Department of French, having completed twenty years of untiring service in the premises of Holy Cross College, never failed to tread the path of the Lord. Submitting herself to the command of the Lord, her teaching fell like the gentle rain on tender plants.

Born in Kerala -God's own country, she is the second of the eight gems in her family. She pursued her graduation in Holy Cross College and later, pursued her B.Ed in Chennai and also worked there. Holding on to the belief that service was joy she joined the congregation in 1985.

"Never remain under anyone's shadow in life – except for a great teacher's".Her shadow is large indeed for she has chiseled students in numerous schools with her singular way of teaching. She etched her purposeful and devoted service in the Department of French from 1997. She didn't possess the Eiffel tower or French macaroons, but tutored French from her heart which helped her carve a niche for herself in the hearts of her students.

The seasons may fail to pursue the appointed course, but Sr. Lizy George who is a very methodical person in all that she does, is unknown to chaos and disorder. Being a hard core perfectionist, she runs along with the arms of the clock. Harsh winters and drought may make the trees wither their leaves, but irrespective all hurdles strewn on her path, she braves all odds with the single determination to teach her students, whom she loves above all.

She has been bestowed with the gifts of poise, dignity, and refinement. Every action undertaken by her is refined, molded and beaten to perfection until no more luster can be added. She strives hard to unearth the concealed creativity of her students. The artistic persona of her own self is revealed through the unveiling of "Holfrest"- a cultural extravaganza, an exquisite French feast capable of quenching all aesthetic senses. It is a picturesque product of her own innovative self, which includes a medley of competitions.

Sr. Lizy George has decorated almost all positions with her gracious and serene presence. She exposed her unconditional and infinite love and proved herself to be a good critic and the strongest supporter of all students during her tenure as the hostel head warden for two years. She also served as pulsating Vice-principal, and has also shouldered the towering responsibility of being the Controller of Examinations.

As you now step into the longest vacation of life dear Sister ,we wish you a tranquil and blessed retired life.

Dr. Juliet Vinolini
Associate Professor
Department of English

ADIEU

Wonderful people make us realize that life is worth living and one such person overflowing with brightness, radiance and goodness is Dr. Juliet Vinolini an inspiring teacher who has spent 22 years, teaching and moulding students in the portals of Holy Cross College. The quote "True beauty is a warm heart, a kind soul and an attentive ear" sums up her character. She is a beautiful person who stays true to herself and whose self confidence makes others smile.

Dr. Juliet Vinolini embraced the teaching profession with all her heart. As a teacher she resembles a rare gem, which is hard to find. She teaches and creates in her students an interest to study, just by waving the magic wand of love. She takes care of the all round development of her students – helping them to gear up after a fall, wiping tears from their eyes and teaching them to see a silver lining in every dark cloud.

Dr. Juliet Vinolini is gentle and graceful in her approach towards others. She is truly an obedient daughter of God and this unshakable belief in the Almighty makes her radiate her Masters will in every action she accomplishes in this world. No wonder her silent but thoughtful actions, touching but memorable deeds catapult the meaningful existence of her life.

In this journey at Holy Cross College Dr. Juliet Vinolini has taken up myriad responsibilities like being the Rotaract In –Charge for ten years , for which she received the Paul Harrison Award for her dedicated service to the Rotary Club, Tiruchirappalli ; Staff- Club In- charge ; Literary Association In-charge ; Member in NAAC Commitee and for many years she shouldered the responsibility of being the Class teacher for many batches of students. She executed all her duties sincerely and with dedication. Her positive attitude has helped her cross many miles and difficult pathways in life.

One cannot miss her first name Juliet for the Shakespearean namesake's beauty grace and gentleness resonates in her character. Her language has a charisma and class that keeps her students spell bound. Indeed it is right to call her a timeless classic! Her child like smile and compassionate eyes prove that she is an epitome of unconditional love.

May the Lord who is the anchor of her life, continue to bless her and her family at all times with good health and peace.

NATURE'S WAY

Upon a nice mid-spring day,
Let's take a look at nature's way,
Breathe the scent of cool fresh air,
Feel the breeze within your hair.
The grass will poke between your toes,
Smell the flowers with your nose,
Clouds form shapes within the skies,
And light will glisten from your eyes.
Hear the buzzing of the bees,
Climb the tallest willow trees,
Look across the meadow way,
And you shall see a young deer play.
Pick the daisies as they grow,
Watch a gentle cold stream flow.
Know the sounds of water splash,
Catch its glimmer in a flash.
When everything around seems sound,
Lay yourself upon the ground,
Take a moment to inhale,
And listen to nature tell her tale....

SKY

Hey Sky! You're in blue,
You're home for clouds;
You're a display for rainbows;
You give happiness to everyone.
You're a giant tent of the world,
Sun gives the light through you!
Stars twinkle in night through you!
You hadn't outline and outset but,
You're outright and outshine.
You're a perennial kin and princely kith.
You're a lonely companion and
Magnanimous magnate.
Dawn and dusk, rain or shine,
your made it perfectly;
How amazing you are!
Wonderful sky we bow to you!!!

NATURE - DIVINE BEAUTY

Nature is a fountain of divine beauty.It gives us pleasure and joy. Nature is the blessing for humanity.It provides us the basic needs to survive. Nature is a source of positive energy and vibration. Some of the beauties of nature include the smiling of flowers,the sound of waves, the colourful butterflies, the mountains, dancing winds etc. I always like to spend time with nature and spend most of my time in my garden admiring the beautiful flowers and plants. I consider nature as my friend. It gives me happiness and a very divine feeling. Sometimes we are too busy to discover the beauty of nature ,we have no time to listen to the singing of birds,to watch the clouds moving ,to look at the beauty of stars at night, the lovely sight of the rainbow. Humans are more and more dependant on nature; we should realize how important the trees ,grass, and sky really are. In this busy world we often dont spend enough time to discover the beauty of nature instead we run after money and material things with give only temporary happiness. I have a special bonding with nature. We should be grateful to nature lifelong because nature provides us everything unconditionally without expecting anything in return. People often manipulate environment so they fail to see the beauty of simple things. Nature gives me a serene feel. The greenery helps us to relax and forget all our stress and problems. Watching sunrise and sunset, observing birds in flight and gazing stars at night helps us to understand the beauty of God's Creation. We should understand the worth of this precious gift given by God without polluting it and preserve it for our future generation.

F. Aseeha
II Biochemistry

OUR MOTHER NATURE

Nature is the most beautiful and pleasant environment around us. It makes us live happy and healthy. It provides us a lot of resources. It is the precious gift from God to us. But it is sad to say that such beautiful gifts of God are declining.

Nature includes trees. Trees play a key role in maintaining life on earth. Man on earth is indebted to trees for the oxygen they release during the day time. Trees gives us rainfall. They stop floods and prevent soil erosion.

Nature provides food for man and fodder for animals. The by-products of nature provide clothing, shelter, furniture, etc. Fire wood is one of the chief sources of fuel. Petroleum, paper and all major products which man depend on are derived from nature.

In all schools and colleges, the importance of nature club must be insisted. They must try to promote students' interest in nature and activities related to it. Students must be inquisitive to learn about nature. Inter-school, Inter-college quiz, culturals, awareness programs, exhibitions, planting of saplings must be conducted in nature clubs to promote their interests and ideas.Over population has been one of the major problems that all developing countries face. This is one of the major factors which leads to destruction of nature.

Natural disasters are frequent in our country. Flood, drought, land sliding, Tsunami, etc. are the major natural disasters. Every year the government spends a large sum of money for the rehabilitation of the victims. Relief camps are opened. Food and medicines made available to the needy. Man-made disasters can be controlled whereas we have no control over the natural ones. Natural disasters leave man helpless. His life is spoilt. In fact, such disasters reminds him that he is at the mercy of nature.

Our culture and civilization has taught us to love and respect nature. We are dependent on it. We must thank God for the marvelous beauty He has given us. Our culture always treats nature as equal to God. Because of urbanization, nature is being ruined. In olden days, people respected agriculture. They led a simple life. But today, fashion and technology dominates us. Nature is being destroyed for every posh product we are using today.Green is the prime colour on earth.Let it flourish to the fullest. Nature cares for us. So we must rejoice and cherish our Mother Earth.

KEEP CALM; SAVE NATURE

Look deep into nature, and then you will understand everything better'. – **ALBERT EINSTEIN**

Nature is God's wonderful creation. It is a gift given to us from God. He has given it in our hands to protect and enjoy it. In this article I have written about the latest issue **'Oil spill near Kamarajar Port, Ennore, Chennai'.**

The incident took place on 28th January 2017 because of the collision between two ships, MT BW Maple and MT Kancheepuram near the Kamarajar Port in Ennore, Chennai.

An oil spill can be defined as the accidental release of liquid petroleum hydrocarbon due to human activity. An oil spill is a form of pollution that has a devasting effect on the environment.

There are various notable effects caused by oil spills. Harsh effects that oil has on the coastline or shoreline are the highly visible parts of an oil spill. Unless a concerted effort to clean up the shoreline is made, the oil basically stays on the shore until the weather and time breaks it down, a process that is extremely slow.

Shorelines provide nurseries for fish and marine life; by contaminating the shoreline the oil poses a threat and is dangerous to the marine life in the area. Marine mammals such as dolphins, seals, whales etc. are killed by oil spills.

The blow holes of whales, of dolphins are sometimes blocked by the oil, making it hard for these animals to breath. Oil also coats the fur of otters and seals leaving them vulnerable to hypothermia.

Skimming is the popular method to get rid of this pollution. It involves cleaning oil spills by skimming equipment with fine filtering instruments. Use of dispersants is another method that can offer a solution.

Accordingly in Chennai, a massive cleanup operation was launched. Three super suckers and submersible pumps were deployed to remove the oil spill. The coast guard also sprayed oil spill dispersants for removal of oil slick. ICGS varad with TC-3 and 2,000 litres of oil spill dispersant (OSD) sailed out and neutralized the remaining oil slick near the Chennai lighthouse.

