Through the active participation of the student council the students are made aware of the evil effects of ragging. The committee along with the student council members works continuously creating awareness on zero tolerance against ragging. The student council members were instructed about the evils of ragging and the punishments for those who involve themselves in ragging. The council members in turn created awareness among the student community by addressing their own department students creating this awareness. Under the able guidance of the Principal, Rev Dr .Sr Christina Bridget, the committee functions effectively and there were no cases reported during the academic year.

TUESDAY, 1 MARCH 2022      TIME: 9.30 AM      VENUE: LIBRARY BLOCK

The KE CA TO CLE awareness campaign began with a simple interaction with the campus sanitary staff, who revealed their horrifying plight over unkept toilet etiquettes and unpreserved sanitization among the student body. Despite the fact that the gravity of the problem looked to be modest and trivial at first, it quickly escalated and became the talk of the campus. The in-campus revolutionary effect took flight on February 7, 2022, during a small gathering at the HCC Studio. A group of Student Council members were notified on the rising toilet sanitization concern by Ms. Shirley Deepak, Media House and Dr. Anita, Assistant Professor of the Department of Social Work. The student council members expressed their views and shared ideas on how to expand the range of the campaign to bring a long-lasting effect among the student community. The catch phrase KE CA TO CLE (a non- google stored word) was created by Ms. Shirley Deepak and was exclusively and extensively used as the fling of the entire campus movement. The awareness campaign imprinted lasting impressions on the sands of time of holy cross by creating a significant impact.

The general assembly began at 9:30 A.M on March 1<sup>st</sup> 2022. The students from various departments were gathered for the assembly. The Heads of various departments and the staff graced the occasion. The sanitary workers were honored

by being the highlight of the day. The general assembly began with a prayer service invoking the Almighty's grace and blessings. The students from the department of Audiology and Speech Language Pathology led the gathering in prayer. A warm note of welcome was proposed by Dr. Ruby Merlin, Dean of Student Affairs.

After which the Principal of Holy Cross College, REV. SR. DR. Christina Bridget was honored by Sr. Beleiya of VISCOM by giving a memento. Ms. Shirley Deepak honored REV. DR. SR. Annie Xavier, the Secretary of Holy Cross College with a memento. Shortly after this, the Principal of Holy Cross College, REV. SR. DR. Christina Bridget launched the KE CA TO CLE Campaign. Sister spoke a few words on the importance of keeping the campus toilets clean and asked the student body to help the sanitary workers by being responsible individuals.

REV. SR. DR. Annie Xavier, addressed the student gathering by quoting the highlights on the indispensable role played by the sanitary workers for the smooth conduct of the day-to-day activities in campus. Sister also encouraged the student community to act with sensibility and to be open and aware of the needs in the community. The sanitary workers were honoured with a goodie bag by the Principal and Secretary of Holy Cross College. The students of the VISCOM department engaged the gathering in a thought-provoking skit which portrayed the struggles and sufferings faced by the sanitary workers. Two of the sanitary workers addressed the participants and disclosed their horrific plight and asked for cooperation in the future. An oath taking ceremony was led by Ms. Swetha, Student Council President. The audience joined in solidarity. The launch was wrapped up in a formal vote of thanks proposed by Dr. Anita. The general assembly came to an end by the college anthem.
