RESCAPES

III YEAR VILLAGE VISIT REPORT 2020- 2021 IMPACT STUDY REPORT 2020-2021

Name of the activity: III UG Village Visit-Mathematics-A Section

Collaboration with:

Date of Village Visit	07-01-2021
Village Name	No.94 Kariyamanikam
No of Students	74
Name of Activity	Impact Study at Village

Students of Mathematics-A-section, interaction with the village people at No-94 Kariyamanikam village and collecting data for their Impact Study at village.

Name of the activity: III UG Village Visit-Commerce-D Section

Collaboration with:

Date of Village Visit	08-01-2021
Village Name	Kanniyakudi
No of Students	60
Name of the Activity	Impact Study at Village

Students of Commerce-D- section, interaction with the village people at Kanniyakudi village and collecting data for their Impact Study at village by using Google Form on 8 January 2021.

Name of the activity: III UG Village Visit-History

Collaboration with:

Date of Village Visit	09-01-2021
Village Name	Devimangalam
No of Students	65
Name of the Activity	Impact Study at Village

Students of History interaction with the village people at Kanniyakudi village and collecting data for their Impact Study at village by using Google Form on 09th January 2021

Name of the activity: III UG Village Visit-Chemistry-C Section

Collaboration with:

Date of Village Visit	11-01-2021
Village Name	Ayikudi
No of Students	38
Name of the Activity	Impact Study at Village Road Safety Week- Two Wheeler and Four Wheeler Head Light Sticker Campaign

Students of History interaction with the village people at Ayikudi village and collecting data for their Impact Study at village by using Google Form on 11th January 2021, followed that Road Safety Week- Two Wheeler and Four Wheeler Head Light Sticker Campaign, students posting stickers at the head light of the buses and two wheelers at Ayikudi village by which students sticked stickers in 50 vehicles.

Name of the activity: III UG Village Visit-English –B-Section
 Collaboration with:

Date of Village Visit	12-01-2021
Village Name	Thaluthalapatty
No of Students	44
Name of the Activity	Impact Study at Village Road Safety Week- Two Wheeler and Four Wheeler Head Light Sticker Campaign

Students of History interaction with the village people at Ayikudi village and collecting data for their Impact Study at village by using Google Form, followed that Road Safety Week- Two Wheeler and Four Wheeler Head Light Sticker Campaign, students posting stickers at the head light of the buses and two wheelers at Thaluthalapatty village by which students sticked stickers in 50 vehicles.

Name of the activity: III UG Village Visit-BBA-A-Section

Collaboration with:

Date of Village Visit	18-01-2021
Village Name	Palaiyur
No of Students	44
Name of the Activity	Impact Study at Village, National Immunization Day , Road Safety Week- Two Wheeler and Four Wheeler Head Light Sticker Campaign

Students of BBA-A section interaction with the village people at Palaiyur village and collecting data for their Impact Study at village by using Google Form, followed that Road Safety Week- Two Wheeler and Four Wheeler Head Light Sticker Campaign, students posting stickers at the head light of the buses and two wheelers at Thaluthalapatty village by which students stucked stickers in 50 vehicles and then conducted program on National Immunization Day, they explained the village people about the need and importance of immunization for children, elder and all age group.

Name of the activity: III UG Village Visit-BBA-B-Section

Collaboration with:

Date of Village Visit	19-01-2021
Village Name	Azhagiyamanavalam
No of Students	41
Name of the Activity	Impact Study at Village, Covid-19 awareness, Mask and Kabasura Kudineer and awareness pamphlets Distribution, Road Safety awareness

Students of BBA-B section interaction with the village people at Azhagiyamanavalam village and collecting data for their Impact Study at village by using Google Form, followed that distributed mask and Kabasura Kudineer and then explained the preventive measures to the village people and distributed awareness pamphlets of covid-19 and then stucked stickers in the head light of two wheelers and four wheeler at Azhagiyamanavalam (50 Vehicles)

Name of the activity: III UG Village Visit-Computer Application-A-Section

Collaboration with:

Date of Village Visit	20-01-2021
Village Name	Azhagiyanavalam
No of Students	57
Name of the Activity	Impact Study at Village, Covid-19 awareness, Mask and Kabasura Kudineer and awareness pamphlets Distribution, Road Safety awareness

The students of III Year BCA-A-Section went to Azgiyanavalam village and interact with the village people and did their impact study at village through Google form. Then they explained the village people about the causes, effects, and preventive measures for Covid-19. And then they distributed pamphlets consist of preventive measure for Covid-19 and then distributed mask and kabasura kudineer to the village people and then sticked stickers in the head light of two wheelers and four wheelers.