More than 90% of the work was completed and most of the residual work was expected to be completed in a couple of days.

Thus oil spills can have disastrous consequences for society, economically; environmentally and socially. So let us prevent this happening.

LET US PROTECT OUR NATURE.

SUBHAPRIYA.S.P,
II B.Sc MATHS 'A' S-I

Nature is everything, nature is everywhere.

I am not such of a person who cares to save our 'mother' nature.But an incident forced me to reveal myself to me. In my school,when I was in grade 10,soon after the assembly, I encountered this which made such an impact in my life and within me. I saw a boy plucking the floral leaves of plants alongside the entrance of the main block, for no appropriate reason. He was passing by and couldn't hold his hands to himself. A girl claimed these plants are more than a family who welcomes us daily, cheering up all of us to have a wonderful day filled with success and blissfulness. Instead of nurturing them, we disturb them by breaking the twigs. It is as cruel as cutting the fingers of one of our family members. We all should understand that we all are the children of our 'mother' nature. Nature will not only be distressed but over a period of time, if we continue to hurt in other forms, we may have to face the consequences and our future generations will face it for sure. Every individual should spend some time in observing and enjoying nature which cannot be artificially made by anyone. As of now we should atleast try to protect nature, because even today is a day to change and not too late for a change. Everyone should try to do our part to keep nature beautiful forever. Nature needs care and that care can only be given by us, human beings. Nature is the best thing created by the Lord and we believe that humans are made only after nature was created. So I strongly believe that we are sent for the sole purpose of protecting her.

S.Rashika
II B.Com 'B'

"Are we really grateful for what we receive?",

" Do we really cherish what we get?","do we protect what is given to us?". All these questions have always come to my mind whenever I see people cutting down trees or wasting water. But I was never able to come out with an answer. I live in an apartment and next door lives a family. And my neighbour is a typical metropolitan citizen who gets irritated for petty things. He always refers to the normal natural activities as troublesome. He gets irritated if the dry leaves dirty his car parked under the tree, he shouts at the gardener if the grass and weeds are not cleared up from the path way and, gets angry when the thorns of the rose garland meets his fingers and also beats all the dogs which pee on his compound wall. But surprisingly his daughter loved plants,trees and nature on the whole. One day when his daughter was away at school he cut down all the plants which she grew without her knowledge, claiming that it is the cause of mosquitoes. And when his daughter returned home and learnt about this she was heartbroken. She just said few things with tears rolling down her cheek that not only hammered a nail on her father's head but also answered my questions "Dad, you always feel you are gracious and act as if you are irritated with nature's disturbance. But actually it is not so. It is you who dirty the environment with your car's smoke and not nature which dirties your car. it is you who disturb the growth of nature, constructed a house by encroaching the place of nature and yet get everything from it without it's permission and above all you think it is nature which seeks for an accommodation in your space,but it is the nature which has accommodated you in it.you are a nuisance to every plant, tree and animal around here, not nature said the little girl. Now my questions are answered. what about your questions?

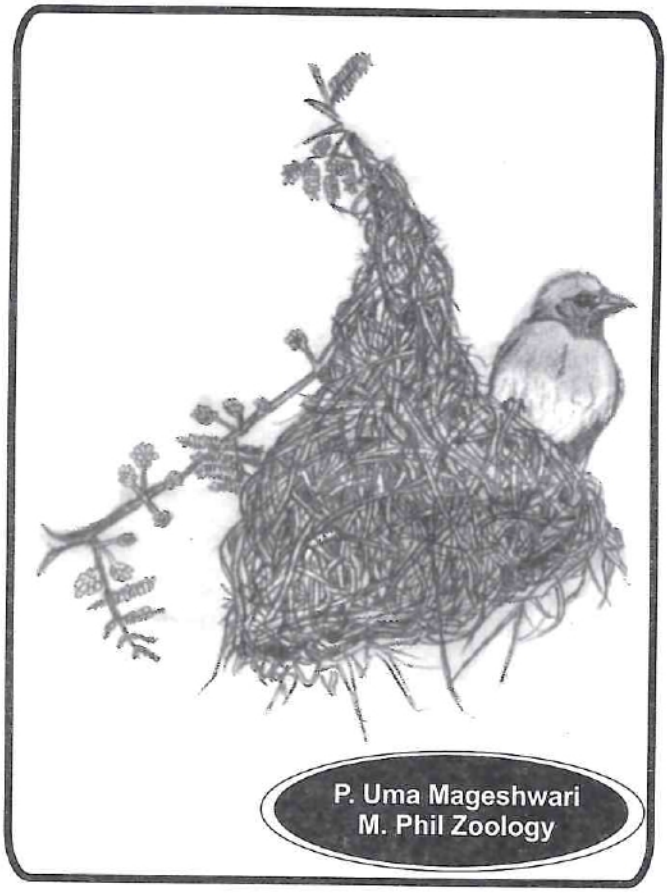
THE UNGUARDED VERDURE

Treeless lands, eroding soil
With hardly any rain,
Soaring temperature without toil,
Whom are we to blame?

Desperate search for water,
Terribly parched land
No time for ease or laughter,
Vegetation deep under the sand.

Agriculture turned into history,
And diseases exalted with crowns
Famine, thirst and misery
Greeted with unpleasant frowns.



P. Uma Mageshwari
M. Phil Zoology

As future starts to unfold
It is time we take measures,
Before anything could vanish untold
By preserving earth's treasures.

Plant trees and save the day,
Destroy anything that hinders
Respire oxygen the real way,
Not from filled cylinders.

Poem About Nature

The beauty of the sunset, tells us something each day, that another day has ended today.

The beauty of sunrise, tells us this day is here to stay, the wind blowing on the face , tells us life is a running race. So, get inspired by nature each day, to make your way.

Our fundamental origins immeasurable worth, beautiful by default, born of the earth, we abuse and destroy it, Despite it all it gives. But nature is powerful, It surrounds us. It lives.

The Wonder of Nature

Nature! Nature! So lush and green,
The wonder of wonder anyone has seen.
So cool, calm & full of life
Makes us forget all our strife.
Think of a forest full of trees.
Fluttering and dancing in the braze.
Cut them down & Construct towers,
Wait for ages to get a shower.
We have got such wonderful things,
Do what your can and save a wing.

M. Asmita
III B.Sc. Chemistry - 'A'

SPRING

In the early part of spring,
You will hear, many birds sing.
They are just letting, the rest of us know,
Winter is Over, spring melted the snow.
You will notice, a beautiful scene,
The trees will slowly, begin to fum green.
Chipmunks and bunnies will come out and play,
Bears will no longer, sleep during the day.
It's exciting, when spring finally arrives,
Bees will make honey, inside their hives.
So much to do, so much to see,
Insects and animals, are happy and free.

NATURE

Our physical world, respect and explore,
Where water meets Land; a beautiful shore.
Mountain we conquer, look down in awe,
If you're an artist, make sure you draw.
Nature exciting, adventurously new,
Much more to see, than a sky that is blue.
It offers so much, open your eyes,
Hope of today, with every sunrise.
Nature shall feed, body and soul,
Some call it home, others a hole.
Memories are nurtured, when nature reveals,
Sharing its pleasure, amazing it feels.

A MIRROR TO NATURE

The breeze is asking me to come and play,
The rain drops are wishing me a good day!
The sea is so deep and intense,
The many gardens and the fence.
The sound of the waves are so sweet,
The cool winds and the beat,
Keep listening to it,
Looking at the sea, for hours you can sit!
The natural beauty of nature has so much to say,
The beautiful crossroads and long way,
The nature has its charm,
Keep it safe and do not harm!
The wind blowing on the face,
Tells us that life is a running race!
God makes beauty in many forms,
Through sun, rain and thunderstorms!
In autumn, the leaves become dry,
Which makes us to whimper and cry!
The merry of the fishes living in the pond,
With whom I'm in a close bond!
Take a walk with mother nature,
Please don't destroy God's creature.

- Aakifah

இயற்கைத்தாயே எங்குச் சென்றாய் ?

நான் மடித்தவழும் போதே என்னை தூக்கி
அரவணைத்தவளே என் இயற்கைத் தாய் !
நான் வெயிலில் நிற்கின்றேன் என்று
கோடையிலும் எனக்காக குடையாக
மாறியவள் என் இயற்கைத்தாய் !
நான் களைப்பாறக் கருவாக உருவெடுத்து
இடியுடன் சண்டைப்போட்டு மழையாக
வருபவளே என் இயற்கைத்தாய் !
நான் தூங்கும்போது தன் ஐம்பூதங்களையும்
தன் ஐவிரலில் அடைத்து என்னை
தாலாட்டுப்பவளே என் இயற்கைத்தாய் !
தலையில் நான் பூச்சூட தையில் மொட்டுகளை
மலரச் செய்பவளே என் இயற்கைத் தாய்!
நான் விழித்துக் கொண்டிருக்கும் போதே
தொலைத்து விட்டேன் என் இயற்கைத் தாயை
அவள் முகவரி என்னிடம் இல்லை

அவளைப் பற்றிய முகவரியைக் கூட
சொல்லத் தெரியாத - மழலை நான்
அவளைப் பற்றிய அங்க அடையாளம் மட்டுமே
தெரியும் - மழலை நான்
அவள் பசுமையான பச்சை நிலங்களைத்
தன் சேலையாக அணிந்து இருப்பாள்
அவளின் கோபம் கோடைக்காலமாக மாறும்
அவளின் மூச்சுக்காற்று பருவக்காலமாக மாறும்
அவளின் சிரிப்பு குளிர்காலமாக மாறும்
என் அன்னையைத் தொலைத்த
அநாதை நான்
என் பாட்டன் தந்த இயற்கைத்தாயை
தொலைத்து விட்டேன் இந்த அநாதை
என் மகனுக்கும் என் பேரனுக்கும்
என்ன பதில் சொல்வேன் ?
என் இயற்கைத்தாயைக் கண்டுப்பிடித்து
என்னிடம் தந்துவிடுங்கள் !

