

**HOLY CROSS COLLEGE (AUTONOMOUS), TIRUCHIRAPPALLI-2**  
**SCHOOL OF MANAGEMENT STUDIES**  
**DEPARTMENT OF COMMERCE BUSINESS ANALYTICS**

**MEMORANDUM OF UNDERSTANDING**

On December 9, 2025, the Department of Commerce Business Analytics, Holy Cross College (Autonomous), Tiruchirappalli, signed 3 MoU's to enhance its academic. The collaboration with Fin mark Trainers India Pvt Ltd serves as a service agreement to provide content for job-oriented add-on Financial Market Courses and facilitate professional certification exams via the National Stock Exchange and NISM. This initiative focuses on imparting specialized knowledge in Capital Markets and Investment Banking, resulting in co-branded certifications for students. Simultaneously, the partnership with Synergy School of Business Skills aims to bridge the gap between university curriculum and industry expectations through a Systematic Skills Development Program. Under this agreement, Synergy provides resource persons for career guidance, internships with certificates, and practical software training to ensure students are equipped for the technologically changing environment. The collaboration with Hitakey Tech Solution emphasizes technical skill enhancement through workshops, hands-on internships, and dedicated placement support to ensure students are industry-ready.

All agreements are signed for a three-year tenure, ensuring a sustained commitment to student-centric orientation and software skill development. These collaborations are overseen by Principal Rev. Dr. Sr. Rajakumari, P., and coordinated by Dr. Mary Suthanthira Malar M. to fulfill the college's mission of forming academically excelling individuals. Financially, each party remains responsible for its own implementation costs, and the relationships are strictly defined as independent service agreements rather than legal partnerships. Through these integrated efforts, the department ensures its graduates can perform exceptionally well during placement interviews and successfully adapt to modern industry demands.