Name of the activity: III UG Village Visit-Computer Application-B-Section

Collaboration with:

Date of Village Visit	21-01-2021
Village Name	Veerani
No of Students	60
Name of the Activity	Impact study at village, Covid-19 awareness Road Safety-Sticker Campaign

The students of II Year BCA-B went to Veerani village and interact with the village people and did their impact study through Google form. And then distributed mask followed by distributed pamphlets consist of Covid-19 information and then stucked stickers at the head of the two wheelers and four wheelers and explained them the importance of road safety to them.

Name of the activity: III UG Village Visit-Botany

Collaboration with:

Date of Village Visit	22-01-2021
Village Name	PAACHUR
No of Students	45
Name of the Activity	Impact study at village, International Day of Education

The students of Botany went to Paachur village and interact with the village people and collected data for their impact study at village. Then they conducted the International Day of Education by explaining the village people the need and importance of education and higher education.

Name of the activity: III UG Village Visit-Bio Technology

Collaboration with:

Date of Village Visit	23-01-2021
Village Name	Gopurapatty
No of Students	35
Name of the Activity	Impact study at village, Covid -19 Awareness National Girl Day Program

III Year Bio Tech students went to Gopurapatty village and did their impact study and distributed kabasura chooranam kudineer to the village people and explained them about the causes, effects and preventive measures of COVID-19 and then conducted National Girl Child Day a day advance and then explained the village people about the rights of Girl Child and the need of equality.

Name of the activity: III UG Village Visit-Mathematics-B Section

Collaboration with:

Date of Village Visit	25-01-2021
Village Name	94 Kariyamanickam
No of Students	67
Name of the Activity	Impact study at village, National Voter Day

Mathematics –B Section students distributed pamphlets consist of Covid-19 awareness and then explained them about the preventive measures. And then collected data for their impact study through Google form and then conducted National Voters Day. The students went around the village and explained the village people about the importance of voting and then explained the migration workers form Rajasthan about the importance of voting in Hindi.

Name of the activity: III UG Village Visit-Chemistry-A- Section

Collaboration with:

Date of Village Visit	29-01-2021
Village Name	C.Ayyampalayam
No of Students	55
Name of the Activity	Impact study at village, Covid-19 awareness National Voters Day awareness

The students of chemistry department A section did their impact study at C.Ayyampalayam village and explained the village people about the causes and preventive measure for Covid-19 and then explained about the importance and right of each individual of VOTING. (National Voter Day)

Name of the activity: III UG Village Visit-Chemistry-B- Section

Collaboration with:

Date of Village Visit	30-01-2021
Village Name	C.Ayyampalayam
No of Students	63
Name of the Activity	Impact study at village, World Leprosy Day

The students of Chemistry-B section interacted with the village people and collected data for their impact study and then explained the village people about the causes and preventive measure for Covid-19 by distributing pamphlets and then explained village children and elders about the causes and preventive measure for Leprosy (Leprosy Day was conducted.)

Name of the activity: III UG Village Visit-Chemistry-B- Section

Collaboration with:

Date of Village Visit	01-02-2021
Village Name	Kovathakudi
No of Students	42
Name of the Activity	Impact study at village, Covid-19 awareness

Students of Economics II UG, went to Kovathakudi village and collected data for their impact study and then explained the causes, effects and preventive method for Covid-19 and then distributed pamphlets consists of information about Covid-19

Name of the activity: III UG Village Visit-English-B- Section

Collaboration with:

Date of Village Visit	02-02-2021
Village Name	Sennarai
No of Students	64
Name of the Activity	Impact study at village, Covid-19 awareness Water Management

The students of English –A Section went to Sennakarai village and interact with the people and collect data for their impact study and then distributed pamphlets to people which consist of Covid-19 preventive measure. And then distributed STAR TREE list to the village people and then explained the village people about the importance of water management.

Name of the activity: III UG Village Visit-Commerce-BPO

Collaboration with:

Date of Village Visit	03-02-2021
Village Name	Thiruvasi
No of Students	29
Name of the Activity	Impact study at village, Covid-19 awareness

The students of Commerce (BPO) went to the village and interact with the village people and collected data for their impact study at village and then they explained the village people about the causes, effects and preventive measure for Covid-19, and then explained the importance of vaccination for Covid-19

Name of the activity: III UG Village Visit-Commerce-A-Section
Collaboration with:

Date of Village Visit	04-02-2021
Village Name	Valmanapalayam-Melur
No of Students	60
Name of the Activity	Impact study at village, World Cancer Day awareness

III UG STUDENTS OF B.COM-A

The students B.COM –A section went to the Valmanapalayam-Melur village and collected data for their impact study and then explained the village people about the causes, effects, and preventive measures for cancer and also explained the different types of cancer.