இப்படிக்கு,
இயற்கைத்தாயின் இளையமகள்,
கா. சந்திராகாமராஜ்
பி.ஏ. வரலாறு - முதலாம் ஆண்டு

இயற்கை

செயற்கையும் முயற்சித்துக் கொண்டு தான் இருக்கிறது
இயற்கையின் அழகை ஜெயித்து விடலாம் என்று
என்ன ஒரு முட்டாள் தனம் !
செயற்கை உருக்கொடுத்த அழகு பூச்சிகள் அறியுமா ?
எந்தன் இயற்கைத் தாயின் மூலிகை வாசத்தை
செயற்கையாய் படைத்த மனித சக்தியை விட
எந்தன் இயற்கை தாயைப் படைத்த
தெய்வச் சக்தி மேலானது அல்லவா ?
வெள்ளைத்தாளில் சூரியன் வரைந்து பழகிய
மனிதா - நீ அறியவில்லையா ?
நீலவானத்தில் இயற்கை தாய் வரைந்து வைத்த
விண்மீன் கூட்டங்களை
மனிதா,
நீ இயற்கையைத் தரைமட்டமாக்கு
செயற்கையைக் கட்டிடமாய் எழுப்பிக் கொண்டிருக்கிறாய் !
செயற்கை அழிந்துப் போகும் ஒரு நாள்
இயற்கை வாழ வைக்கும் பல நாள்
நீயும் உணர்ந்துக் கொள்
நீயும் ஒரு அழகான இயற்கை என்று.....

எத்தனைக் கோடி இன்பம் வைத்தாய் இறைவா !

காலைக் கதிரவன் சோம்பல் முறிக்க ...
மாலை மதி மனம் பறிக்க ...
மழைப் பொழிந்தது மண் வாசனை வீச
அல்லிப் பூவிதழ் விரிக்க ...
அதில் வண்டு வந்து தேனை சுவைக்க ...
விளைந்த பயிர் பார்த்து விவசாயிப் பூரிக்க ...
இதைப் பார்த்த மனம் கவலை மறக்க ...
இறைவன் படைத்த இன்பத்தைக் குலைத்தேன்
என் இதயம் துடிக்க ...
அப்பொழுது தாய் போல் வந்த தென்றல்
என்னை அரவணைக்க ...
என் மனம் மகிழ்ச்சியில் திளைக்க ...
இறைவனிடம் வேண்டினேன் – இன்னொரு
ஜென்மம் கொடுக்க ...
இறைவன் கேட்டான் – எதற்கென்று
இனியாவது 'உழை' என்றான்
இயற்கைப் பிழைக்க ...
புத்துலகுப் படைக்க ...
இயற்கை வளம் செழிக்க ...
இப்புவி வாழ்வு சிறக்க ...
இயற்கையோடு இணைவோம்.

ஜா. ஜெனோவா

தாய்

கவிதை எழுத
கையில் பேனாவுடன்
அமர்ந்தேன் !!!
கடவுள் படைத்த
காவியமான இயற்கையே
வார்த்தையாய் உருவெடுத்து
கவிதையாய் நின்றது !!!
காலையில் கண்விழித்து
இருபொழுதும் இமை மூடாமல்
உலகிற்கு ஒளிக் கொடுத்து
ஒரு தாய் போல்
நிலவுக்கு ஒளி ஊட்டி
வாழ்வு தரும் 'சூரியன்'
இரவிலே முகம் காட்டி
தனக்கு ஒளிக் கொடுக்கும்
கதிரவனுக்கு ஓய்வு கொடுத்து
தினம் தினம் தேய்ந்து
மறையும் 'நிலவு'
உயரமான மலையிலிருந்து
ஓடி வந்து ...
முலிகைக் குணத்தைப் பெற்று
வறண்ட ஆறுகள் அனைத்திற்கும்
வாழ்வு தந்து
உழவுக்கு உதவி
உயிரை(யும்) காத்து
தினாக கடலில்
சேரும் அருவிகளும், ஆறுகளும்

கரையும் காகமும்
கூவும் குயிலும்
ஆடும் மயிலும்
மணம் வீசும் மலரும்
துள்ளித் தீரியும் மானும்
வாழும் 'காடு'
பத்து மாதம் மட்டுமே
வாழும் கருவறை புனிதமானது
என்றால் !!!
ஆயுள் முழுவதும் நம்மை
வாழ வைக்கும் இந்த
இயற்கையும் ஓர்
கருவறை தானே !!!
ஆம் !!!
பூமித்தாயின் கருவறை.
பாலூட்டும் தாய் மட்டும்
நமக்கு தெய்வம் அல்ல
வாழ்வதற்கு சுவாசம்
தரும் இயற்கையும்
ஒரு தாய் தான் !!!

அ. ஜென்சி பிரிச்சில்லா
I. உயிர் வேதியியல்

இயற்கை

எதை இயற்கை என்பேன் ...

மழக்க முடியா போர்வை போல் விரிந்த வானத்தையும் ,

முத்துப் போல் மழையைத் தருகின்ற மேகத்தையும் ,

அப்பாவாக உழைக்கும் சூரியனும் , அம்மாவாக

அதன் ஒளியில் வாழும் நிலாவும் ,

இவர்களின் பிள்ளையாக நட்சத்திரமும் வாழ்கின்றன ...

இவற்றை இயற்கை என்பதா ?

தாயின் மனதை போல் விரிந்த கடலையும் ,

குழந்தைப் போல் ஓடி விளையாடும் அலையை ...

இயற்கை என்பதா ?

கடலுக்குள் உலகமாய் இருக்கும் விலங்குகளையும்,

அதிசய தாவரங்களையும், செடிகளையும் ...

இயற்கை என்பதா ?

கூட்டுக் குடும்பமாய் வாழ எடுத்துக்காட்டாக உள்ள மண்ணை இயற்கை என்பதா ?

ஓயாமல் சுற்றிக் கொண்டிருக்கும் பூமியை போல

ஓயாமல் கொட்டிக் கொண்டிருக்கும் அருவியை ...

இயற்கை என்பதா ?

எதை இயற்கை என்று சொல்வேன் ...

இயற்(கை) என்பதில் உள்ள 'கை'

இயற்கையின் பாதுகாப்பிற்காக மாறட்டும் ...

இயற்கை வளரட்டும் ...

இப்படிக்கு ...

OBITUARY

Ms. Mary Alice. S
Former Superintendent.(S.G)

மண் மலர்! விண் விளக்கு!

ஆம்! புனித சிலுவை கல்லூரி தான் அவரின் மூச்சு. அதே எண்ணங்களோடு தான், தன் ஓய்வு நாளையும் கழித்து 79ஆம் வயதில் இறையடி சேர்ந்தவர். ஆம், அவர் தான் கண்காணிப்பாளராக பணிஒய்வு பெற்ற நம் ஆலிஸ் அக்கா அவர்கள். இக்கல்லூரி அலுவலகத்தில் 36 ஆண்டுகள் பணிபுரிந்தவர். அதிலும் முக்கியமாக கண்காணிப்பாளர் பதவியில் 10 ஆண்டுகள் பணிபுரிந்தவர் என்பது சிறப்பிற்குரியது.

அன்பும், அரவணைப்பும் அவரிடம் உண்டு. கடமையை அர்ப்பண வாழ்வாக மாற்றிக் கொண்டவர். திருமணம் செய்து கொள்ளாமல், கல்லூரிக்காக, தன் நலம் பாராது உழைத்தவர். கால, நேரம் பாராது கையில் சாவிக்கொத்துடன், அது இரவாயிருந்தாலும், பேருந்து சுற்றுலாவுக்கு செல்லும்போதெல்லாம் கண்விழித்து சாவிக்கொடுத்து திரும்பியதும், அதைப் பெற்றுக் கொள்வதிலும், ஓட்டுநர் மற்றும் பேருந்தில் பணிபுரிபவர்களிடம் தன் அன்பையும் கண்டிப்பையும் காட்டி, அன்புடன் ஒழுங்கையும் கடைப்பிடிக்கச் செய்வார். ஆலிஸ் அக்கா தன் அறையை விட்டு வெளியே வந்தால் அது காலை 8.30 மணி என்று புரிந்து கொள்ளலாம். அதுமட்டுமின்றி காலை 8.30 மணிக்கு கல்லூரி அலுவலகத்தில் நுழைபவர் இரவு 8.30 மணிக்குத் தான் தன் அறைக்கு மீண்டும் செல்வார். அது வரை கல்லூரி அலுவலகம் தான் அவரின் உலகம்.அவரின் தனித்தன்மையே அருட்சகோதரிகள் யாராயிருந்தாலும் அவர்களின் பிறந்த நாள் , பெயர் கொண்ட திருவிழாக்களை மனதில் வைத்துக் கொண்டு அவர்களுக்கு வாழ்த்து சொல்வதிலும், அவர்களை உற்சாகப்படுத்துவதிலும், அதிக அக்கறை எடுத்துக் கொள்வார். இறைபக்தியிலும் சிறந்து விளங்கியவர்.

அவர் செய்த பல பணிகளில் மிகவும் முக்கியமானது தேர்வுப் பணி. அதை கண்ணும் கருத்துமாய், ஒழுங்குடனும், கடமை உணர்வுடனும் செயலாற்றி முதல்வர்களின் பாரட்டைப் பெற்றவர். ஏழை மாணவிகளின் நலனுக்காய் பல நன்மைகளை செய்தது மட்டுமின்றி , மனமுவந்து தன்னாலியன்ற பொருளுதவிகளை செய்து, தாராள மனதை காண்பித்தவர், சிறு குழந்தைகள் என்றால் அவர்களுக்கு கொள்ளைப் பிரியம். என்னைப் பொறுத்தவரை மற்றவர்களைவிட கல்லூரியின் மீது அதிகமான பற்றும், பொறுப்பும் கொண்டு, கல்லூரியின் நலனுக்காய் பெரிதும் உழைத்தவர் என்பதில் எந்தவித ஐயமுமில்லை என்பேன்.

