RESCAPES

RURAL ENRICHMENT THROUGH STUDENTS

COMMUNITY ACTION AND PARTICIPATION

FOR ENVIRONMENTAL SUSTAINABILITY (2010-2011)

SAVE WATER PROGRAMME

Save Rain Water-- Save Human Beings

This year our students constructed 19 Rain water harvesting systems in our adopted villages

SCHOOL DROPOUTS VOCATIONAL TRAINING PROGRAMME

Skill is an invisible knowledge.

3 school dropouts were identified and made to attend Vocational skill training.

To create a job opportunity in life, our college identified school dropouts and made them attend the vocational skill training.

PLAY WAY EDUCATIONAL PROGRAMME

Play while you play and learn while you learn.
Our students empower the school students' education through recreational education method....

79 Educational Awareness programmes were conducted in various schools at our adopted villages.

ECO FRIENDLY PROGRAMME

To Create an eco friendly environment our college students planted saplings in various schools in our adopted villages.

319 environmental sustainable saplings were planted in various schools in our adopted villages.

KITCHEN GARDENING PROGRAMME

Something is better than nothing

Helping the village community to help themselves
is the art of empowering them.

This year our students provided Seeds for kitchen
gardening to 263 houses in 5 villages.

COMMUNITY AWARENESS PROGRAMME

Awakening the people is a must.

To help people realize the current issues around them, our students conducted various community awareness programmes in our adopted villages.

6 Community Awareness Programme
