

MEMORANDUM OF UNDERSTANDING

Between

POST GRADUATE & RESEARCH DEPARTMENT OF REHABILITATION SCIENCE,
HOLY CROSS COLLEGE, TIRUCHIRAPPALLI

&

RC MIDDLE SCHOOL, BUTTERWORTH, TIRUCHIRAPPALLI

The Post Graduate and Research Department of Rehabilitation Science, Holy Cross College, Tiruchirappalli has envisaged the noble mission of education and training effective manpower to help Persons with Special Needs in society. The department offers Diploma, Undergraduate, Postgraduate, Philosophy of Doctorate (PhD) and need based courses to build a cadre of professionals to work with all categories of persons with disabilities. Ever since its inception, the department has strengthened its knowledge, training and research by networking with many local, national and international agencies using mutual expertise and resources in various forms.

RC Middle School, Butterworth Road, Tiruchirappalli, aims to be a trend setter in providing quality education to the students up to middle school level with the right ambience and opportunity for an overall development of the students. The journey to becoming an Inclusive School incepted long and has strengthened the school community and benefitted ALL children. "Inclusion" at RC Middle School does not simply mean the placement of students with disabilities in general education classes but incorporates fundamental change in the way a school community supports and addresses the individual needs of each child including children with special needs providing an opportunity to flourish. The expedition towards excellence with our efficient teachers as provide differentiated instruction increasing student engagement, academic support to help each student access the full curriculum, behavioral support to maintain a positive and responsive learning environment for everyone making effective use of the school's resources.

R.C Middle School aims to provide quality education to students in a stress free environment. It will strive to prepare the students to face the challenges and lay emphasis on traditional and moral values with progressive ideas.

OBJECTIVES AND FORMS OF CO-OPERATION:

1. To utilize the expertise of professionals from both institutions to enhance and equip students and research scholars with the emerging perspectives in the field of inclusive education for children with special needs.
2. To facilitate transdisciplinary research in the field of inclusive education, special education and disability and rehabilitation.
3. To conduct need based courses and programmes with participation from both the institutions for the graduate students and school students regarding disability and rehabilitation.

4. To identify areas of interest and enhance knowledge and experience of our students and research scholars.
5. To undertake institution visits, internship/placement programmes for enriching the knowledge and skills of the graduate and post graduate students.
6. To identify and utilize resources like therapy materials, reading materials, books, audio visual equipments, ICT equipments and other resourceful materials in the area of disability and rehabilitation for the benefit of graduate students and school students.
7. To participate in academic conferences, seminars, workshop and discussions held by either institute.
8. To organize training programmes and awareness programmes on disability and related issues augment and inclusive society.