பணியாளர்களுக்கான சுற்றுலாவாக நாகர்கோவில் சென்ற போது, அவர்கள் அண்ணன் வீட்டில் தடபுடலாக சமைத்து சிறப்பாக உணவளித்து , அனைவரையும் அன்பில் திக்குமுக்காட வைத்தவர். இன்றும் எங்கள் நாவில் அந்த ருசியுண்டு என்று சொல்லுமளவுக்கு அன்புணவாக மாற்றியவர்.

கல்லூரி அலுவலக சகபணியாளர்களிடம், சகஜமாக தோழமை உணர்வுடன் பணியாற்றி அனைவர்க்கும் ஒரு ஜாம்பவனாக திகழ்ந்தவர். புனித சிலுவைக் கல்லூரியில் பணிபுரிந்த முதல்வர்கள் அனைவருடனும் அன்புடனும், நட்புடனும், பழகி, அவர்களின் உள்ளங்களில் என்றும் நிலைத்து நிற்பவர். இன்றும், அன்றைய வசந்தகாலங்களை எண்ணி இன்புற்று, பெருமை கொள்கிறேன். ஆனால் உள்ளம் கனக்கிறது! கண்களில் கண்ணீர் துளிகள்! வசந்த மலராக இறைபதம் சேர்ந்திருக்கும் ஆலிஸ் அக்காவின் ஆன்மா, நித்திய இளைப்பாறுதல் அடைந்திட வேண்டி நிற்கின்றேன்! இறைவனின் அன்பில் விண்ணக வாழ்வில் மகிழ்வுற வேண்டுகிறேன்!

T. Sagayamary
(Retd.,) Superintendent .

OBITUARY

Ms. Beulah Moses
Retd . Head,Department of History

We sadly remember Ms.Beulah Moses .Associate Professor and alumna of History Department who left for her heavenly abode on31st October 2016.Her gracious smile and gentle words dripping with sweetness have carved a special spot for herself in the hearts of all those who knew her. Ms.Beulah's propensity towards the divine was apparent in all her words and deeds. Apart from being an excellent teacher who was a walking encyclopaedia of History , she was a competent NCC officer too who helped transform countless raw novices into confidence exuding cadets. Ms.Beulah had mastered the art of goodness, clothed her nature in humility and had a great aptitude for patience.

Ms.Beulah Moses will be dearly missed. May her kind soul rest peacefully in Christ as she begins her first chapter in eternity.

ANNEXURE I

SEMINAR/ WORKSHOP/CONFERENCE ATTENDED AND PAPER PRESENTED: 2016-2017

S.No.	Name of the Staff	Seminar/Workshop /Conference	Participated / Paper Presented	Sponsored by	Place and Duration
DEPARTMENT OF AUDIOLOGY AND SPEECH LANGUAGE PATHOLOGY					
1	Mr.R.Sundaresan Ms.Bhuvaneswari.K Ms.Amritha M.L Ms.Merin Mathews	A Comprehensive Conference on "Advances in Auditory Electrophysiological Evaluation & Neurophysiological Perspective in Assessment and Management of Hyperacusis and Tinnitus"	Participated	-	Mar Thoma, Special Education, Badiadka, Kasargod, Kerala 1st to 3rd July 2016.
2	Ms.Bhuvaneswari.K Ms.Amritha M.L Ms.Merin Mathews	RCI Recognized National Workshop on Pedagogic and Personal Effectiveness for Teachers of Audiology & Speech Language Pathology (Life Long Learning- 2016)	Participated	-	Kastura Medical College (KMC) Mangalore, 10th to 11th August 2016.
3	Mr. R. Sundaresan	10th World Stroke Congress 2016	Paper presented Efficacy of bedside speech and language intervention in patients with stroke	-	Convention Center, Hyderabad 26th to 29th October 2016.
4	Mr. R. Sundaresan Ms. C. Regina Mary Ms.Pushpa Sarona. E	6thTAN-ISHA Conference	Participated	-	Indian Speech and Hearing Association, TAN - ISHACON Pondicherry, 18th to 20th November 2016.
5	Ms.Bhuvaneswari. K Mr.R.Sundaresan	49th ISHACON	Paper presented Basal Ganglia calcification – A Case report	-	Swabumi the Heritage, Kolkata 5th to 8th February 2017.
6	Ms.Bhuvaneswari. K	CRE on Assistive devices and Technology	Participated	-	Holy Cross College, Trichy 18th to 20th January 2017.

S.No.	Name of the Staff	Seminar/Workshop /Conference	Participated / Paper Presented	Sponsored by	Place and Duration
DEPARTMENT OF AUDIOLOGY AND SPEECH LANGUAGE PATHOLOGY					
7	Mr.R.Sundaresan Ms.K.Bhuvaneswari Ms.Amritha M.L Ms.Merin Mathews	National Seminar on Voice Assessment	Participated	-	Mysore 7th March 2017.
8	Mr.R.Sundaresan Ms.K.Bhuvaneswari Ms.Amritha M.L Ms.Merin Mathews	National Workshop on Voice Therapeutics	Participated	-	Mysore 8th March 2017.
DEPARTMENT OF BIOCHEMISTRY					
9	Ms. S.Josephinol	International Conference on "Chemistry of Biomolecules-Current Trends and Future Perspectives" (ICCBCTFP-2016)	Participated	UGC,DBT, DST sponsored	Holy Cross College, Trichy. 27th & 28th July 2016.
10	Dr. A.K.Umera Begam	International Conference on Chemical and Environmental Research (ICCER 2017)	Paper presented " In Vitro Anti Oaxidant Activity of Solanum torvum"	UGC	Jamal Mohamed College, Trichy 7th January 2017.
		International conference on "Chemistry of Biomolecules-Current Trends and Future Perspectives" (ICCBCTFP-2016)	Participated	UGC,DBT, DST sponsored	Holy Cross College, Trichy 27th &28th July 2016.

S.No.	Name of the Staff	Seminar/Workshop /Conference	Participated / Paper Presented	Sponsored by	Place and Duration
		DEPARTMENT OF BIOCHEMISTRY			
11	Ms. P. Antojenifer	International Conference on "Chemistry of Biomolecules-Current Trends and Future Perspectives" (ICCBCTFP-2016)	Participated	UGC,DBT, DST sponsored	Holy Cross College, Trichy 27th &28th July 2016.
		National Conference on "Better Environment Better Future"	Participated	-	Holy Cross College, Trichy 2nd August 2016.
		DEPARTMENT OF BIOTECHNOLOGY			
12	Dr. M.Rajalakshmi	International conference on Reproductive Biology & Comparative Endocrinology	Invited lecture	University of Hyderabad	Department of Animal Biology, School of Life Sciences, University of Hyderabad, Hyderabad 9th to11th February 2017.
		International Conference on Indian Traditional Medicine-A Conglomerization of Ancient Knowledge and Modern Science	Participated	ICMR Ministry of Ayush NABARD and CARISM, SASTRA	CARISM, SASTRA University, Tanjore 21st &22nd July 2016.
		International Conference on "Chemistry of Biomolecules-Current trends and future perspectives	Participated	DBT	PG & Research Department of Chemistry Holy Cross College, Trichy 27th & 28th July 2016.

S.No.	Name of the Staff	Seminar/Workshop /Conference	Participated / Paper Presented	Sponsored by	Place and Duration
		DEPARTMENT OF BIOTECHNOLOGY			
13	Ms.A.Anita Roy	International Conference on "Chemistry of Biomolecules-Current trends and future perspectives"	Paper presented Molecular dynamics and substantiating in-vitro studies to evaluate the targeted anticancer activity of costunolide	DBT	PG & Research Department of Chemistry, Holy Cross College, Trichy 27th & 28th July 2016.
14	Dr. M.Rajalakshmi & Ms.A.Anita Roy	National Conference on Natural Sciences	Participated	-	PG & Research Department of Zoology, Holy Cross College, Trichy 12th January 2017.

S.No.	Name of the Staff	Seminar/Workshop /Conference	Participated / Paper Presented	Sponsored by	Place and Duration
		DEPARTMENT OF BOTANY			
15	Dr.H.D.Subashini	One day National Seminar on "New National Education Policy 2016"	Participated	-	Stella Maris College, Chennai 24th July 2016.
		One day National Seminar on 'Tamilnadu College Convention on National Education Policy-2016"	Participated	-	St. Joseph's College, Trichy. 12th August 2016.
		A three day Conference on "Bench marking procedures and practices for quality enhancement in higher education.	Paper presented "Bench marking of student performance indicators in Holy Cross College, Trichy"	-	CEDBEC, Christ University, Bangalore 22nd to 24th November 2016.
16	Dr. P. Shanthi	International Conference on "Chemistry of Biomolecules-Current trends and future perspectives"	Participated	UGC,DBT and DST	Holy Cross College, Trichy. 27th & 28th July 2016..
17	Dr. S. Catharin Sara	International Conference on "Chemistry of Biomolecules-Current trends and future perspectives"	Participated	UGC,DBT and DST	Holy Cross College, Trichy. 27th & 28th July 2016.
18	Ms. R.Kavitha	A two day Conference on "Human values Development Programme"	Participated	AIACHE, New Delhi	Poondi Matha Retreat Centre, Poondi. 12th & 13th September 2016.