Name of the activity: III UG Village Visit-Commerce-B-Section

Collaboration with:

Date of Village Visit	05-02-2021
Village Name	Valmanapalayam-Kelur
No of Students	29
Name of the Activity	Impact study at village, Covid-19 awareness

The students of B.COM-B section went to Valmanapalayam –Kelur village and collected data for their impact study at village and then explained them about the causes, effects and preventive measures for Covid-19 and then explained the importance of vaccination to the village people.

Name of the activity: III UG Village Visit-Commerce-C-Section

Collaboration with:

Date of Village Visit	08-02-2021
Village Name	Salakadu-South
No of Students	75
Name of the Activity	Impact study at village, Covid-19 awareness

Students from III UG Commerce-C section went to Salakadu (South) village and collected data for their impact study and then explained to the village people about the causes and effects and preventive measures for Covid-19.

Name of the activity: III UG Village Visit-Tamil

Collaboration with:

Date of Village Visit	9-02-2021
Village Name	Salapathi-North
No of Students	21
Name of the Activity	Impact study at village, Covid-19 awareness

III UG students of Tamil department went to Salapatty-North village and collected data for their impact study and then conducted World Social Justice Day by explained the village people about the importance of social justice and the humanity to the village people.

Name of the activity: III UG Village Visit-Computer Science

Collaboration with:

Date of Village Visit	10-02-2021
Village Name	Sengudi
No of Students	59
Name of the Activity	Impact study at village, Covid-19 awareness

III UG COMPUTER SCIENCE STUDENTS

The students of Computer Science went to sengudi village and interact with the village people and collected data for their impact study and then explained the village people about the Covid-19 and its preventive measures.

Name of the activity: III UG Village Visit-English-C.Section

Collaboration with:

Date of Village Visit	11-02-2021
Village Name	Thaluthalapatty
No of Students	46
Name of the Activity	Impact study at village, Covid-19 awareness

III UG ENGLISH-C-SECTION STUDENTS

The students of English-C section went to Thaluthalapatty village and collected data for their impact study and then explained the village people about the causes, effects and preventive measures for Covid-19

Name of the activity: III UG Village Visit-Mathematics-C.Section

Collaboration with:

Date of Village Visit	12-02-2021
Village Name	Thirupanjalee
No of Students	41
Name of the Activity	Impact study at village, Covid-19 awareness National Productivity Day

III UG MATHEMATICS-C SECTION STUDENTS

The students of III UG Maths-C section students went to Thirupanjalee village and then collected data for their impact study and then they explained the Causes, effects and preventive measures for Covid-19 and the need of vaccination and then explained the village people about the National Productivity Day.

Name of the activity: III UG Village Visit-Mathematics-D.Section

Collaboration with:

Date of Village Visit	15-02-2021
Village Name	Thirupanajalle
No of Students	43
Name of the Activity	Impact study at village, Covid-19 awareness

III UG MATHEMATIC (Section-C) STUDENTS

The students of Mathematics (Section-D) went to Thirupanjalee village and collected data for their Impact study and then distributed phablets consist of Covid-19 awareness details and then explained the village people about the causes, effects and preventive measures of Covid-19 by using chat.

Name of the activity: III UG Village Visit-BioChemistry

Collaboration with:

Date of Village Visit	01-03-2021
Village Name	Valaiyur
No of Students	27
Name of the Activity	Covid-19 awareness and importance of Immunization Nature Week Zero Discrimination Day

The students of Bio Chemistry went to Valaiyur village and conducted awareness programs on Covid-19 and then explained about the Importance of Saving Nature. (Nature Week)

Name of the activity: III UG Village Visit-B.VOC

Collaboration with:

Date of Village Visit	01-03-2021
Village Name	Valaiyur
No of Students	13
Name of the Activity	Nature Week Zero Discrimination Day Covid-19 awareness

The students of B.VOC went to Valaiyur village and conducted programs on Covid-19 and then explained about the Importance of Saving Nature. (Nature Week) “NATURE WEEK” and “ZERO DISCRIMINATION DAY” among the village people. We separated into three groups, each group consists of ten students. Each group prepared models

Name of the activity: III UG Village Visit-Zoology

Collaboration with:

Date of Village Visit	02-03-2021
Village Name	Kuruvampatty
No of Students	44
Name of the Activity	Impact Analysis at Village Covid-19 awareness Nature Week Ebola Virus Awareness

The students of Zoology of went to Kuruvampatty village and collected data for their impact study and then explained the people about the importance of Nature (NATURE WEEK) and then the preventive measures of Eboala and Covid-19 and then explained the importance of vaccination.

