The students of our department will be sent for 30 days of training to the production facility of Arts and Television East Zone in every season. 2. During the training period the students have opportunities for placement in their company based on their skills. 3. Both institutes have instructed that students should not prepare and publish news on behalf of any political party or government during the training period and only on social progress and literature. 4. They are directed to comply with the training institute's office control plans, cooperate with the institute without detriment and bear the costs of any material damage. 5. The students sent for 30 days training will be selected through our College Visual Communication Department. 6. Among the final year students, five students each can be selected for news department and technology department 7. It will be ensured that both the institutes will create clarity on visual communication philosophy and principles and the industry experts working in both institutes will train our students in industry intricacies.