S.No.	Name of the Staff	Seminar/Workshop /Conference	Participated / Paper Presented	Sponsored by	Place and Duration
DEPARTMENT OF BUSINESS ADMINISTRATION (Shift – I)					
19	Ms.S.Sandhya	Faculty Development Programme on " Enriching Learning-Exploring New Dimensions"	Participated	-	Bon Secours College For Women, Thanjavur 6th August 2016.
20	Ms. M. Prabha	Faculty Development Programme on " Enriching Learning-Exploring New Dimensions"	Participated	-	Bon Secours College For Women, Thanjavur 6th August 2016.
21	Ms.Natalie Catherine D'Monte	Faculty Development Programme on" Leadership Training Programme"	Participated	United Board of Christian Higher Education	St. Christopher's College of Education, Chennai. 16th to 18th February 2017.
22	Ms. K. Suregka Felix	1. Workshop on "Thesis Writing-Boot Camp"	Participated	-	St. Joseph's College, Trichy. 26th - 27th January 2017.
		2.International Conference on "Emerging Trends and Challenges in Banking Sector Perspectives"	Participated and presented a paper on "Demonetisation-Financial Inclusion in Banking Sector"	-	Annai Women's College, TNPL road, Karur. 16th February 2017.
		3. Management Development Programme on "Research Methodology-Module IV (Scientific Writing)	Participated	-	St. Joseph's Institute of Management, Trichy. 22nd -23rd April 2016.
		4. Management Development Programme on "Research Methodology-Module II(Instruments of Data Collection, sampling and designs)	Participated	-	St. Joseph's Institute of Management, Trichy. 17h -19th March 2016.

S.No.	Name of the Staff	Seminar/Workshop /Conference	Participated / Paper Presented	Sponsored by	Place and Duration
DEPARTMENT OF BUSINESS ADMINISTRATION					
23	Ms. Sashikala	International Conference on "Emerging Trends and Challenges in Banking Sector"	Participated and presented a paper on "Mobile Banking"	-	Annai Women's College, TNPL Raod, Karur 16th February 2017.
24	Ms. Mariya Nathalie Vanhaltren	National Conference on Research Paradigm	Participated and presented a paper on "Integration of Service Quality Model to Measure Training Quality"	-	M.A.M. College, Trichy. 14th March 2017.
DEPARTMENT OF CHEMISTRY					
25	Dr.Felicia Rajammal Selvarani	ICCBCTFP-2016 International conference on "Chemistry of Biomolecules-Current Trends and Future Perspectives"	Paper presented 1. An Investigation and Computational Study of an Amino Acid as Corrosion Inhibitor for Stainless Steel in Acidic Medium.	DST-FIST	Department of Chemistry, Holy Cross College, Trichy. 27th & 28th July 2016.
			2. Effect of Addition of the Bio molecule Nicotinic acid in the corrosion of Aluminium in HCl.	DST-FIST	Department of Chemistry, Holy Cross College, Trichy. 27th and 28th July 2016.
		ICCBCTFP-2016 International conference on "Chemistry of Biomolecules-Current Trends and Future Perspectives"	Corrosion Inhibition of Mild Steel using aloe Barbadensis Miller Skin extract in 0.5 N HCL	DST-FIST	Department of Chemistry, Holy Cross College, Trichy. 27th & 28th July 2016.

S.No.	Name of the Staff	Seminar/Workshop /Conference	Participated / Paper Presented	Sponsored by	Place and Duration
		DEPARTMENT OF CHEMISTRY			
		International Conference on Advances in Material Sciences (ICAMS-2017)	Paper presented Inhibiting Effect of N,N-methylene bis acrylamide on aluminium corrosion in 0.3M HCl acid solution	DST-FIST	PG and Research Department of Physics, Holy Cross College,Trichy. 6th and 7th January 2017.
26	Dr.A.Noreen Antony	ICCBCTFP-2016 International conference on "Chemistry of Biomolecules-Current Trends and Future Perspectives"	Paper presented Investigation of Corrosion Inhibitive property of Morus Nigra.+Mn2+ system in Neutral Medium.	DST-FIST	Department of Chemistry, Holy Cross College, Trichy. 27th & 28th July 2016.
27	Dr.J.Amala Infant Joice	ICCBCTFP-2016 International conference on "Chemistry of Biomolecules-Current Trends and Future Perspectives"	Paper presented Photo catalytic degradation of textile dye acidblack-1 using silver impregnated nanosized titania.	DST-FIST	Department of Chemistry, Holy Cross College, Trichy. 27th & 28th July 2016.
		International Conference on Chemical and Environmental Research(ICCER 2017)	Paper presented Study on Photo Catalytic Degradation of Titan Yellow under Sunlight Irradiation.		PG & Research Department of Chemistry, Jamal Mohamed College, Trichy. 7th January 2017.
28	Dr. A. Leema Rose & Ms. S.Vidhya	ICCBCTFP-2016 International conference on "Chemistry of Biomolecules-Current Trends and Future Perspectives"	Paper presented Green synthesis of Gold nanoparticles using Momordica charantia.(Best Paper Award)	DST-FIST	Department of Chemistry, Holy Cross College, Trichy. 27th & 28th July 2016.

S.No.	Name of the Staff	Seminar/Workshop /Conference	Participated / Paper Presented	Sponsored by	Place and Duration
		DEPARTMENT OF CHEMISTRY			
29	Dr.L.Cathrine	ICCBCTFP-2016 International conference on "Chemistry of Biomolecules-Current Trends and Future Perspectives" National Conference on Recent Trends in Chemistry Research and its Applications(NCRACRIA-17)	Paper presented Antimicrobial activity of Andrographis paniculata stem extracts. Paper presented Qualitative and Quantitative Phytochemical Analysis of Simaronba glanca seed extract	DST-FIST	Department of Chemistry, Holy Cross College, Trichy. 27th & 28th July 2016. PG & Research Department of Chemistry, St.Joseph's College Trichy. 19th January 2017.
30	Dr. J. Felicita Florence, Ms.Sangeetha & Ms.Viji	ICCBCTFP-2016 International conference on "Chemistry of Biomolecules-Current Trends and Future Perspectives"	Paper presented 1.Optimisation of zinc electro deposition in the presence of aqueous Lawsonia Inermis Linn leaf extract. 2. Electrodeposition of Nanocrystalline Zinc from acid sulphate bath in the presence of aqueous Lawsonia Inermis Linn.leaf extract and its corrosion study.	DST-FIST	Department of Chemistry, Holy Cross College, Trichy. 27th & 28th July 2016.

S.No.	Name of the Staff	Seminar/Workshop /Conference	Participated / Paper Presented	Sponsored by	Place and Duration
			DEPARTMENT OF CHEMISTRY		
31	Dr.J.RosalineVimala, Ms.Agila. A & Ms.Stella Bharathy	ICCBCTFP-2016 International conference on "Chemistry of Biomolecules-Current Trends and Future Perspectives"	Paper presented 1.Adsorption of Nickle(II)ions from aqueous solution by using Terminalia chebula seed carbon 2. Studies on the removal of Ni(II) ions from aqueous solution using natural adsorbent Prosipus Juliflora bark	DST-FIST	Department of Chemistry, Holy Cross College, Trichy. 27th & 28th July 2016.
32	Dr .J.Rosaline Vimala, Ms. Dayana Jeyaleela & Ms.Monisha	ICCBCTFP-2016 International conference on "Chemistry of Biomolecules-Current Trends and Future Perspectives"	Poster presented 1. Studies on Phytochemical Nutritional Analysis and Screening of in Vitro Biological activities of Meliadubia Leaf Extract 2. GC-MS Analysis and Green Synthesis of Copper Nano Particles using Vitex negundo.L Leaf Extract 3. A study on the effect of Lawsone (2-hydroxy1,4-Napthoquinone)isolated from Lawsonia Inernis Linn.leaf on nickel electrode position from waats bath.	DST-FIST	Department of Chemistry, Holy Cross College, Trichy. 27th & 28th July 2016.

S.No.	Name of the Staff	Seminar/Workshop /Conference	Participated / Paper Presented	Sponsored by	Place and Duration
33	Dr.V.Priya	ICCBCTFP-2016 International conference on "Chemistry of Biomolecules-Current Trends and Future Perspectives"	Paper presented Synthetic utility of pharmacologically active compound , N-chloroisonicotinamide in the kinetic study of oxidation of p-methoxybenzaldehyde di-n-buttyl acetal.	DST-FIST	Department of Chemistry, Holy Cross College, Trichy. 27th & 28th July 2016.
		International Conference on Chemical and Environmental Research(ICCER 2017)	Paper presented Synthetic Utility of Pharmacologically active compound ,N-chloroisonicotinamide in the kinetic study of oxidation of m-chlorobenzaldehyde di-n-butyl acetal.		PG & Research Department of Chemistry, Jamal Mohamed College, Trichy. 7th January 2017.
		National Conference on Recent Trends in Chemistry Research and its Applications(NCRACRIA-17)	Paper presented Mechanistic study of oxidation of m-nitrobenzaldehyde di-n-butyl acetal by N-chloroisonicotinamide in aqueous acetonitrile.		PG & Research Department of Chemistry, St. Joseph's College Trichy. 19th January 2017.

S.No.	Name of the Staff	Seminar/Workshop /Conference	Participated / Paper Presented	Sponsored by	Place and Duration
			DEPARTMENT OF CHEMISTRY		
34	Ms. M.Annie Preetha & Ms. F.Janeeta Priya	ICCBCTFP-2016 International conference on "Chemistry of Biomolecules-Current Trends and Future Perspectives"	Paper presented A comparative study of Inhibition efficiency of eco-friendly inhibitors Aloe Barbedensis Miller and Aegle Marmelos on the corrosion of mildsteel in 1M H_2SO_4.	DST-FIST	Department of Chemistry, Holy Cross College, Trichy. 27th & 28th July 2016.
35	Ms. M.Annie Preetha	ICCBCTFP-2016 International conference on "Chemistry of Biomolecules-Current Trends and Future Perspectives"	Paper presented Corrosion inhibition of mild steel using aloe barbadensis miller skin extract in 0.5M HCl	DST-FIST	Department of Chemistry, Holy Cross College, Trichy. 27th & 28th July 2016.
36	Dr. J.Felicita Florence	Human Values Developmental Programme.	Participated	AIACHE, New Delhi	Poondi Matha Retreat Centre, Poondi. 12th to 13th September 2016.
37	1. Dr.L.Cathrin 2. Dr.V.Priya 3. Dr.J.Rosaline Vimala. 4. Ms. Margrat Sheela 5. Ms. F.Janeeta Priya 6. Ms. P.Lydia Festus Kanmani 7. Ms. M.Stella Bharathy	One day International Seminar on Chemical Biology	Participated	-	PRIST University Centre for Research and Development(CRD), Vallam,Tanjavur. 29th December 2016.