Name of the activity: III UG Village Visit-Physics-A-Section

Collaboration with:

Date of Village Visit	3-03-2021
Village Name	Thalthamangalam
No of Students	61
Name of the Activity	Covid-19 Awareness

The students of Physics –A section went to Valaiyur village and explained the causes and preventive measures of Covid-19 and importance of vaccination.

Name of the activity: III UG Village Visit-Physics-B-Section

Collaboration with:

Date of Village Visit	04-03-2021
Village Name	Valaiyur
No of Students	36
Name of the Activity	Impact Analysis at Village Covid-19 awareness

Students of Physics-B section went to Valaiyur village and collected data for their impact study and then explained the village people about the causes and preventive measures of Covid-19 and the importance of vaccination.

Name of the activity: III UG Village Visit-Rehabilitation Science

Collaboration with:

Date of Village Visit	04-03-2021
Village Name	Valaiyur
No of Students	37
Name of the Activity	Awareness about nutrition, health, and about disability

The students of Rehabilitation Science, III year U.G students explained the village people about nutrition, health, and about disability, its causes, preventive measures, and treatment and rehabilitation procedures to the village people.

Name of the Activity: IMPORTANCE OF IMMUNIZATION

Collaborators: Pathuvai Nagar, Tiruchirappalli

Date	7-09-2020

So, our college plans to provide the immunization drink (KabasuraKudineerChooranam) to the people. KabasuraKudineer was distributed to 27 households in presence of the Slum Head Mr.Paul Raj and Mr.Vimal, coordinated the program.

Name of the Activity: Importance of Organic Food
Collaborators: Venis Street, (street no 6) Tirchirappallai

Date	16-09-2020
Venue	Venis Street, Tirchirappallai
No of Participant	29 households
No of Staff	2

Importance of organic foods which recover covid 19 without any treatment or medicine. And distribute kabasura kudineer. So, our college plans to provide the immunization drink (KabasuraKudineerChooranam) to the people. KabasuraKudineer was distributed to 29 households in presence of the Slum Head Mr.Paul Raj and Mr.Vimal, coordinated the program.

Name of the Activity: Importance Social Distance
 Collaborators: Prestenpathiri Street, Tirchirappallai

Date	17-09-2020
Venue	Prestenpathiri Street, Tirchirappallai
No of Participant	17 households
No of Staff	1

Explain them the importance of neat and maintain social distance Which secure ourselves from covid 19 and distribute kabasura kudineer So, our college plans to provide the immunization drink (Kabasura Kudineer Chooranam) to the people. Kabasura Kudineer was distributed to 17 households in presence of the Slum Head Mr.Paul Raj and Mr.Vimal, coordinated the program

Name of the Activity: Importance of Ayurveda Medicine
 Collaborators: Prestenpathiri Street, Tirchirappallai

Date	18-09-2020
Venue	Prestenpathiri Street, Tirchirappallai
No of Participant	15 households
No of Staff	1

If Incase someone has the symptoms of covid 19, how to handle them and explain how to recover from virus in ayurveda medicine way and distribute kabasura Kudineer. So, our college plans to provide the immunization drink (Kabasura Kudineer Chooranam) to the people. Kabasura Kudineer was distributed to 15 households in presence of the Slum Head Mrs. Jothi and Mr.Vimal, coordinated the program

Name of the Activity: Stages of Corona and How to Aware of it
 Collaborators: Prestenpathiri Street, Tirchirappallai

Date	21-09-2020
Venue	Prestenpathiri Street, Tirchirappallai
No of Participant	22 households
No of Staff	1

Explain the stages of corona and how to aware of them and distribute kabasura Kudineer. So, our college plans to provide the immunization drink (KabasuraKudineer Chooranam) to the people. Kabasura Kudineer was distributed to 22 households in presence of the Slum Head Mrs. Jothi and Mr.Vimal, coordinated the program.

