Details of the Webinar :

Activity Start Date: 26-06-2020

No. of Resource Persons: 6 (Life House Fellowship Trichy)

Activity End date: 26-06-2020

No. of Participants in the Webinar: 106

Report Description:

The PG Department of Computer Science (Shift II), Holy Cross College (Autonomous), Trichy organized a "**Life Oriented Webinar**" for B.Sc. and M.Sc. students on 26th June 2020 (Friday) in Zoom video conference platform. The Session was started at 03:00 p.m. Mrs.Baby Nirmala, Co-ordinator delivered the Welcome address. Dr. Sr. Judy Gomez, In-charge of Shift II spoke about the importance of life oriented webinar. Then the Session was handed over to the Life House fellowship members.

The Holy Cross College Alumnae, Ms. Rachel gave the description about the Life house, Trichy. Then the life house members sang a song, it gave the energy and strength for the staff and students mind. One of the fellowships explained about how she had been in the quarantine era. Another person came and explained how he utilized the quarantine period in the useful manner. Another person shared his experience about how to change the lifestyle, how to face problems and insisted us to be a good solution maker.

During the session, they interacted directly with the students and cleared their doubts. Life house members created three separate private rooms and asked the students about all the issues they encountered during the quarantine time. They also gave proper solutions for the student problems.

The Session ended at 04.30 p.m. with vote of thanks by Mrs. Emima. Students filled their feedback form and most of the students felt the webinar session was very useful and informative to them.