S.No.	Name of the Staff	Seminar/Workshop /Conference	Participated / Paper Presented	Sponsored by	Place and Duration
		DEPARTMENT OF CHEMISTRY			
38	Ms. S. Margrat Sheela	International Conference on Chemical and Environmental Research(ICCER 2017)	Paper presented Dyeing of Cotton with Natural Dye Extract from Flower of Canna Indica.L	-	PG & Research Department of Chemistry, Jamal Mohamed College, Trichy. 7th January2017.
39	Ms. F. Janeeta Priya	International Conference on Chemical and Environmental Research(ICCER 2017)	Paper presented Biosynthesis of Gold nano particles using Aloe Vera and its Antimicrobial Activity.	-	PG & Research Department of Chemistry, Jamal Mohamed College, Trichy. 7th January 2017.
40	Dr.R.Kanmani	National Conference on Recent Trends in Chemistry Research and its applications. **(NCRACRIA-17)**	Presented Poster Synthesis and Characterisation of iron nanoparticles from Vicia faba and their antimicrobial studies.	-	PG & Research Department of Chemistry, St. Joseph's College Trichy. 19th January 2017.
		ICCBCTFP-2016 International conference on "Chemistry of Biomolecules-Current Trends and Future Perspectives"	Paper presented Biosynthesis and Characterization of silver nanoparticles from Vicia Faba and their antimicrobial studies.	DST-FIST	Department of Chemistry, Holy Cross College, Trichy. 27th & 28th July 2016.

S.No.	Name of the Staff	Seminar/Workshop /Conference	Participated / Paper Presented	Sponsored by	Place and Duration

Ms. A. K. Umera Begam	• UG Valuation Chief For Biochemistry Board, Bharathidasan University.
DEPARTMENT OF BIOTECHNOLOGY	
Dr. M. Rajalakshmi	• Executive & Life Member-Society for Reproductive Biology and Comparative Endocrinology. • American Chemical Society • Doctoral Committee Member for Ph.D programme (Bioinformatics) in Vellore Institute of Technology, Vellore.
Ms.A. Anita Roy	• Life Member-Society for Reproductive Biology and Comparative Endocrinology
DEPARTMENT OF BOTANY	
Dr. S. Catharin Sara	• Life member in Journal Phytomorphology • Doctoral committee member, 1. St. Joseph's College, Trichy 2. National College, Trichy 3. Jamal Mohammed College, Trichy

Staff Name	Name of the Body
Dr. P. Shanthi	• Editorial Board Member in "Yadava Publication"
Dr. H.D. Subashini	• Doctoral Committee Member in St. Joseph's College, Trichy.
DEPARTMENT OF CHEMISTRY	
Dr. J. Felicia Rajammal Selvarani	• Doctoral committee member in Holy Cross College, Trichy.
Dr. Noreen Antony	• Doctoral Committee member in St. Joseph's College, Trichy.
Dr. A. Leema Rose	• Chairman for inspecting some of the affiliated Colleges of Bharathidasan University.
	• Member of Executive committee of BDU-BDC
	• Executive Committee (EC) Member for Bharathidasan University Technology Park (BUTP).
	• University representative on the College committee of Nehru Memorial College, Puthanampatti.
	• Chairman – Triennial Inspection Committee, Bharathidasan University.
	• Member of the syndicate subcommittee –permanent and provisional affiliations, Bharathidasan University.
	• Convener of the flying squad, Bharathidasan University.
	• Scrutinizing member in Annual Report, Bharathidasan University.
	• Scientific committee member in RJSF.
	• Doctoral committee member in St. Joseph's College and Bishop Heber College, Trichy.
	• Grievances of faculty member for CAS promotion.
	• Malpractice Enquiry Committee Member, Bharathidasan University.
	• Academic audit process –Nehru Memorial College, Puthanampatti.
	• Board of Studies Member – M.Phil- St.Joseph's College
	• Review Committee Member 1. Cauvery College 2. Mother Teresa Arts Science College, Karur. 3. Vellalar College. 4. Bharathidasan Constituent College, Perambalur. 5. Model College (Women),Veppur.
	• Inspection Committee Convenor 1. Cauvery Medical Centre, High Pressure Centre – BDU, 2. Srinivasan College of Arts and Science And Various Colleges in and around Trichy.

Staff Name	Name of the Body
DEPARTMENT OF CHEMISTRY	
	Inspection Committee Convenor • Swami Dayananda Arts And Science College, Thiruvarur. • Modern Arts and Science College, Jeyakondam.
Dr. A. Leema Rose	• Sir Issac Newton Arts and Science College, Nagapattinam, • New Study Centre- Cde- Vallalam Educational Trust, Neyveli. • Sengamala Thayar Arts and Science College, Mannargudi. • Annai Arts And Science College, Kumbakonam. • Meenakshi Ramasamy Arts and Science College, Ariyalur.
	• Research Committee Member-Bharathidasan University.Trichy.
	• Member on Standing Committee On Academic Affairs-Bharathidasan University. Trichy. • Member of Internal Quality, Assurance Cell, Bharathidasan University, Trichy.
	• Senate member – Bharathidasan University 2016 onwards.
Dr. S. Amala Fatima Rani	• Member of the Board of Studies for the Subject Chemistry (UG) of Bharathidasan University.
	• Board of Studies member in Srimad Andavan Arts and Science College for the subject Chemistry (UG)
	• Associate membership awarded in the international congress of chemistry and environment.
	• Doctoral Committee member in St. Joseph's College and Bishop Heber College, Trichy.
Dr. L. Cathrine	• Doctoral committee member, St. Joseph's College & Jamal Mohamed College, Trichy.
Dr. J . Rosaline Vimala	• Doctoral committee member in Holy Cross College & St. Joseph's College, Trichy.
Dr. V. Priya	• Doctoral committee member in Holy Cross College, Trichy.
DEPARTMENT OF COMMERCE	
Dr. D. Latha Kennin Jes	• Member, Board of Studies(UG) Bharathidasan University, Trichy.
Dr. (Sr.) Christina Bridget	• Member, Board of Studies(PG) St. Joseph's College, Trichy.
Dr. Pushpa Rani	• Chairman, MCA Board (Commerce) for PG Valuation, Bharathidasan University, Trichy. • Doctoral Committee Member in Joseph Institute Management, Trichy. • Member, Board of Studies in Commerce Visalakshi College, Udumalpet
Ms. L. Janova Mary	• Reviewer of International Journal on Agricultural Education and Extension. • Life Member of Indian Academic Researchers Association. • Life Member of RAWS.

Staff Name	Name of the Body
DEPARTMENT OF ECONOMICS	
Ms. Chamane Unus Rodrigues	• Board of Studies, Holy Cross College, Trichy.
Ms. S. Senthamarai	• Board of Studies, Holy Cross College, Trichy. • Life Member, Indian Economic Association • Life Member, Association of Economists of Tamilnadu
Ms. Uma Rani	• Board of Studies, Holy Cross College, Trichy.
DR. P. Maria Sophiya	• Board of Studies, Holy Cross College, Trichy.
Ms. Merlin Kokila	• Board of Studies, Holy Cross College, Trichy. Life Member, Association of Economists of Tamilnadu
Ms. Fouzia Kousar	• Board of Studies, Holy Cross College, Trichy. • Life Member, Indian Economic Association • Life Member, Association of Economists of Tamilnadu
Ms. Radhika	• Board of Studies, Holy Cross College, Trichy.
DEPARTMENT OF ENGLISH	
Dr.Catherin Edward	• Life member in Indian Association for Canadian Studies since 1991. • Life member in American Studies Research Centre Hyderabad since 1989. • Life member in INAAR (International Association of Academicians and Researchers) since 2015. • Ph.D Doctoral Committee External Expert in St Joseph's College, EVR College, National College, Jamal Mohamed College, Pudukottai Govt. Arts College for Women and Dept.of English , Bharathidasan University Trichy • Academic Council Member Sri Poondi Pushpam College Poondi 2015 onwards. • PG and UG Board Member National College Trichy • In Advisory Editorial Board for Jamal Academic Research Journal:An Interdisciplinary ISSN 0973-0303
Dr. M. Mary Jayanthi	• Doctoral Committee Member for 2 candidates in the • Department of English, Bharathidasan University and • Govt. Arts College, Tiruverumbur • Member of English Language Teacher's Association of India (ELTAI), Chennai. • Associate Life member of The Poetry Society of India, New Delhi. • Life member of Indian Association for Canadian Studies, New Delhi. • Life member of IAPEN, Begusari. • Life member of Indian National Society of Authors (INSA),New Delhi. • Life Member of Katholak Akademy of Creativity, Bangalore, India. • Founding Member of the Asia Pacific Writing Partnership, Australia.

