

The Center for Research, the Department of Library and Information Science, and the Library jointly organized an International Conference on Navigating Research Impact: Metrics, Strategies, and Ethical Considerations on September 23, 2023, at Holy Cross College. A notable highlight of the conference was the enlightening presentation by Dr. T. Pratheeban, Librarian at UWA Wellassa University in Sri Lanka, and Dr. R. Balasubramani, Associate Professor at BDU, who served as resource persons. Dr. Pratheeban delved into the recent trends in publication and research, offering insights into identifying predatory journals, addressing plagiarism, and ensuring research integrity. Dr. R. Balasubramani provided a clear explanation of research ethics, the thesis submission process, and publication details followed by BDU. More than 106 participants from various colleges participated.

HOLY CROSS COLLEGE (AUTONOMOUS)