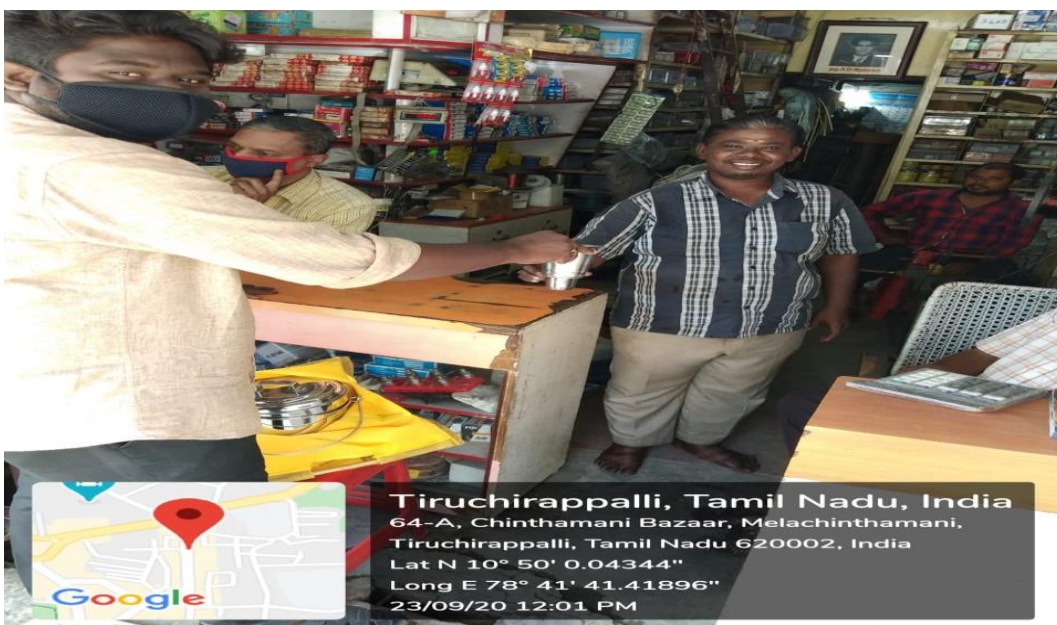

Name of the Activity: How to Prepare Kabasura Kudineer

Collaborators: Anthoniyar kovil Street, Tirchirappallai

Date	23-09-2020
Venue	Anthoniyar kovil Street, Tirchirappallai
No of Participant	23 households
No of Staff	1

To explain how to prepare kabasura kudineer with home ingredients and distribute the KabasuraKudineer. So, our college plans to provide the immunization drink (KabasuraKudineerChooranam) to the people. Name of the Activity: **SOCIAL DISTANCE AND THE ROLE VEGETABLE SHOPKEEPERS AT MARKET**

Date	6-09-2020
Venue	Chatram Bus Stand
No of Participant	18
No of Staff	1

We explained the importance of social distance and the roles vegetable shopkeepers at market. Then we distributed immunization drink (kabasura kudineer). 18 people benefited.

Name of the Activity: **Social Distance**

Date	6-09-2020
Venue	Chatram Bus Stand
No of Participant	40
No of Staff	1

Created awareness about social distance, to the public. And then our College extension department RESCAPES distributed immunization drink (kabasura kudineer) to 40 people who benefited.

Name of the Activity: **USE OF MASK, GLOVES AND SANITIZER**

Date	7-10-2020
Venue	Chinthamani market
No of Participant	20
No of Staff	1

We explained to the vegetable shop keepers about the importance of wearing mask, gloves and the uses of sanitizer. Then we distributed (kabasura kudineer) to the shop keepers. 20 people benefited.

Name of the Activity: **USE OF MASK, GLOVES AND SANITIZER**

Date	7-10-2020
Venue	Chinthamani market
No of Participant	48
No of Staff	1

Explained the importance of wearing mask, gloves and the uses of sanitizer. Then our College extension department RESCAPES distributed immunization drink (kabasura kudineer) .48 people benefited.

Name of the Activity: Covid-19 Virus Awareness

Date	9-10-2020
Venue	Gandhi market
No of Participant	43
No of Staff	1

The covid-19 awareness program was held near Gandhi market and for the public people. Then our college extension department RESCAPES distributed immunization drink kabasura kudineer by which 43 people benefited.

Name of the Activity: **DISTRIBUTED KABASURA KUDINEER TO THE CONSTRUCTION WORKERS**

Date	13-10-2020
Venue	Chinthamani anna salai stop
No of Participant	44
No of Staff	1

Explained covid-19 to the daily wage workers near anna salai bus stop and to the public people. And then distributed (kabasura kudineer) 44 people benefited.

Name of the Activity: **DISTRIBUTION KABASURA KUDINNER AND MASK IN BUS DRIVER AND CONDUCTORS**

Collaborators: Chatthram Bus Stand

Date	13-10-2020
Venue	Chatthram Bus Stand
No of Participant	23
No of Staff	1

We gave Kabasura kudineer and mask to the government and private bus drivers at chatthram bus stand. 23 drivers and conductors were benefited

Name of the Activity: Distributed kabasura kudineer for construction workers

Date	14-10-2020
Venue	Ramakrishna Bus Stop
No of Participant	37