Staff Name	Name of the Body
	DEPARTMENT OF ENGLISH
Ms. L. Eileen Brisha	• Member of ELTAI (English Language Teachers Association of India)
Ms. Merlin Depsy Nithiya. N	• Member of ELTAI (English Language Teachers Association of India) • Member IATEFL (International Association of Teaching English as Foreign Language)
	DEPARTMENT OF FRENCH
Sr. Lizy A.K.	• Member of IATF (Indian Association of Teachers of French - South Zone)
	DEPARTMENT OF HISTORY
Dr. Viji. M	• Life Member Tamil Nadu History Congress • Life Member South Indian History Congress • Life Member Indian history Congress • Doctoral Committee Member Bharathidasan University. • Doctoral Committee Member Tamil University • Doctoral Committee Member Bishop Heber College, Trichy. • Board Member, Department of History, Rajah's College, Pudukottai. (University Nominee) • Board Member, Department of History National College, Trichy. (University Nominee) • University Board of Studies Member for Inter National Syllabus and Curriculum Development Centre Cell History Department. • Member for Inter National Syllabus and Curriculum Development Centre Cell , Bharathidasan University • U.G., P.G. M.Phil. Examiner at National College, Bishop Heber College, Raja's College, Bharathidasan University.
	DEPARTMENT OF HINDI
Ms. M. Indra	• Life Member of Dakshin Bharath Hindi Prachar Sabha, Trichy • Life Member of Dakshin Bharath Hindi Prachar Sabha, Chennai • Life Member of Shabari Siksha Sansthan, Salem • Board Member St. Joseph's College, Trichy. • Board Member Bharathidasan University, Trichy. • The American College, Madurai Question paper setter & evaluation • Pondicherry University, Paper valuation. • Sri Sarada College, Salem Question paper setter • DR. N.G.P. Arts & Science College, Coimbatore, Question Paper Setter • Nehru Memorial College, Trichy Question Paper setter

Staff Name	Name of the Body
DEPARTMENT OF MATHEMATICS	
Dr. W. Ritha	• Doctoral Committee Member for 10 Research Scholars In Bharathidasan University • Editor - International Journal of Mathematics and Computers • Editor -Journal of Mathematics And System Sciences • Member of International Association of Computer Science And Information Technology (IACSIT).
Dr. S. Rexlin Jeyakumari	• M.Phil. external examiner in St. Joseph's College, Trichy • Nehru Memorial College, Thuraiyur and Thanthai Hans Roever College, Perambalur. • UG and PG board of examiner in Theivanai Ammal College for Women, Villupuram, St. Joseph's College, Trichy and JJ College of Arts and Science, Pudukottai.
Ms. Mary Priya Dharsini.A	• UG board of examiner in Theivanai Ammal College for Women, Villupuram and National College, Trichy.
Ms. Amalorpava Jerline J	• Reviewer – International Journal – Ars Combinatoria • UG & PG board of examiner in St. Joseph's College, Trichy. • PG board of examiner in Theivanai Ammal College for Women, Villupuram.
DEPARTMENT OF MATHEMATICS	
Ms. Dhanalakshmi K	• UG & PG board of Examiner in JJ College of Arts and Science, Pudukottai. • UG board of examiner in Theivanai Ammal College for Women, Villupuram and St. Joseph's College, Trichy. • PG board of examiner in Theivanai Ammal College for Women, Villupuram.
Ms. Beny J	• UG board of examiner in St.Joseph's College, Trichy. • PG board of examiner in Theivanai Ammal College for Women, Villupuram.
DMLT	
Ms. N. Soundarya	• Member in Academic board, All India Medical Laboratory Technologist Association (AIMLTA), Patna.
DEPARTMENT OF PHYSICS	
Dr. K. Maria Eugenie Pia	• Life Member in Acoustical Society of India. • Life Member in Ultrasonic Society of India.

Staff Name	Name of the Body
	DEPARTMENT OF PHYSICS
Dr. K. Raji	• Life Member of IAPT, Kanpur India. • Life Member of PMAI, Bombay, India. • Doctoral committee member Srimadh Andavan Arts & Science College, Department of Physics • Life member of MRSI, Bombay, • Editor – International Journal Review of Advance in Physics Theories and Applications • Editor - International Journal of Powder Metallurgy, Science and Technology. • Executive member for the region of Tamilnadu and Pondicherry in IAPT, Kanpur and Pune.
	DEPARTMENT OF REHABILITATION SCIENCE
Dr. P .Nagalakshmi	• External Examiner, B.M.S. Examination, Madras University, Chennai. • External Examiner, PG Diploma in CBR, Bharathidasan University, Trichy. • Member of Board of Studies PG Diploma in Exercise Therapy, Madras University, Chennai. • Member of SETRAD, Bharathidasan University, Trichy. • Member, Rehabilitation Council of India, New Delhi. • Member, Examination Committee, Department of Rehabilitation Science, Madurai Kamaraj University, Madurai. • Member Examination Committee, Department of Special Education, Mahatma Gandhi University, Kottayam, Kerala. • Member, Examination Committee, Department of Special Education, Avinashilingam University, Coimbatore. • Member of Advisory Committee, Centre for Differently Abled, Bharathidasan University, Trichy.
Dr. Sheila Christopher	• Prestigious Member of Innovative Research Publications (IRP) Multi Conferences – Membership ID : 2016 - 1164 • Conference Co-Chair, Eminent Association of Researchers in Humanities and Management (EARHM) of Eminent Association of Pioneers (EAP). • Member of the Scientific Board of Economics, Management and Humanities- International Centre of Economics, Humanities and Management (ICEHM)

Staff Name	Name of the Body
DEPARTMENT OF REHABILITATION SCIENCE	
Dr. Sheila Christopher	• Multi- Agency International Training & Support (MAITS) The UK.- A Volunteer to contribute to the development and delivery of multidisciplinary training packages to staff working in the disability sector in resource-poor countries. (September 2012 Onwards) • Registered Research Advisor/Guide in Social Sciences for PhD and M.Phil. Shri Jagdishprasad Jhabarmal Tibrewala University, Jhunjhunu, Rajasthan, India (2013 Onwards) • Member – International Federation of Social Workers (IFSW) – Membership No. 488325000000219085 • Senior member –International Economics Development Research Center (IEDRC) , Membership No: 10080194 • Senior member –International Association of Computer Science and Information Technology (IACSIT) Membership No: 80344318 • Member –Rehabilitation Council of India (RCI) New Delhi–Rehabilitation Social Worker- Membership No:A05782 • Visiting Expert for Assessment & Evaluation of programmes recognized by Rehabilitation Council of India (RCI) • Member –Core Committee, Inter-University Centre for Disability Studies, Mahatma Gandhi University, Kottayam, Kerala. • Student Support Centre Officer of the Young Professional Overseas Programme by the Hogeschool Zuyd University, Heerlen, The Netherlands. • Visiting Faculty for Nanjing Technical College of Special Education, Nanjing, China. • Member, Board of Studies, Department of Social Work, Bharathidasan University, Trichy. • Chairman – Examination Committee- Rehabilitation Science, Madurai Kamaraj University- Madurai. • Member, Board of Studies, Department of Special Education Avinashilingam University for Women,Coimbatore. • Member, Social Work Examination Committee, Holy Cross College, Nagercoil.
Dr. Kanagala Uma	• Member, Rehabilitation Council of India, New Delhi. • Member, Examination Committee, Department of Rehabilitation Science, Madurai Kamaraj University, Madurai. • Member, Examination Committee, Avinashilingam University for Women, Coimbatore.

Staff Name	Name of the Body

ANNEXURE – III
ASSOCIATIONS

Date	Topic	Resource Persons
DEPARTMENT OF AUDIOLOGY		
5th August 2016	Inauguration of Speech and Hearing Association	Mr. L.N. Santhosh Marketing Manager Thillai nagar Mr.Subramaniam Mr. Chinappan, Lion's Club, Thillainagar branch.
DEPARTMENT OF BIOCHEMISTRY		
11th July 2016	Soft Skill Development	Fr.Anburaj, Assistant Parish Priest, St. Mary's Cathedral, Melapudur, Trichy.
24th August 2016	"Cancer – Diagnosis And Treatment – A Biotechnological Approach".	Dr. C. Aiyavu, Assistant professor, PG & Research Department of Biochemistry, Rajah Serfoji Government College (Autonomous), Thanjavur.
17th February 2017	"Do U Know?"	Dr. Sivaraman Jagadeesan, Assistant Professor, Department of Chemistry, Srimad Andavan College of Arts and Science, Srirangam, Trichy.
24th February 2017	"Career Development & Prospects of Life Sciences"	Dr.S.Madhu, Research Adviser in ACCET, Karaikudi.
DEPARTMENT OF BIOTECHNOLOGY		
11th July 2016	In vitro differentiation of human bone marrow-derived stem cells towards retinal epithelial lineages	Dr. M.Isai, Assistant Professor of Zoology, Holy Cross College, Trichy
13th August 2016	Protective Role of Melatonin on PCB Induced Toxicity on Selected Brain Region of Adult Rats.	Dr. J. Arunakaran, Director – Research, Meenakshi Academy of Higher Education and Research, Chennai

Date	Topic	Resource Persons
DEPARTMENT OF BIOTECHNOLOGY		
31st August 2016	Inter-collegiate competition – BIO UTSAV – 2016	Dr. C. Sasikumar, Associate Professor & Head, Department of Biotechnology, Nehru Memorial College, Trichy
		Ms. Cheryl Antonette Dumenil, Assistant Professor, Department of English, Holy Cross College.
		Dr. Cecily Rose Mary Latha, Assistant Professor, Department of Zoology, Holy Cross College, Trichy
24th November 2016	Scenarios in pheromone technology	Mr.K.Jeremiah Kirubananth, Assistant Professor, Department of Zoology, Bishop Heber College (Autonomous), Tiruchirappalli
DEPARTMENT OF BOTANY		
15th July 2016	Career opportunities for Botanists	Dr.S.Samuel Christopher Associate Professor and Head Department of Botany Bishop Heber College, Trichy.
4th August 2016	Environmental Awareness-the need of the hour	Dr. M. Vasanthy Assistant Professor, Dept. of Environmental Biotechnology, Bharathidasan University, Trichy.
25th January 2017	Somatic Embryogenesis	Dr. A. Shajahan Asso. Professor of Botany Jamal Mohamed College, Trichy
DEPARTMENT OF BUSINESS ADMINISTRATION		
6th July 2016	Inaugural of Business Administration Association	Mr. S.Sadasivam, Chartered Accountant, Trichy
5th August 2016	Soft Skills	Mr. Herman Carduz, , Proprietor of the 'Leaders Art Gallery', Trichy
1st September 2016	Cyber Crime	Mr. Anubuselvan, Cybercrime Inspector, Kunnam police station, Perambalur
25th November 2016	Entrepreneurship Development	Mr. Abhisheik Ms.Catherine,(Tupperware, Trichy)

