*With US CMA Edge

Overview

The **B.Com (With US CMA Edge)**, offered by the PG and Research Department, Holy Cross College (Autonomous), is a specialised undergraduate program designed to provide students with a holistic business education. It provides opportunity for two powerful credentials: the B.Com degree awarded by the University and the **Certified Management Accountant (CMA)**, awarded by the Institute of Management Accountants (IMA), USA.

By the time students graduate, they are industry-ready professionals, prepared to clear both parts of the CMA exam and explore job opportunities in India and the US.

The program is offered in collaboration with **Miles Education**, a Platinum Partner of IMA and the largest US CMA course provider in India, ensuring students receive top-tier training, a premium learning management system, mentorship, and certification support.

Key Program Benefits

- **Double Advantage:** Earn a B.Com degree while preparing for the **US CMA** giving you a strong academic, professional, and technological foundation.
- **Practical Learning:** Engage in case studies, business simulations, and real-world financial projects, ensuring hands-on experience and industry readiness.
- **Global Expertise & Thought Leadership:** Learn from renowned finance and accounting experts, gaining insights into global industry trends, best practices, and career opportunities. Explore more at milesmasterclass.com.
- **Enhanced Career Opportunities:** CMA-qualified professionals are highly sought after by Big 4 firms, MNCs, Fortune 500 companies, and financial institutions worldwide.
- **Pathway to the U.S.:** Unlock international career opportunities. Through the Miles US Pathway, graduates can explore STEM-designated Master's programs in the U.S. that offer a 3-year work permit (OPT), allowing them to work and live the American dream.

Eligibility

The minimum qualification required to apply is a pass in the 10+2 examination in Commerce from State Board, ISC, CBSE, or any other equivalent board.

Progression & Coursework

The US CMA curriculum is integrated into the B.Com program through five key courses, strategically spread across the first five semesters.

Semester	US CMA	Course
I	Part 1	Financial Planning & Performance
II	Part 1	Financial Analytics & Control
III	Part 1	Financial Reporting
IV	Part 2	Financial Decision Making - I
V	Part 2	Financial Decision Making - II

This structured integration allows students to complete the full CMA syllabus within their B.Com studies, ensuring they are exam-ready and professionally equipped by the time they graduate.
