

**HOLY CROSS COLLEGE (AUTONOMOUS), TIRUCHIRAPPALLI - 2**

**UG & PG DEGREE EXAMINATIONS - NOVEMBER 2026**

**TIME TABLE FOR I, III & V SEMESTER**

**(REDO, READMISSION, TRANSFER & OUTGONE ARREAR)**

| DATE       | TIME                   | TITLE OF THE PAPER                                                           | SUBJECT CODE |
|------------|------------------------|------------------------------------------------------------------------------|--------------|
| 26.10.2026 | 1.30 p.m. - 4.30 p.m.  | Core Course - 9: Cell Biology, Genetics, Molecular Biology and Biostatistics | U23BO5CCT09  |
| Monday     |                        | Core Course - 9: Inorganic Chemistry                                         | U23CH5CCT09  |
|            |                        | Core Course - 9: Organizational Behaviour                                    | U23CC5CCT09  |
|            |                        | Core Course - 12: Web Technologies                                           | U24CA5CCT12  |
|            |                        | Core Course - 9: History of Contemporary India from 1947 to 1984 C.E.        | U23HI5CCT09  |
|            |                        | Major Core 10 : Mathematical Physics                                         | U22PH6MCT14  |
|            |                        | Core Course - 9: Animal Physiology                                           | U23ZO5CCT09  |
|            |                        | Elective Course : Herbal Technology                                          | P24BO1ECT03  |
|            |                        | Specialization Course 7: PRSS3T1: Rehabilitation Case Work                   | P24RS3SWT07  |
| 27.10.2026 | 9.30 a.m. - 12.30 p.m. | Language: General Tamil – III                                                | U25TL3GEN03  |
| Tuesday    |                        |                                                                              |              |
| 27.10.2026 | 1.30 p.m. - 4.30 p.m.  | Elective Course : Conservation of Natural Resources and Policies             | P24BO1ECT01  |
| Tuesday    |                        | Specialization Course 8: PRSS3T2: Rehabilitation Group Work                  | P24RS3SWT08  |
| 28.10.2026 | 9.30 a.m. - 12.30 p.m. | English: General English - I                                                 | U25EL1GEN01  |
| Wednesday  |                        |                                                                              |              |
| 28.10.2026 | 1.30 p.m. - 4.30 p.m.  | Core Course -10: Organic Chemistry - I                                       | U23CH5CCT10  |
| Wednesday  |                        | Core Course - 10: Operating Systems                                          | U24CA5CCT10  |
|            |                        | Core Course - 10: History of World from 1789 to 1945 C.E.                    | U23HI5CCT10  |
|            |                        | Major Core 11 : Atomic and Molecular Physics                                 | U22PH5MCT11  |
|            |                        | Core Course - 10: Biotechnology - I                                          | U23ZO5CCT10  |
| 29.10.2026 | 9.30 a.m. - 12.30 p.m. | English: General English - III                                               | U25EL3GEN03  |
| Thursday   |                        |                                                                              |              |

DATE : 07.10.2026

CONTROLLER OF EXAMINATIONS  
HOLY CROSS COLLEGE  
(AUTONOMOUS)  
TIRUCHIRAPPALLI-2

|            |                        |                                                                                                                            |             |
|------------|------------------------|----------------------------------------------------------------------------------------------------------------------------|-------------|
| 29.10.2026 | 1.30 p.m. - 4.30 p.m.  | Core Course - 13: Industry Module - Industrial Botany                                                                      | P24BO3CCT13 |
| Thursday   |                        | Specialization Course 9: PRSS3T3: Community Organization and Community Centered Rehabilitation                             | P24RS3SWT09 |
| 30.10.2026 | 1.30 p.m. - 4.30 p.m.  | Core Course - 10: Business Communication                                                                                   | U23CC5CCT10 |
| Friday     |                        | Core Course - 11: Software Engineering Concepts                                                                            | U24CA5CCT11 |
|            |                        | Core Course - 11: Introduction to Historiography                                                                           | U23HI5CCT11 |
|            |                        | Major Core 13 : Spectroscopy                                                                                               | U22PH5MCT13 |
|            |                        | Core Course - 11: Entomology                                                                                               | U23ZO5CCT11 |
| 31.10.2026 | 9.30 a.m. - 12.30 p.m. | Core Course - 5: Macro Economics - I                                                                                       | U25EC3CCT05 |
| Saturday   |                        | Core Course - 7: Biological Psychology                                                                                     | U25PS3CCT07 |
|            |                        | Major Core : Biochemistry                                                                                                  | U22ZO3MCT07 |
| 31.10.2026 | 1.30 p.m. - 4.30 p.m.  | Elective Course - 5: Nanobiotechnology                                                                                     | P24ZO3ECT08 |
| Saturday   |                        | Core Course 19: PRSC3T4: Project Management                                                                                | P24RS3CCT19 |
| 02.11.2026 | 9.30 a.m. - 11.30 a.m. | Foundation Course: Biosystematics and Taxonomy                                                                             | U23ZO1FCT01 |
| Monday     |                        |                                                                                                                            |             |
| 03.11.2026 | 9.30 a.m. - 12.30 p.m. | Core Course - 6: Mathematics for Economists                                                                                | U25EC3CCT06 |
| Tuesday    |                        | Core Course - 8: Foundations of Behavioural Research                                                                       | U25PS3CCT08 |
| 03.11.2026 | 1.30 p.m. - 4.30 p.m.  | Core Course 11 : International Business                                                                                    | U23CC5CCT11 |
| Tuesday    |                        | Core Course - 9: Angiosperm Systematics                                                                                    | P24BO3CCT09 |
|            |                        | Core Course 20 : PRSC3T5: Assistive Technology: Environmental Modification and Accommodation for Persons with Disabilities | P24RS3CCT20 |
| 04.11.2026 | 1.30 p.m. - 4.30 p.m.  | Elective Course - 1: Electrochemistry, Kinetics and Surface Chemistry                                                      | U23CH5ECT01 |
| Wednesday  |                        | Elective Course 5 : Software Engineering and UML Design                                                                    | U23CC5ECT10 |
|            |                        | Elective Course - 5: IoT and its Applications                                                                              | U23CA5ECT03 |
|            |                        | Elective Course - 5: Indian Constitution                                                                                   | U23HI5ECT09 |