Date	Topic	Resource Persons
DEPARTMENT OF BUSINESS ADMINISTRATION		
28th November 2016	Personality Development	Dr. K.Alex, Associate Professor, Department of Commerce, St. Joseph's College, Trichy
5th January 2017	Career Development	Mr. Reynold Rajamani, Managing Director of Talent Development and Careers Pvt. Ltd., Coimbatore Mr. JagadishSelvaraj, Mr. Srikanth, (Asst. Manager)
8th February 2017	State level Inter Collegiate Meet – Delantero '17	Er. Rajasekaran,Secretary, Indra Ganesan Group of Educational Institutions, Trichy
DEPARTMENT OF CHEMISTRY		
30th June 2016	Green Chemistry-A Milestone	Dr. G. Chandramohan, Principal, Jairams Arts & Science College, Karur
14th October 2016	Industrial applications of chromatographic techniques	Dr. S. Isaiah, Bursar and Asso. Prof. of Chemistry, Bishop Heber College, Trichy
5th January 2017	Career guidance program	Dr. Baskaran, Asst. Prof. Indian Institute of Technology, Kanpur.
5th January 2017	Applications of Chemsketch and Chemdraw	Dr. A. Simi, Asst. Prof. of Chemistry, St. Joseph's College, Trichy.
6th January 2017	Basics of Organic Chemistry	Dr. J. Elangovan, Asst. Prof. of Chemistry, Raja's College, Pudukottai
6th March, 2017	Nanomaterials and its Applications and sonochemistry	Dr.S.Anandhan, Asso.Professor of Chemistry, Nano materials and Solar Energy Consevation lab, NIIT, Trichy.
DEPARTMENT OF CHEMISTRY SHIFT –II		
1st July 2016	Born To Fly	Dr. S. Ally Sornam, Head, Dept. of Library Science, Bishop Heber College, Trichy
28th August 2016	Structure, Bonding and Functions of Haemoglobin	Dr. S.R. Bheeter, Head, Dept. of Chemistry, Srimad Andavan Arts & Science College, Trichy
22nd September 2016	Women, Health and Hygiene	Dr. Sripriya Pragasam, DGO, SVH Speciality Hospital, Trichy

Date	Topic	Resource Persons
DEPARTMENT OF CHEMISTRY SHIFT –II		
2nd March, 2017	Nanotechnology and its impact in your future	Dr. Jafar Ahamed, Associate Professor, Department of Chemistry, Jamal Mohamed College, Trichy.
22th November 2016	Medicinal Plants and its uses	Dr. Alex Ramani, Asso. Prof. of Chemistry, St. Joseph's College, Trichy
DEPARTMENT OF COMMERCE		
13th July 2016	Importance of self confidence in life	Dr. Fr. Joe Arun SJ St. Joseph's Institute of Management (JIM)
6th August 2016	Self Discipline and Optimism	Mr.Herman Carduz, Asst. Professor, Dept.of French, St. Joseph's College, Trichy
1st September 2016	Awareness on Cyber Crime	Mr. Anbuselvan, Cyber Crime Inspector, Perambalur
25th November 2016	Motivation on Independent living with good career	Mr. Abishek & Mrs. Catherine Sales Manager, Tupperware, Trichy.
28th November 2016	Attitude brings Altitude in life	Dr. Alex, Associate Professor of Commerce St. Joseph's College, Trichy
5th January 2017	Developing Interview Skills	Mr.Reynold Rajamani, Managing Director, NE5 Academy
12th January 2017	Debate on Demonetization	Dr.G.John Associate Professor of Commerce, St. Joseph's College, Trichy
12th January 2017	Stock Trading	Mr.Venkat Ramanan, Area Manager, Integrated Enterprises India Pvt.Ltd.
19th January 2017	Business Expo	General Manager, District Industries Centre, Trichy.
13th February 2017	Inter Collegiate Competition COMVAGANZA	Mr. Myilvaganan Deputy Commissioner of Police Trichy

Date	Topic	Resource Persons
DEPARTMENT OF COMMERCE SHIFT II		
20th July 2016	Believe In Yourselves	Mrs. Fathima Bathhool Maluk, CEO, MAM School of Architecture
28th July 2016	Self Esteem	Dr. Mary Jayanthi, Asst. Prof. of English & Dean of Students, Holy Cross College.
8th August 2016	Economic Conditions after GST	Dr. J.Arul Chellakumar, Professor, Department of Economics, Bharathidasan University.
1st September 2016	Cyber Crime Awareness & Cell phone Tracking	Mr. C. Anbuselvan, Inspector of Police, Kunnam Police station, Perambalur.
17th December 2016	Young Minds in Business	Mr. Abhishek, Tupper ware, Trichy.
10th December 2016	Budget 2017	Dr. Kumar, Associate Professor of Economics, Jamal Mohamed College.
14th February 2017	Demonitization	Mr. V. Srinivasan, Yoga secretary (P) Ltd, Trichy.
DEPARTMENT OF COMPUTER SCIENCE		
13th July 2016	Project Development Life Cycle	Mr. V. Jude Nirmal, Asst. Prof. of CS, St. Joseph's College, Trichy-2.
9th September 2016	Intra-departmental Competition CYBERFEST'16	Dr. D.E. George Dharma Prakash Raj, Asso. Prof. School of Computer Science, Engineering and its Applications, Bharathidasan University, Trichy.
22nd September 2016	Inter-Departmental Competition "COMPFEST '17"	Staff of the Department of Computer Science, Holy Cross College, Trichy.
17th November 2016	Competitive Exams & Abroad Studies Career Guidance In Hardware & Systems	Ms.Hemalatha, Staff & Ms.Roopkala Course Head, Time Institute, Trichy Mr. Immanuel Raja Techno Park, Trichy

Date	Topic	Resource Persons
DEPARTMENT OF COMPUTER SCIENCE		
21st November 2016	Towards A Happy & Responsible Life In Youth Big Data Analytics & Latest Computer Trends	Dr. Christine Gomez, Retired H.O.D. of English, Holy Cross College, Trichy-2 Mr.Ramakrishnan, Associate Director, CTS, Hyderabad Ms.Soumiya,Big Data Developer, SF IT Systems, Trichy Mr.Sivakumar.T Mobile Applications, Development Architect, SF IT Systems, Trichy
5th & 6th January 2017	Intra-Departmental Competition "WEB SCINTILLATORs'17	Staff of the Department of Computer Science, Holy Cross College, Trichy.
15th February 2017	Release of Departmental Magazine - COM'FETE '17	Magazine released by Dr. (Sr.) Jeusin Francis, Principal, Holy Cross College, Trichy
DEPARTMENT OF COMPUTER SCIENCE SHIFT –II		
13th July 2016	Logic And Techniques of C Language	Prof. V.S.Joe Irudhayaraj, St. Joseph's College, Trichy-2.
30th August 2016	Software Development Cycle	Prof. Jude Nirmal, Assistant Professor, Department of Computer Science, St. Joseph's College, Trichy-2.
5th December 2016	Microprocessors	Prof. Wahitha, Assistant Professor, Department of Information Technologies, Jamal Mohamed College, Trichy.
	DEPARTMENT OF ECONOMICS	
5th July 2016	Significance of Economics	Dr.D.Kumar, Professor, Department of Economics, Jamal Mohamed College, Trichy
15th July 2016	Techniques and Application of Research in Economics	Dr. T.K. Venkatachalapathy, Post Doctorate, School of Economics, University of Hyderabad.
4th August 2016	Building positive self image	Mrs. R. Revathi, Special District Revenue Officer (L.A.), Tamil Nadu Road Sector Project - II, Tiruchirappalli.

Date	Topic	Resource Persons
DEPARTMENT OF ECONOMICS		
7th September 2016	Impressing through Expression	Dr. K. Alex, Associate Professor, Department of Commerce, St. Joseph's College, Tiruchirappalli.
1st December 2016	Demonetization 2016	Dr. S.P. Robert, Assistant Professor, Department of Economics, St. Joseph's college, Tiruchirappalli.
18th January 2017	Demonetization	Dr. C. Lakshmanan, Associate Professor, Madras Institute of Development Studies, Chennai.
DEPARTMENT OF ENGLISH		
15th July 2016	Book Mark Making Competition	Dr. Sheila Christopher, Associate Professor, Dept. of Rehabilitation Science, Holy Cross College, Trichy.
18th July 2016	Inaugural of the Association	Rev. Sr. Dr. Rosy Antony, Provincial, Sisters of the Cross of Chavanod, Trichy Province.
28th July 2016	Poetry Recitation	Ms. Mariena Kamala Brinda Noel, Assistant Professor, Dept. of English, Holy Cross College, Trichy.
3rd August 2016	Poetry Writing	Ms. Ancy, Assistant Professor, Dept. of English, Holy Cross College, Trichy.
25th November 2016	Essay Writing Competition	Prof. Eugene D'Vaz, Former Professor of English, St. Joseph's College, Trichy.
1st December 2016	Soliloquy Recitation Competition	Ms. Cheryl Antonette Dumenil, Assistant Professor, Dept. of English, Holy Cross College, Trichy.
15th December 2016	A Special Lecture on 'Post-Structuralism and Deconstruction'	Dr. D.E. Benet, Associate Professor of English, National College, Trichy.
4th January 2017	A Special Lecture on 'Linguistics and Stylistics'	Dr. John Love Joy, Assistant Professor, St. Joseph's College, Trichy

Date	Topic	Resource Persons
DEPARTMENT OF ENGLISH		
6th January 2017	Shakespeare Portrait Competition	Ms. Madhu Bharathi, Assistant Professor, Dept. of Visual Communication, Holy Cross College, Trichy.
11th January 2017	ACME'17 – An Intercollegiate Literary Fiesta	Inaugural: Dr. Jawahar Nagasundaram, Consultant ENT, Head & Neck Surgeon, Dr. G. Viswanathan Hospital Valediction: Dr. K.S. Antonysamy, Associate Professor, Dept. of English, Loyola College, Chennai.
30th January, 2017	A Special Lecture on 'Translation of a Literary Text'	Prof. A. Mathivanan, Associate Professor, E.V.R. College, Trichy
